Executive Session
The Board may go into executive session for discussion on any real estate-related items listed above, and for advice from legal counsel on any item listed above, pursuant to Chapter 551 of the Texas Government Code.
OVERVIEW OF LCRA TRANSMISSION SERVICES CORPORATION

In connection with the implementation of retail competition in the electric utility industry in the state of Texas, LCRA was required by the Texas Legislature in its amendments to the Public Utility Regulatory Act (enacted in 1999 under state legislation known as Senate Bill 7, and referred to as SB 7) to unbundle its electric generation assets from its electric transmission and distribution assets. LCRA conveyed, effective Jan. 1, 2002, all of its existing electric transmission and transformation assets (collectively, the Transferred Transmission Assets) to the LCRA Transmission Services Corporation (LCRA TSC) pursuant to the terms of an Electric Transmission Facilities Contract (the Initial Contractual Commitment), dated Oct. 1, 2001.

LCRA TSC is a nonprofit corporation created by LCRA to act on LCRA’s behalf pursuant to Chapter 152, Texas Water Code, as amended. After Jan. 1, 2002, LCRA TSC engaged in the electric transmission and transformation activities previously carried out by LCRA and assumed LCRA’s obligation to provide, and the right to collect revenues for, electric transmission and transformation services. LCRA TSC is an electric transmission service provider (a TSP) under the state’s open-access electric transmission regulatory scheme within the approximately 85 percent area of the state covered by the Electric Reliability Council of Texas (ERCOT). In such capacity, LCRA TSC is entitled to receive compensation from all electric distribution service providers using the electric transmission system within ERCOT. As a TSP in the ERCOT region of the state, the rates that LCRA TSC will charge for transmission services are regulated by the Public Utility Commission of Texas (PUC) and determined pursuant to transmission cost of service rate proceedings filed with and approved by the PUC.

Within the framework of SB 7, LCRA TSC implements the electric transmission business of LCRA, including the expansion of electric transmission services outside of LCRA’s traditional electric service territory. LCRA personnel are responsible for performing all of LCRA TSC’s activities pursuant to a services agreement between LCRA TSC and LCRA. This includes procuring goods and services on behalf of LCRA TSC and is reflected in the LCRA Board agenda contracts.

Under the LCRA Master Resolution, defined as the LCRA Board resolution governing LCRA’s outstanding debt, and certain provisions of state law, the LCRA Board is required to exercise control over all operations of LCRA TSC. This control includes approval of LCRA TSC’s business plan and of the sale or disposition of any significant assets of LCRA TSC. The Board of Directors of LCRA TSC (LCRA TSC Board) is appointed by and serves at the will of the LCRA Board. The current membership of LCRA TSC Board is made up entirely of the existing LCRA Board.

The LCRA TSC Board Policy on Authority and Responsibilities directs that the business plan of the affiliated corporation include for approval a schedule of capital projects proposed for the fiscal year. The policy also states that only deviations from the approved plan will be brought before the LCRA TSC Board. As such, the LCRA TSC Board agenda will not include consent items to approve specific capital projects, unless the project scope or budget changes significantly from what was originally approved.
FOR DISCUSSION

1. Comments From the Public

Summary
This part of the meeting is intended for comments from the public on topics under LCRA Transmission Services Corporation’s jurisdiction but not related to an item on the Board agenda. No response or action may be taken by the Board during public comments.

In order to address the Board, a member of the public is required to sign and complete the registration form at the entrance to the meeting room.

Any member of the public wishing to comment on an item listed on this agenda will be called to make comments at the appropriate time.
FOR DISCUSSION

2. Financial Report

Board Consideration
This report is presented monthly to the Board of Directors for discussion.

Summary
The financial report for LCRA Transmission Services Corporation covers the month and fiscal year to date.

Table of Contents

Budget-to-Actual Highlights ........................................................................................................ 1

Financial Statement Trends ....................................................................................................... 2

Condensed Balance Sheets and Condensed Statements of Revenues, Expenses
and Changes in Equity ............................................................................................................. 3

Key terms:

4CP – Four-month coincident peak is the average of the peak Electric Reliability Council of Texas electrical
demands (measured in kilowatts) during the months of June, July, August and September of the previous calendar
year.

ELOPPP – Extraordinary LCRA Optional Purchase Price Payment.

FYE – Fiscal year-end.

