**RESOLUTION NO. 25-\_\_**

**SEVENTY-SECOND SUPPLEMENTAL RESOLUTION TO THE  
MASTER RESOLUTION AUTHORIZING THE  
LOWER COLORADO RIVER AUTHORITY  
REFUNDING REVENUE BONDS**

**WHEREAS**, the Lower Colorado River Authority ("LCRA") is a governmental agency, and body corporate and politic of the State of Texas, being a conservation and reclamation district created and functioning under Article XVI, Section 59, of the Texas Constitution, pursuant to the provisions of Chapter 8503, Texas Special District Local Laws Code, as amended (the "LCRA Act"); and

**WHEREAS**, on September 22, 1999, the Board of Directors of LCRA (the "Board") adopted a Master Resolution Establishing the Lower Colorado River Authority Revenue Financing Program (referred to herein as the "Master Resolution"); and

**WHEREAS**, the capitalized terms used in this resolution and not otherwise defined shall have the meanings given in the Master Resolution and Exhibit A hereto; and

**WHEREAS**, the Master Resolution establishes a revenue financing structure pursuant to which LCRA can issue and enter into obligations, including bonds and other types of obligations, secured by and payable from a lien on and pledge of all lawfully available funds of LCRA; and

**WHEREAS**, the Master Resolution authorizes the Board to issue Parity Debt for any lawful purpose, including financing or refinancing the acquisition, construction, and completion of additions, betterments, improvements, and extensions to the properties of LCRA; and

**WHEREAS**, the Board finds and determines that it should issue the Bonds pursuant to this resolution (the "Seventy-Second Supplement") to (i) refund the Refunded Obligations (A) to achieve an economic savings in payments related to the Refunded Bond Obligations, provided, however, if any portion of the Bonds, issued for such purpose, is variable Multi-Mode Bonds or constitutes Balloon Debt as set forth in a Pricing Certificate, the Board finds and determines that (I) in accordance with Chapter 1207, Texas Government Code, the related refunding of the Refunded Bond Obligations is in the best interest of LCRA without any determination of economic savings or loss and (II) in accordance with Section 1371.057(c), Texas Government Code, LCRA intends to refund such Bonds pursuant to Chapter 1207, Texas Government Code, and any LCRA Officer is hereby authorized to make any certifications related to the term, payment schedule and structure of the assumed refunding of such Bonds and (B) to provide certainty in debt service requirements, lock in interest rates in the current interest rate environment and reduce administrative costs related to short term debt relating to the Refunded Note Obligations, all pursuant to the terms of this Seventy-Second Supplement, (ii) fund debt service reserve funds relating to the Bonds and (iii) to pay the costs of issuance relating to the Bonds; and

**WHEREAS**, Chapters 1207 and 1371, Texas Government Code, as amended, and particularly Sections 1371.051 and 1371.057(c) thereof, authorizes LCRA to issue refunding bonds to refund the Refunded Obligations; and

**WHEREAS**, pursuant to authority granted in Chapter 1371, Texas Government Code, as amended ("Chapter 1371"), the provisions of Section 1207.061, Texas Government Code, as amended, authorize LCRA to deposit the proceeds from the sale of a particular series of the Bonds, and any other available funds or resources, directly with a place of payment (a paying agent or certain trust companies or commercial banks) for the Refunded Obligations, and such deposit, if made before such payment dates, shall constitute the making of firm banking and financial arrangements for the discharge and final payment of the Refunded Obligations; and

**WHEREAS**, in accordance with Chapter 1207, Texas Government Code, the Board, as provided above, hereby finds and determines that the manner in which the refunding of the Refunded Obligations may be executed makes it impracticable for the Board to determine the maximum amount by which the aggregate amount of payments to be made under the refunding Bonds exceeds the aggregate amount of payments that would have been made under the terms of the Refunded Obligations; and

**WHEREAS**, all the Refunded Obligations mature or are subject to redemption prior to maturity within 20 years of the date of the Bonds hereinafter authorized; and

