Join us at the
Caldwell Civic Center

LCRA Transmission Services Corporation (LCRA TSC) invites you to an open house to learn about a new electric transmission line and substation facility proposed for Burleson County.

The open house will have a come-and-go format; no RSVP is needed. Representatives and experts from LCRA TSC and URS, the consulting firm responsible for developing preliminary alternative transmission line routes and potential substation sites, will be available to answer questions and discuss specific aspects of the project.

If you have any questions, please visit our project website at www.lcra.org/cookspoint or contact us at 1-800-776-5272, ext. 6803.
