

Rebate Application Form

SECTION 1 PROGRAM INFORMATION AND APPLICATION INSTRUCTIONS

LCRA provides rebates of up to \$350 for the purchase of specific irrigation equipment that increases the efficiency of automatic sprinkler systems. To apply for a rebate:

- (1) Identify potential irrigation system upgrades or enlist help from a licensed irrigator, your water provider or an LCRA representative. If upgrades are needed or recommended, arrange to do the work yourself or for an irrigator licensed with the State of Texas to install the equipment. Rebates are available for four irrigation technology equipment upgrades: rain sensors, soil moisture sensors, pressure regulating valves, and pressure-reducing heads and nozzles. Rebates do not apply to labor costs.
- (2) Complete Section 2 with applicant contact information.
- (3) After updating the sprinkler system, complete and sign Section 4. Submit this Rebate Application Form with a copy of the receipts to Brett Briant by email at brett.briant@lcra.org or mail to LCRA, Attn: Brett Briant L211, 3700 Lake Austin Blvd., Austin, TX 78703.
- (4) LCRA may inspect the irrigation system after it is installed.
- (5) LCRA will review the signed application and the receipts before mailing a rebate check.

SECTION 2 APPLICANT INFORMATION

APPLICANT INFORMATION		
Name:	Water provider and account number:	
Installation address:	City:	ZIP code:
Mailing address (if different from above):	City, State:	ZIP code:
Email address:	Phone:	

SECTION 3 IRRIGATION EVALUATION

Visit watersmart.org for more information about what equipment is eligible for a rebate.

# of Units Recommended for Upgrade	# of Stations or Zones	Equipment Item Description
		Conversion to pressure-reducing heads or nozzles*
		Pressure regulating valve(s)
		Soil moisture sensor(s)
		Rain sensor

*Entire station/zone must be converted to pressure-reducing heads or nozzles in order to qualify.

SECTION 4 APPLICANT AGREEMENT (Must be signed before application can be processed.)

By signing this rebate application, the Applicant has read, understands and agrees to the following:

- I have a water account with one of LCRA's firm water customers.
- Irrigation work must be done by the homeowner or an irrigator licensed with the State of Texas. LCRA and its firm water customers are in no way responsible for the installation or operation of the irrigation equipment.
- The irrigation rebate covers equipment costs, not labor costs.
- To qualify for the rebate, I must provide a copy, scan or photo of the itemized receipts supporting this application.
- I must submit this application and receipts within 60 calendar days of completing the work.
- LCRA and its firm water customers have the right, but not the obligation, to inspect the installed irrigation equipment to verify installations conform to rebate program requirements.
- LCRA and its firm water customers have not made, and do not make, any representations, warranties or promises, either express or implied, with respect to any irrigation equipment, including but not limited to any warranties of merchantability or fitness for a particular purpose, or quality, reliability, durability, water savings or