**WHEREAS**, the Board deems it necessary to issue Parity Debt pursuant to this Seventy-Second Supplement; and

**WHEREAS**, with respect to the creation of a debt service reserve fund or funds for the Bonds, if such fund or funds is determined to be beneficial to LCRA in the Pricing Certificate and so created, the Board hereby finds and determines that the establishment and operation of such funds will not have a material adverse effect on the ability of LCRA to comply with its covenants in the Master Resolution or in the Supplements authorizing the issuance of the Outstanding Parity Debt; and

**WHEREAS**, the Board further finds and determines that all terms and conditions for the issuance of the Bonds herein authorized as Parity Debt have been or can be met and satisfied; and

**WHEREAS**, the Bonds authorized to be issued by this Seventy-Second Supplement are to be issued and delivered pursuant to the Acts, and other applicable laws.

**NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE LOWER COLORADO RIVER AUTHORITY THAT:**

**ARTICLE I**  
**BONDS ISSUED UNDER MASTER REVENUE**  
**FINANCING PROGRAM**

**Section 1.01. DEFINITIONS.** (a) Definitions. In addition to the definitions set forth in the preamble of this Seventy-Second Supplement, the capitalized terms used herein (except in the FORM OF BONDS set forth in Exhibit B hereto) and not otherwise defined shall have the meanings given in the Master Resolution or in Exhibit A to this Seventy-Second Supplement. The recitals to this Seventy-Second Supplement and the exhibits hereto are incorporated herein and made a part hereof for all purposes.

(b) Construction of Terms. If appropriate in the context of this Seventy-Second Supplement, words of the singular number shall be considered to include the plural, words of the plural number shall be considered to include the singular, words of the masculine, feminine, or neuter gender shall be considered to include the other genders, and words importing persons shall include firms, associations, and corporations.

**Section 1.02. ESTABLISHMENT OF FINANCING PROGRAM AND ISSUANCE OF PARITY DEBT.** (a) Seventy-Second Supplement. By adoption of the Master Resolution, LCRA has established the Lower Colorado River Authority Revenue Financing Program for the purpose of providing an alternative financing structure for indebtedness of LCRA payable from and secured by a pledge of and lien on the Pledged Revenues, subject only to any Prior Encumbered Obligations. The Master Resolution is intended to establish a master program under which LCRA may incur Debt payable from a pledge of and lien on the Pledged Revenues, subject only to any Prior Encumbered Obligations. This Seventy-Second Supplement provides for the authorization, form, characteristics, provisions of payment and redemption, and security of the Bonds. This Seventy-Second Supplement is subject to the terms of the Master Resolution that is incorporated herein by reference and as such made a part hereof for all purposes.

(b) Bonds Are Parity Debt. As required by Section 5 of the Master Resolution, the Board hereby determines that, upon the issuance of the Bonds, it will have sufficient funds to meet the financial obligations of LCRA, including the receipt of Pledged Revenues in amounts sufficient to satisfy the Annual Debt Service Requirements and to meet all other financial obligations of LCRA payable from Pledged Revenues. The Bonds are hereby declared to be Parity Debt under the Master Resolution.

(c) Perfection. Pursuant to Section 1201.044, Texas Government Code, as amended, and Chapter 1208, Texas Government Code, the pledge, security and lien on the Pledged Revenues for the benefit of the Owners of the Bonds is hereby established and perfected for all purposes. The Owners of the Bonds shall never have the right to demand payment out of funds raised or to be raised by taxation, or from any source other than as specified in the Master Resolution or this Seventy-Second Supplement.

Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of revenues granted by LCRA under this Seventy-Second Supplement, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of revenues granted by LCRA under this Seventy-Second Supplement is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then in order to preserve to the Owners of the Bonds the perfection of the security interest in said pledge, LCRA agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

**Section 1.03. SEVENTY-SECOND SUPPLEMENT TO CONSTITUTE A CONTRACT; EQUAL SECURITY.** In consideration of the acceptance of the Bonds by those who shall hold the same from time to time, this Seventy-Second Supplement shall be deemed to be and shall constitute a contract between LCRA and the Owners from time to time of the Bonds, and the pledge made in this Seventy-Second Supplement by LCRA and the covenants and agreements set forth in this Seventy-Second Supplement to be performed by LCRA shall be for the equal and proportionate benefit, security, and protection of all Owners from time to time of the Bonds, without preference, priority, or distinction as to security or otherwise of any of the Bonds authorized hereunder over any of the other Bonds by reason of time of issuance, sale, or maturity thereof or otherwise for any cause whatsoever, except as expressly provided in or permitted by this Seventy-Second Supplement and the Master Resolution.

**Section 1.04. LIMITATION OF BENEFITS WITH RESPECT TO THIS SEVENTY-SECOND SUPPLEMENT.** With the exception of the rights or benefits herein expressly conferred, nothing expressed or contained herein or implied from the provisions of this Seventy-Second Supplement or the Bonds is intended or should be construed to confer upon or give to any person other than LCRA, the Owners, and the Paying Agent/Registrar, any legal or equitable right, remedy, or claim under or by reason of or in respect to this Seventy-Second Supplement or any covenant, condition, stipulation, promise, agreement, or provision herein contained. This Seventy-Second Supplement and all of the covenants, conditions, stipulations, promises, agreements, and provisions hereof are intended to be and shall be for and inure to the sole and exclusive benefit of LCRA, the Owners, and the Paying Agent/Registrar as herein provided.

## **ARTICLE II BOND AUTHORIZATION AND SPECIFICATIONS**

**Section 2.01. AMOUNT, PURPOSE AND DESIGNATION OF THE BONDS.** The Bonds designated "**LOWER COLORADO RIVER AUTHORITY REFUNDING REVENUE BONDS, SERIES 202\_\_**" (the "Bonds") are hereby authorized to be issued in one or more series and delivered pursuant to this Seventy-Second Supplement in a maximum aggregate principal amount not to exceed \$550,000,000 for the purposes of (i) refunding the Refunded Obligations, (ii) funding debt service reserve funds for the Bonds and (iii) paying the costs of issuing such Bonds, all as determined in the Pricing Certificate. The Bonds are authorized pursuant to authority conferred by and in conformity with the laws of the State of Texas, particularly the provisions of the Acts.

The title of the Bonds shall be designated to reflect the year in which each series is awarded pursuant to Section 2.02(b) below, and in the event that multiple series of bonds constituting Parity Debt are issued by the Board within a calendar year, each series within such year shall have a letter designation following the year. The title of the Bonds may also be revised by an LCRA Officer as reflected in the Pricing Certificate pursuant to Section 2.02(b) below to reflect the tax status of the Bonds as either Taxable Bonds or Tax-Exempt Bonds, as applicable. This Seventy-Second Supplement shall be interpreted to allow the Bonds to be issued in one or more series and at various times.

The Bonds may be in the form of either Current Interest Bonds or Capital Appreciation Bonds as provided in Section 2.02.

**Section 2.02. DATE, DENOMINATIONS, NUMBERS, MATURITIES AND TERMS OF BONDS.** (a) Terms of Bonds. There initially shall be issued, sold and delivered fully registered bonds, without interest coupons, which, for each series of the Bonds, may be in the form of Current Interest Bonds or Capital Appreciation Bonds, numbered consecutively from R-1 upward, in the case of Current Interest Bonds, from CR-1 upward, and in the case of Capital Appreciation Bonds and in the case of Multi-Mode Bonds, from VR-1 upwards (except the Initial Bond (as defined in Section 2.06 hereof) delivered to the Attorney General of the State of Texas which shall be numbered T-1, TCR-1 and TVR-1, respectively) payable to the initial purchaser(s) thereof, or to the registered assignee or assignees of said Bonds or any portion or portions thereof (in each case, the "Registered Owner" or the "Owner"), in the denomination of \$5,000 or any integral multiple thereof with respect to Current Interest Bonds and in the denomination of \$5,000 in Maturity Amount or any integral multiple thereof with respect to Capital Appreciation Bonds (each an "Authorized Denomination" unless otherwise determined for any Taxable Bonds by an LCRA Officer pursuant to subsection (b) of this Section), maturing not later than May 15, 2045, serially or otherwise on the dates, in the years and in the principal amounts, respectively, and dated, all as set forth in the Pricing Certificate to be executed and delivered by the LCRA Officer pursuant to subsection (b) of this Section. Each Pricing Certificate is hereby incorporated in and made a part of this Seventy-Second Supplement.

