On a separate page, please provide:

1. "Exhibit A" - An estimate of the amount of water which will be needed per year, the "Maximum Annual Quantity" (MAQ amount should be rounded to the next whole number), throughout the term of the proposed contract. The estimate of the Maximum Annual Quantity should include:
  - a. A detailed description of how you determined the amount necessary for the proposed contract, including consideration of the beneficial use of the water without waste and the full implementation of your proposed water conservation plan;
  - b. If water will be diverted downstream of the Highland Lakes, conveyance, delivery or system losses will be incurred to deliver the amount of water requested to the Point of Diversion under the contract and will be added to the amount requested to be diverted (see Water Contract Rule 5.1(k));
  - c. For a proposed contract for water upstream of any of the Highland Lakes, or water from a tributary of the Colorado River downstream of the Highland Lakes, a technical analysis shall be performed to determine the potential maximum impact of the proposed contract on LCRA's water rights. (See Water Contract Rule 5.1(k).) Applicant also shall include such impact in its application to the Texas Commission on Environmental Quality for any Permit to Use State Water necessary to use the water sought in the proposed contract request; and,
  - d. If you have an alternate source of water supply from which you also will be diverting from the same facilities used to divert water under the requested contract, please provide a proposed accounting plan setting forth how you intend to account for and report water used from the various sources of supply.
2. "Exhibit B" - Map showing the point of diversion from the Colorado River and any points of discharge of return flows, as applicable, with said points referenced to an original county survey corner by bearing and distance.
3. "Exhibit C" - Recent survey or legal description of subject property service area, including boundary map.
4. "Exhibit D" - Map showing the location of subject service area. A 7 1/2 minute USGS Quadrangle map is suggested.
5. "Exhibit E" – Water Conservation Plan.
6. "Exhibit F" – Drought Contingency Plan.
7. "Exhibit G" – Demand Schedule : A demand or use schedule that estimates your annual water usage, and any increases to it over time, of the water to be supplied under the proposed contract
8. "Exhibit H" – Contact List: List the names, business addresses, telephone numbers and email addresses of the following (*as applicable*): individual signing this application; primary contact for questions regarding the application (if not the signatory to the application); engineer for applicant; attorney for applicant; operations staff for applicant.
9. "Exhibit I" – Authority regarding Service Area: Provide documentation showing the applicant's legal rights with regard to the property included in the service area ((e.g., deed, lease, certificate of convenience and necessity, or water service agreement with property owner).

- 10. "Exhibit J" (as applicable) – Corporate Structure and Signature Authority: If the contract is in the name of an entity, please provide documentation of the corporate structure, corporate officers, and signature authority of the person who will be executing the contract.
- 11. "Exhibit K" (as applicable) – Plan for treatment of wastewater or waste disposal and the estimated amount (as applicable)

NOTE: Exhibits must be included with the application (please provide 4 copies of each exhibit); See "Lower Colorado River Authority Water Contract Rules" for further details concerning Exhibits B through G.