Net margin – Total operating revenues, including interest income, less direct and assigned expenses.
Key takeaways:

- Higher cost of service revenues and the timing of expenses drove the monthly performance.
- A combination of timing and lower expenses, as well as higher cost of service, interest income and miscellaneous revenues, drove the year-to-date performance.
- Lower-than-budgeted expenses, higher-than-budgeted Transmission revenues due to a higher-than-planned interim capital addition rate filing and an increased 4CP, higher interest income and miscellaneous revenues are driving the higher-than-budgeted debt service coverage projection.

MINUTES OF THE REGULAR MEETING OF THE  
BOARD OF DIRECTORS OF THE  
LCRA TRANSMISSION SERVICES CORPORATION  
Austin, Texas  
Jan. 23, 2019  

Pursuant to notice posted in accordance with the Texas Open Meetings Act, the Board of Directors (Board) of the LCRA Transmission Services Corporation (LCRA TSC) convened in a regular meeting at 9:04 a.m. Wednesday, Jan. 23, 2019, in the Board Room of the Hancock Building, at the principal office of the Lower Colorado River Authority, 3700 Lake Austin Blvd., Austin, Travis County, Texas. The meeting was open to the public, and the following directors were present, constituting a quorum:  

Timothy Timmerman, Chair  
Thomas Michael Martine, Vice Chair  
Lori A. Berger  
Stephen F. Cooper  
Joseph M. “Joe” Crane  
Pamela Jo “PJ” Ellison  
Laura D. Figueroa  
Charles B. “Bart” Johnson  
Thomas L. “Tom” Kelley  
Robert “Bobby” Lewis  
George W. Russell  
Martha Leigh M. Whitten  
Nancy Eckert Yeary  

Absent: Raymond A. “Ray” Gill Jr.  
Franklin Scott Spears Jr.  

Chair Timmerman convened the meeting at 9:04 a.m. and led the Board in pledges of allegiance to the American and Texas flags. Director Figueroa provided an invocation.  

There were no public comments, neither on general topics under LCRA TSC’s jurisdiction (Agenda Item 1) nor on any specific agenda items, during this meeting.  

President and Chief Executive Officer Phil Wilson referenced Agenda Item 5 regarding a capital plan amendment to increase capital spending, and updated the Board on an increase in LCRA TSC’s capital plan forecast. Wilson discussed the increase in the amount LCRA TSC is investing on transmission capital projects in fiscal year 2019.  

Vice President and Chief Operating Officer Kristen Senechal reported on the impact of weather on the transmission project portfolio in LCRA TSC’s capital plan.
Controller Julie Rogers presented the financial report for December 2018 [Agenda Item 2].

The Board next took action on the consent agenda. Upon motion by Director Berger, seconded by Director Ellison, the Board unanimously approved consent items 3 and 4 included on the Jan. 23, 2019, consent agenda by a vote of 13 to 0 as follows:

19-01 Declaration of two tracts of land totaling 0.37 of an acre in Kerr County nonessential (no longer necessary, convenient or of beneficial use to the business of LCRA TSC) and authorization for the president and chief executive officer or his designee to convey the property to the Kerrville Public Utility Board, as recommended by staff in Consent Item 3 [attached hereto as Exhibit A].

19-02 Approval of the minutes of the Dec. 11, 2018, meeting [Consent Item 4].

19-03 Vice President and Chief Operating Officer Kristen Senechal presented for consideration a staff recommendation, described in Agenda Item 5 [attached hereto as Exhibit B], that the Board approve an amendment to the Fiscal Year 2019 LCRA Transmission Services Corporation Capital Plan to increase authorization for capital spending in FY 2019 from $295.6 million to $436.5 million. Upon motion by Director Johnson, seconded by Director Russell, the recommendation was unanimously approved by a vote of 13 to 0.

19-04 Vice President of Transmission Strategic Services Clint Harp presented for consideration a staff recommendation, described in Agenda Item 6 [attached hereto as Exhibit C], that the Board approve the Capital Improvement Project Authorization Request for the Rio Grande Electric Cooperative Transmission Facilities Acquisition project and authorize the president and chief executive officer or his designee to (i) negotiate and execute a purchase agreement to acquire RGEC’s electric transmission facilities and related real property currently located in ERCOT and to acquire RGEC’s electric transmission facilities and related real property currently located in WECC if and when they are integrated into ERCOT; and (ii) do all things reasonably necessary to accomplish the purposes hereof. Upon motion by Director Whitten, seconded by Director Berger, the recommendation was unanimously approved by a vote of 13 to 0.