In the event the Pricing Certificate (and any Bond Purchase Agreement as provided in subsection (c) of this Section) shall not be executed on or before 5:00 p.m. on May 20, 2026, the delegation to the LCRA Officers pursuant to this Seventy-Second Supplement shall cease to be effective unless the Board shall act to extend such delegation.

(b) Selling and Delivering the Bonds. As authorized by Chapter 1207 and by Chapter 1371, Texas Government Code, as amended, an LCRA Officer is hereby authorized to act on behalf of LCRA in selling and delivering the Bonds and carrying out the other procedures specified in this Seventy-Second Supplement, including determining and fixing (i) the portion of the then Outstanding Parity Debt that shall constitute the Refunded Obligations to be refunded by a series or group of series of the Bonds under this Seventy-Second Supplement, (ii) the creation of any debt service reserve fund or funds for the Bonds and the amount of any such reserve requirement, as provided in Section 4.03, (iii) the date of the Bonds, (iv) any additional or different series, designation, name or title by which the Bonds shall be known, (v) the price at which the Bonds will

be sold, (vi) the years in which the Bonds will mature, (vii) the principal amount to mature in each of such years, (viii) the aggregate principal amount of Current Interest Bonds and Capital Appreciation Bonds, (ix) whether the Bonds will be issued as Tax-Exempt Bonds or Taxable Bonds, (x) the rate of interest to be borne by each such maturity, including the issuance of any Multi-Mode Bonds as provided in Exhibit C, (xi) the interest payment periods, (xii) the dates, price, and terms, if any, upon and at which the Bonds shall be subject to redemption prior to maturity at the option of LCRA, as well as any mandatory sinking fund redemption provisions, (xiii) the dates, price, and terms, if any, upon and at which any Multi-Mode Bonds shall be subject to mandatory tender prior to maturity as well as any mandatory tender and purchase/tender fund creation provisions as provided in Exhibit C, (xiv) selection of a Remarketing Agent and a Tender Agent, if necessary, with respect to any Multi-Mode Bonds, (xv) the procurement of any municipal bond insurance and approving modifications to this Seventy-Second Supplement related to the procurement of such insurance and executing such instrument, documents and agreements as may be necessary with respect thereto, if it is determined by such officer that LCRA providing such insurance would be financially desirable and advantageous, (xvi) the Authorized Denominations for any Taxable Bonds and (xvii) all other matters relating to the issuance, sale, and delivery of the Bonds and the refunding of the Refunded Obligations, all of which shall be specified in the Pricing Certificate; provided that (A) the price to be paid for a series of the Bonds shall not be less than 95% of the aggregate original principal amount thereof (excluding the underwriters' discount) plus accrued interest thereon from their date to their delivery, (B) the amount of underwriters' discount may not exceed 1.25% of the aggregate principal amount of a series of the Bonds, (C) none of the Bonds shall bear interest at a rate greater than the Maximum Rate and (D) a series of the Bonds shall comply with the sixth paragraph of the recitals to this Seventy-Second Supplement; provided, however, if none of a series of the Bonds being issued to refund any Refunded Bond Obligations at any particular time constitute Multi-Mode Bonds, such Bonds being so issued shall be issued only if that refunding results in a present value savings on the Annual Debt Service Requirements of such Refunded Bond Obligations. The Bonds may also be sold to the public on either a competitive or negotiated basis as determined by the LCRA Officer in the Pricing Certificate related to each particular series of the Bonds. It is further provided, however, that, notwithstanding the foregoing provisions, a series of the Bonds shall not be delivered unless prior to delivery, such Bonds have been rated by a nationally recognized rating agency for municipal securities in one of the four highest rating categories for long-term obligations, as required by the Acts. If the LCRA Officer determines a series or group of series of the Bonds shall be Multi-Mode Bonds and such determination exceeds the limitation in Board Policy 301.304, such determinations are hereby deemed to be modifications of Board Policy 301.304 with respect to such Bonds.

