Subject: Mountain Home Substation project and Harper Sub transmission upgrade.
Date: Thursday, April 25, 2019 1:53:35 PM

*****From an external source – Think before you click.*****

Charlie,

Central Texas Electric Cooperative is aware of the planned transmission project in Kerr, Kimble and Gillespie Counties planned by LCRA. This project supports our growth and need for additional facilities in the Mountain Home region and we agree to LCRA connecting to Harper Substation and a future substation near Mountain Home.

Thanks

Mitch Elmore, P.E.