19-05 Vice President of Transmission Planning Kristian Koellner presented for consideration a staff recommendation, described in Agenda Item 7 [attached hereto as Exhibit D], that the Board approve the Capital Improvement Project Authorization Request for the Hayter Ranch Substation Addition project. Upon motion by Director Lewis, seconded by Director Berger, the recommendation was unanimously approved by a vote of 13 to 0.

19-06 Director of Real Estate Services Steven Brown presented for consideration a staff recommendation described in Agenda Item 8 – Acquisition of Interests in Real Property – Use of Eminent Domain in Williamson County [attached hereto as Exhibit E]. Director Berger moved, seconded by Director Ellison, that the Board adopt the attached
resolution; that the Board authorize by record vote the use of the power of eminent
domain to acquire rights in the properties described in Exhibit 1 to the resolution for the
acquisition of easements for the Leander to Round Rock Transmission Line Addition
project; and that the first record vote applies to all units of property to be condemned.
The Board unanimously approved the motion by a record vote of 13 to 0.

Chair Timmerman declared the meeting to be in executive session at 9:23 a.m.,
pursuant to sections 551.071 and 551.072 of the Texas Government Code (Open
Meetings Act). Executive session ended, and Chair Timmerman declared the meeting to
be in public session at 9:33 a.m., with all directors present except directors Gill and
Spears.

19-07 Director Lewis moved, seconded by Director Berger, that the Board
authorize the president and chief executive officer or his designee to negotiate and
acquire electric transmission line easements for the Leander to Round Rock
Transmission Line Addition project in Williamson County as discussed in executive
session; and further authorize the president and chief executive officer or his designee
to do all things necessary to accomplish the purposes hereof. The Board unanimously
approved the motion by a vote of 13 to 0.

19-08 Director Russell moved, seconded by Director Johnson, that the Board
approve the Capital Improvement Project Authorization Request for the Gabriel
Substation Property Acquisition project and authorize the president and chief executive
officer or his designee to (i) negotiate and acquire a tract of land adjacent to the Gabriel
Substation in Williamson County as discussed in executive session; and (ii) do all things
reasonably necessary to accomplish the purposes hereof. The Board unanimously
approved the motion by a vote of 13 to 0.

There being no further business to come before the Board, the meeting was
adjourned at 9:34 a.m.

LCRA TRANSMISSION SERVICES CORPORATION
FISCAL YEAR 2020 BUSINESS AND CAPITAL PLANS

BE IT RESOLVED that the LCRA Transmission Services Corporation Board of Directors hereby adopts and approves the LCRA Transmission Services Corporation Fiscal Year 2020 Business and Capital Plans.

LCRA Transmission Services Corporation has budgeted FY 2020 operating and capital amounts at $117.9 million and $341.9 million, respectively.

The Board recognizes that through its normal agenda process it will approve capital projects and other major expenditures not included in the business and capital plans, and the president and chief executive officer is instructed to inform the Board when a capital project or other major expenditure is proposed on the agenda that significantly changes or varies from the approved budget in accordance with LCRA Transmission Services Corporation’s financial policy. Furthermore, the president and chief executive officer shall provide the Board with monthly financial reports and quarterly business and capital plan updates describing the progress toward the accomplishment of LCRA Transmission Services Corporation’s goals within the budgeted amounts approved by the Board.

Adoption of the FY 2020 Business and Capital Plans provides authorization for all expenditures and plans in the business plans and approves the budget for LCRA Transmission Services Corporation, as required by state law. Individual purchases and contracts to implement the business and capital plans fall under various state laws and Board policies and may require additional approval.

5. New Capital Improvement Project Approval – Homestead Substation Addition

Proposed Motion
Approve the Capital Improvement Project Authorization Request for the Homestead Substation Addition project and authorize the president and chief executive officer, or his designee, (i) to negotiate and execute an agreement with Rio Grande Electric Cooperative’s customer Diamondback Energy, Inc. (or its affiliate or subsidiary) for purchase of the Homestead Substation, including transmission and transformation facilities, land and land rights located in Pecos County, and (ii) to do all things reasonably necessary to accomplish the purposes hereof.

Board Consideration
LCRA Transmission Services Corporation Board Policy T301 – Finance requires Board of Directors approval for any project exceeding $1.5 million that is not included in the annual capital plan or any previously approved project expected to exceed its lifetime budget by 10 percent and $300,000. Board Policy T401 – Land Resources requires specific Board approval for acquisition of land if the purchase price exceeds $600,000.

