2. Authorize the Fiscal Year 2019 Extraordinary LCRA Optional Purchase Price Payment From LCRA Transmission Services Corporation

Proposed Motion
Adopt the attached resolution making determinations regarding the payment from LCRA Transmission Services Corporation of an Extraordinary LCRA Optional Purchase Price Payment (ELOPPP) for fiscal year 2019 and, when such payment is made, reserve those funds in the LCRA Strategic Reserve.

Board Consideration
Section 4.02 of the LCRA-LCRA TSC Electric Transmission Facilities Contract (the Contractual Commitment) requires the LCRA Board to determine if an ELOPPP is due for any given fiscal year and to determine the amount of any ELOPPP at least 30 days before approving LCRA TSC’s annual budget for the next fiscal year.

Budget Status and Fiscal Impact
The transfer to LCRA was contemplated in the FY 2019 business plan. The initiation of this transfer is being made after ensuring LCRA TSC will meet all financial commitments, including annual expenses for operations and maintenance, debt service and any other payments required under its financial policies.

Summary
As part of the formation of LCRA TSC and the transfer of LCRA’s transmission assets to LCRA TSC, LCRA and LCRA TSC executed the Contractual Commitment to govern that transfer and to obligate LCRA TSC to pay a purchase price for those assets. As required by the Contractual Commitment, LCRA TSC has made, each year since its inception, purchase price payments equal to the LCRA debt service obligation associated with the assets transferred to LCRA TSC. Under Section 4.02 of the Contractual Commitment, the LCRA Board has sole discretion to determine each fiscal year if an annual ELOPPP will be made to LCRA. This determination must be made at least 30 days prior to the LCRA Board’s approval of LCRA TSC’s annual budget for the following fiscal year. The amount of any ELOPPP is capped at 25 percent of the amount of LCRA TSC’s Contractual Commitment purchase price payments and guarantee reimbursement payments, and is only payable if all other financial commitments of LCRA TSC have been met, including debt, debt service, operations and maintenance, and coverage ratios and reserve funds required by LCRA TSC’s financial policies.

Staff determined LCRA TSC has to date met, and is expected to meet, all financial obligations required by any agreement or the financial policies of LCRA TSC for FY 2019.
The amount to be transferred to LCRA will be reserved in the LCRA Strategic Reserve for use in accordance with Board Policy 301 – Finance.
