**Notices of water sale contracts requiring LCRA Board action**

Kingsland Water Supply Corporation (WSC) requested an increase to its firm water contract in July 2024. The LCRA Board will consider a contract for up to 1,500 acre-feet per year. The contract would include the addition of 350 acre-feet to the current contracted amount of 1,150 acre-feet per year. Kingsland WSC diverts water from Lake LBJ to serve municipal uses in Burnet and Llano counties. Information related to the contract request may be obtained from Kingsland WSC, 1422 West Drive, Kingsland, Texas 78639 or 325-388-6611.

The LCRA Board may consider this request at its Oct. 23 meeting in Burnet, or a subsequent meeting. LCRA Board meeting agendas are posted at <https://www.lcra.org/about/leadership/boardagendas/> at least 72 hours before the meeting. Public comments will be accepted in person at the Board meeting.