Budget Status and Fiscal Impact
- The project is not included in LCRA TSC’s fiscal year 2019 or FY 2020 capital plans.
- Staff seeks approval for a total lifetime budget of $5,041,000, of which staff anticipates spending $21,000 this fiscal year.
- The proposed lifetime budget for the project does not include contingency.
- Staff expects this additional spending can be managed within the existing FY 2019 and FY 2020 capital budgets and currently does not request additional fiscal year capital budget authorization.
- The chief operating officer will release funds as needed.
- Project costs will be funded through LCRA TSC regulated rates, pending approval by the Public Utility Commission of Texas.
- The purchase price will include the fair market value of the substation site, which may exceed $600,000.

Summary
Staff recommends the Homestead Substation Addition project located in Pecos County as an addendum to the FY 2019 capital plan. The project will meet legal requirements in the Public Utility Regulatory Act and PUC rules. The rules require transmission utilities to provide transmission service, including constructing new facilities and modifying existing ones, to wholesale market participants.

In July 2018, Rio Grande Electric Cooperative requested transmission service to serve oil and gas industry load. To provide the interconnection, LCRA TSC will acquire a new 138-kilovolt substation with transformation and transmission facilities, including
property, from Diamondback Energy. Additionally, LCRA TSC will acquire a new 138-kV transmission line to connect the new substation to the Texas-New Mexico Power-owned Tarbush Substation. LCRA TSC will negotiate an agreement with RGEC and TNMP for interconnection of the facilities.

The required project completion date is March 2020. The project funds will pay for project management, regulatory activities, engineering, materials, real estate activities and necessary land rights. LCRA TSC representatives will perform environmental and cultural due diligence studies and address all identified concerns. A Certificate of Convenience and Necessity is not required.

6. New Capital Improvement Project Approval – Motorman Substation Addition

Proposed Motion
Approve the Capital Improvement Project Authorization Request for the Motorman Substation Addition project and authorize the president and chief executive officer, or his designee, (i) to negotiate and acquire all necessary land and land rights in Upton County by purchase and (ii) to do all things reasonably necessary to accomplish the purposes hereof.

Board Consideration
LCRA Transmission Services Corporation Board Policy T301 – Finance requires Board of Directors approval for any project exceeding $1.5 million that is not included in the annual capital plan or any previously approved project expected to exceed its lifetime budget by 10 percent and $300,000.

Budget Status and Fiscal Impact
- The project is not included in LCRA TSC’s fiscal year 2019 or FY 2020 capital plans.
- Staff seeks approval for a total lifetime budget of $7,613,000, of which staff anticipates spending $106,000 this fiscal year.
- The proposed lifetime budget for the project does not include contingency.
- Staff expects this additional spending can be managed within the existing FY 2019 and FY 2020 capital budgets and currently does not request additional fiscal year capital budget authorization.
- The chief operating officer will release funds as needed.
- Project costs will be funded through LCRA TSC regulated rates, pending approval by the Public Utility Commission of Texas.

Summary
Staff recommends the Motorman Substation Addition project located in Upton County as an addendum to the FY 2019 capital plan. The project will meet legal requirements in the Public Utility Regulatory Act and PUC rules. The rules require transmission utilities to provide transmission service, including constructing new facilities and modifying existing ones, to wholesale market participants.

Oncor Electric Delivery Company LLC requested that LCRA TSC construct a new point of transmission interconnection to accommodate Oncor’s load growth. LCRA TSC will provide a point of interconnection by constructing a 138-kilovolt substation in a ring bus configuration tying in the existing Crane East to Upton transmission line.
The required project completion date is December 2020. The project funds will pay for project management, regulatory activities, engineering, materials, real estate activities and necessary land rights. LCRA TSC representatives will perform environmental and cultural due diligence studies and address all identified concerns. A Certificate of Convenience and Necessity is not required.

7. Acquisition of Interests in Real Property – Use of Eminent Domain in Gillespie County

Proposed Motion
I move that the LCRA Transmission Services Corporation Board adopt the attached resolution; that the Board authorize by record vote the use of the power of eminent domain to acquire rights in the property described in Exhibit 1 to the resolution for the acquisition of an easement amendment and right of way for the Easement Enhancement – FY 2018 System Upgrade project to ensure the continued reliable transmission of electric energy on the Eckert to Nebo (T126) transmission line; and that the first record vote applies to all units of property to be condemned.

Board Consideration
LCRA Transmission Services Corporation Board Policy T401 – Land Resources and Section 2206.053 of the Texas Government Code require Board authorization prior to initiating eminent domain proceedings.