(c) Negotiated Sale of the Bonds. In the event that the LCRA Officer determines that the Bonds are to be sold by a negotiated sale, such sale may be through a private placement, an underwriting or any other type of negotiated sale as determined by the LCRA Officer. The LCRA Officer may determine the purchaser of the Bonds, including selection of a syndicate of investment banks and underwriters, including any selection of a senior managing underwriter for the Bonds (collectively, the "Underwriters"). The Bonds shall be sold and delivered to purchaser or purchasers thereof at the price and with the terms set forth in the applicable Pricing Certificate and pursuant to the terms and provisions of a bond purchase agreement, placement agreement or other type of

purchase agreement. The LCRA Officer, acting for and on behalf of the Board, is authorized to enter into and carry out a purchase agreement relating to the Bonds in the form acceptable to the LCRA Officer.

(d) Competitive Sale and Notice of Sale Relating to the Bonds. In the event that the LCRA Officer determines that the Bonds are to be sold by a competitive sale, the LCRA Officer shall cause to be prepared a notice of sale and official statement in such manner as the LCRA Officer deems appropriate, to make the notice of sale and official statement available to those institutions and firms wishing to submit a bid for the Bonds, to receive such bids, and to award the sale of the Bonds to the bidder submitting the best bid in accordance with the provisions of the notice of sale.

(e) General. The Bonds of a particular series (i) may be redeemed prior to the respective scheduled maturity dates, (ii) may be subject to mandatory tender, (iii) may be assigned and transferred, (iv) may be exchanged for other Bonds, (v) shall have the characteristics, and (vi) shall be signed and sealed and the principal of and interest on the Bonds shall be payable, all as provided, and in the manner required or indicated, in this Seventy-Second Supplement, including the FORM OF BONDS set forth in Exhibit B to this Seventy-Second Supplement and with such changes and additions as required to be consistent with the provisions shown in the related Pricing Certificate relating to such Bonds.

(f) Interest. The Current Interest Bonds shall bear interest calculated on the basis of a 360-day year composed of twelve 30-day months from the dates specified in the FORM OF BONDS set forth in Exhibit B to this Seventy-Second Supplement to their respective dates of maturity or redemption at the rates per annum set forth in the Pricing Certificate.

The Capital Appreciation Bonds shall bear interest from the Issuance Date, calculated on the basis of a 360-day year composed of twelve 30-day months (subject to rounding to the Compounded Amounts thereof), compounded semiannually on the dates set forth in the Pricing Certificate (the "Compounding Dates") commencing on the date set forth in the Pricing Certificate, and payable, together with the principal amount thereof, in the manner provided in the Form of Bonds at the rates set forth in the Pricing Certificate. Attached to the Pricing Certificate, if Capital Appreciation Bonds are to be issued, shall be an exhibit (the "Compounded Amount Table") that will set forth the rounded original principal amounts at the Issuance Date for the Capital Appreciation Bonds and the Compounded Amounts and Maturity Amounts thereof (per a minimum Authorized Denomination of Maturity Amount) as of each Compounding Date, commencing the date set forth in the Pricing Certificate, and continuing until the final maturity of such Capital Appreciation Bonds. The Compounded Amount with respect to any date other than a Compounding Date is the amount set forth on the Compounded Amount Table with respect to the last preceding Compounding Date, plus the portion of the difference between such amount and the amount set forth on the Compounded Amount Table with respect to the next succeeding Compounding Date that the number of days (based on 30-day months) from such last preceding Compounding Date to the date for which such determination is being calculated bears to the total number of days (based on 30-day months) from such last preceding Compounding Date to the next succeeding Compounding Date.

