Minutes:

1. Welcome.

John Hofmann called the workshop to order. June EMC minutes will be approved at the next EMC meeting.

2. Harmful Algal Bloom Update (Austin).

Brent Bellinger presented Austin's testing and communications activities. Staff will follow up next week with further discussions.

3. Zebra Mussels Update.

Stephen Davis presented an update on Zebra mussels in the area and identified the status of various reservoirs and river reach.

4. Algae Update (LCRA).

Bryan Cook presented on LCRA's algae bloom monitoring and reporting. He demonstrated LCRA's pilot online algal boom reporting tool. Reported blooms are shown on a mapping tool but it does not include locations in Austin. Find it here: <https://www.lcra.org/water/quality/harmful-algal-blooms/>

5. Tom Miller Dam Gate Replacement Project.

Monica Masters gave a brief construction update.

6. Adjourn.

The next regular Quarterly EMC Meeting is scheduled for September 11, 2020, from 10:00 a.m.-12:00 noon. The meeting was adjourned at 11:05 a.m.
