

MCKINNEY ROUGHS NATURE PARK

TEEN ADVENTURE CAMP

Weekly Themes

(Ages 13-15)

In addition to the activities below, teen campers will experience the thrill of high elements on the challenge course, including an exciting zip line, take a river trip and work within a group to plan and execute an outdoor adventure.

June 19-23: AQUATIC ADVENTURES

Experience the Colorado River through rafting, kayaking, canoeing and swimming. Campers will be challenged to practice basic river rescue techniques through team-building exercises on the Colorado River. Power up with lunch on an island and complete a water obstacle course on Lake Bastrop.

June 26-30: SURVIVAL QUEST

Learn survival skills! Make ropes and learn useful knots that can be used in first aid and rescue scenarios while paddling on the river. Learn to make fire without matches, harvest edible plants, create primitive tools and purify water. Conquer the challenges of the rock climbing wall and the "Giant's Ladder."