Section 2206.053 of the Texas Government Code provides that if two or more Board members object to adopting a single resolution for all units, a separate record vote must be taken for each unit of property. If two or more units of real property are owned by the same person, those units may be treated as one unit of property.

Budget Status and Fiscal Impact
The acquisition costs were included in the Board-approved budget for the Easement Enhancement – FY 2018 System Upgrade project.

Summary
LCRA TSC proposes to amend the existing transmission line and substation easement in Gillespie County as part of the Easement Enhancement – FY 2018 System Upgrade project. Valbridge Property Advisors performed an independent appraisal of the interests in real property to be acquired to determine just compensation to the landowner.

Staff made an initial offer to acquire the necessary interests in real property voluntarily from the landowner listed on Exhibit C, as required by Section 21.0113 of the Texas Property Code. Staff will continue to negotiate for the purchase of the interests in real property. Staff seeks Board authorization to proceed with condemnation if an agreement cannot be reached with the landowners.

Staff has provided to the Board a description of the specific property to be acquired and will attach the description to the resolution.

LCRA TSC representatives have performed environmental and cultural due diligence studies and did not identify any concerns. Staff requests the Board adopt the resolution in Exhibit D authorizing the initiation of condemnation proceedings on the first record vote for all units of property.

PROPOSED MOTION

I MOVE THAT THE BOARD OF LCRA TRANSMISSION SERVICES CORPORATION ADOPT THE ATTACHED RESOLUTION; THAT THE BOARD AUTHORIZE BY RECORD VOTE THE USE OF THE POWER OF EMINENT DOMAIN TO ACQUIRE RIGHTS IN THE PROPERTY DESCRIBED IN EXHIBIT 1 TO THE RESOLUTION FOR THE EASEMENT ENHANCEMENT – FY 2018 SYSTEM UPGRADE PROJECT TO ENSURE THE CONTINUED RELIABLE TRANSMISSION OF ELECTRIC ENERGY ON THE ECKERT TO NEBO (T-126) TRANSMISSION LINE; AND THAT THE FIRST RECORD VOTE APPLIES TO ALL UNITS OF PROPERTY TO BE CONDEMNED.

RESOLUTION

AUTHORIZING ACQUISITION OF INTERESTS IN REAL PROPERTY BY CONDEMNATION IN GILLESPIE COUNTY FOR TRANSMISSION LINE AND SUBSTATION EASEMENT AMENDMENT.

WHEREAS, LCRA Transmission Services Corporation has determined the need to acquire the interests in real property necessary for the public purposes of construction, operation, and maintenance of an electric transmission line and an electric substation in Gillespie County; and

WHEREAS, an independent, professional appraisal of the subject property has been submitted to LCRA Transmission Services Corporation, and an amount will be established to be just compensation for the interests in real property to be acquired;

NOW, THEREFORE, BE IT RESOLVED that the president and chief executive officer or his designee is authorized to purchase the interests in real property from the landowner(s) listed in the attached Exhibit C for the Easement Enhancement – FY 2018 System Upgrade project, with the description of the location of and interest in the property that LCRA Transmission Services Corporation seeks to acquire being more particularly described in maps provided to the Board and attached to this Resolution as Exhibit 1; that the public convenience and necessity requires the acquisition of said interests in real property; that the public necessity requires the condemnation of the interests in real property in order to acquire them for such purposes; that LCRA Transmission Services Corporation does not intend to acquire rights to groundwater or surface water in the land; that LCRA Transmission Services Corporation will make a bona fide offer to acquire the interests in real property from the landowner(s) voluntarily as required by Section 21.0113 of the Texas Property Code; and that at such time as LCRA Transmission Services Corporation has determined that the landowner(s) and LCRA Transmission Services Corporation will be unable to reach an agreement on the fair market value of the subject interests in real property and that it should appear that further negotiations for settlement with the landowner(s) would be futile, then the

president and chief executive officer or his designee is authorized and directed to initiate condemnation proceedings against the owner of the property, and against all other owners, lien holders, and other holders of an interest in the property, in order to acquire the necessary interests in real property; and that this resolution take effect immediately from and after its passage;

BE IT FURTHER RESOLVED that the president and chief executive officer or his designee is hereby authorized to do all things necessary and proper to carry out the intent and purpose of this resolution, including determination and negotiation of the interests in real property that are proper and convenient for the operation of the electric transmission line and substation.

