Project Components

- Study Area Boundary
- Preliminary Substation Siting Area
- ERCOT Approved Project Endpoint
- Substation Alternative
- Preliminary Segment and Node

Utilities

- Existing Substation
- Existing 138 kV Transmission Line

Transportation

- Interstate Highway
- US Highway
- Toll Road
- State Highway
- Farm to Market Road
- County Road
- Major Road
- Local Road
- Railroad
- Airstrip
- Heliport
- Airstrip

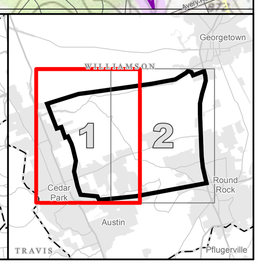
Land Use

- School
- Cemetery
- Place of Worship
- Communication Tower
- Water Well
- Pipeline
- Trail
- Parcel Boundary
- Park
- Golf Course
- City Boundary

Surface Water

- Inundation Easement
- Edwards Aquifer Recharge Zone
- Mapped NWI Wetland
- 100 Year Floodplain
- Floodway

Some data layers including property boundaries and pipelines are obtained from third-party sources and are inaccurate to varying degrees. These data have not all been corrected and should be used as a general guide to feature locations only. Digitization of initial preliminary transmission line segments was performed based on aerial interpretation of these features. Some legend symbols are enlarged for easier identification.

Note: Sensitive cultural resource data are not shown on this map as these data are not to be reproduced, distributed, or released to the public.


Land parcel boundaries: Williamson County Appraisal District, August 2015.