8. Acquisition of Interests in Real Property – Use of Eminent Domain in Fayette and Colorado Counties

Proposed Motion
I move that the LCRA Transmission Services Corporation Board adopt the attached resolution; that the Board authorize by record vote the use of the power of eminent domain to acquire rights in the properties described in Exhibit 1 to the resolution for the amendment of easements for the existing Fayette Area Transmission Line Upgrades project to ensure the continued reliable transmission of electric energy on the Fayetteville to Glidden (T-176) transmission line; and that the first record vote applies to all units of property to be condemned.

Board Consideration
LCRA Transmission Services Corporation Board Policy T401 – Land Resources and Section 2206.053 of the Texas Government Code require Board authorization prior to the initiation of eminent domain proceedings.

Section 2206.053 of the Texas Government Code provides that if two or more Board members object to adopting a single resolution for all units, a separate record vote must be taken for each unit of property. If two or more units of real property are owned by the same person, those units may be treated as one unit of property.

Budget Status and Fiscal Impact
The amendment costs were included in the Board-approved budget for the Fayette Area Transmission Line Upgrades project.

Summary
LCRA TSC proposes to amend 21 easements in Fayette and Colorado counties for the Fayette Area Transmission Line Upgrades project. CBRE Group Inc. performed independent appraisals of the interests in real property to be acquired to determine just compensation to the landowners.

Staff made an initial offer to acquire the necessary interests in real property voluntarily from the landowners listed on Exhibit C, as required by Section 21.0113 of the Texas Property Code. Staff will continue to negotiate for the purchase of the interests in real property. Staff seeks Board authorization to proceed with condemnation if an agreement cannot be reached with the landowners.

Staff has provided to the Board descriptions of the specific properties to be acquired and will attach the descriptions to the resolution.

LCRA TSC representatives have performed environmental and cultural due diligence studies and did not identify any concerns. Staff requests the Board adopt the resolution in Exhibit D authorizing the initiation of condemnation proceedings on the first record vote for all units of property.

I MOVE THAT THE BOARD OF LCRA TRANSMISSION SERVICES CORPORATION ADOPT THE ATTACHED RESOLUTION; THAT THE BOARD AUTHORIZE BY RECORD VOTE THE USE OF THE POWER OF EMINENT DOMAIN TO ACQUIRE RIGHTS IN THE PROPERTIES DESCRIBED IN EXHIBIT 1 TO THE RESOLUTION FOR THE FAYETTE AREA TRANSMISSION LINE UPGRADES PROJECT TO ENSURE THE CONTINUED RELIABLE TRANSMISSION OF ELECTRIC ENERGY ON THE FAYETTEVILLE TO GIDEON (T-176) TRANSMISSION LINE; AND THAT THE FIRST RECORD VOTE APPLIES TO ALL UNITS OF PROPERTY TO BE CONDEMNED.

RESOLUTION

AUTHORIZING ACQUISITION OF INTERESTS IN REAL PROPERTY BY CONDEMNATION IN FAYETTE AND COLORADO COUNTIES FOR ELECTRICAL TRANSMISSION LINE EASEMENT AMENDMENTS FOR 21 SEPARATE PARCELS

WHEREAS, the LCRA Transmission Services Corporation has determined the need to acquire the interests in real property necessary for the public purposes of construction, operation, and maintenance of an electrical transmission line for 21 separate easement amendments that are located in Fayette and Colorado counties; and

WHEREAS, an independent, professional appraisal of the subject properties has been submitted to the LCRA Transmission Services Corporation, and an amount will be established to be just compensation for the interests in real property to be acquired;

NOW, THEREFORE, BE IT RESOLVED that the president and chief executive officer or his designee is authorized to purchase the interests in real property from the landowner(s) listed in the attached Exhibit C for the Fayette Area Transmission Line Upgrades project, with the description of the locations of and interests in the properties that LCRA Transmission Services Corporation seeks to acquire being more particularly described in maps provided to the Board and attached to this Resolution as Exhibit 1; that the public convenience and necessity requires the acquisition of said interests in real property; that the public necessity requires the condemnation of the interests in real property in order to acquire them for such purposes; that LCRA Transmission Services Corporation does not intend to acquire rights to groundwater or surface water in the land; that LCRA Transmission Services Corporation will make a bona fide offer to acquire the interests in real property from the landowner(s) voluntarily as required by Sec. 21.0113 of the Texas Property Code; and that at such time as LCRA Transmission Services Corporation has determined that the landowner(s) and LCRA Transmission Services Corporation will be unable to reach an agreement on the fair market value of the subject interests in real property and that it should appear that further negotiations for settlement with the landowner(s) would be futile, then the president and chief