(g) Payments on Non-Business Days. In the event that any date for payment of the Purchase Price of, principal of or interest on the Bonds is not on a Business Day, payment on the next Business Day will not increase the amount of interest due and will have the same force and effect as if made on the original date payment was due.

(h) Delegation to Establish Sinking Fund for Balloon Debt. In the event that an LCRA Officer determines to issue Bonds that constitute Balloon Debt, an LCRA Officer may upon determining that it is in the best interests of LCRA provide in the Pricing Certificate for (i) the establishment of a sinking fund for such Balloon Debt, (ii) the accumulation of amounts in such sinking fund either by a fixed schedule stated in such Pricing Certificate or by a formula setting forth the amount and timing of required contributions that in each case is sufficient to provide for the payment of all amounts due on such Balloon Debt, and (iii) any restrictions with respect to such sinking fund, including the investment thereof, necessary to ensure compliance with any applicable provisions of the Code.

**Section 2.03. PAYMENT OF BONDS; PAYING AGENT/REGISTRAR.** The principal of, premium, if any, and the interest on the Bonds shall be payable, without exchange or collection charges to the Owner thereof, in any coin or currency of the United States of America that at the time of payment is legal tender for the payment of public and private debts.

The appointment of The Bank of New York Mellon Trust Company, National Association, Austin, Texas as Paying Agent and Registrar for the Bonds is hereby ratified and confirmed. By accepting the appointment as Paying Agent/Registrar, the Paying Agent/Registrar acknowledges receipt of copies of the Master Resolution and this Seventy-Second Supplement, and is deemed to have agreed to the provisions of thereof and hereof. LCRA agrees and covenants to cause to be kept and maintained at the principal trust office of the Paying Agent/Registrar a Security Register, all as provided herein, in accordance with the terms and provisions of the Paying Agent/Registrar Agreement and such reasonable rules and regulations as the Paying Agent/Registrar and LCRA may prescribe. In addition, to the extent required by law, LCRA covenants to cause to be kept and maintained the Security Register or a copy thereof in the State of Texas. LCRA expressly reserves the right to appoint one or more successor Paying Agent/Registrars, by filing with the Paying Agent/Registrar a certified copy of a resolution of the Board making such appointment. LCRA further expressly reserves the right to terminate the appointment of the Paying Agent/Registrar by filing a certified copy of a resolution of the Board giving notice of LCRA's termination of LCRA's agreement with such Paying Agent/Registrar and appointing a successor. LCRA covenants to maintain and provide a Paying Agent/Registrar at all times until the Bonds are paid and discharged, and any successor Paying Agent/Registrar shall be a bank, trust company, financial institution, or other entity duly qualified and legally authorized to serve as and perform the duties and services of Paying Agent/Registrar for the Bonds. If a Paying Agent/Registrar is replaced, such Paying Agent/Registrar, promptly upon the appointment of the successor, will deliver the Security Register (or a copy thereof) and all other pertinent books and records relating to the Bonds to the successor Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar, LCRA agrees promptly to cause a written notice thereof to be sent to each Owner by United States mail, first-class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

The principal of, premium, if any, and interest on the Bonds due and payable by reason of maturity, redemption, or otherwise, shall be payable only to the Owner thereof appearing on the Security Register, and, to the extent permitted by law, neither LCRA nor the Paying Agent/Registrar, nor any agent of either, shall be affected by notice to the contrary.

Principal of, and premium, if any, on the Bonds, shall be payable only upon the presentation and surrender of said Bonds to the Paying Agent/Registrar at its principal office. Interest on the Bonds shall be paid to the Owner whose name appears in the Security Register at the close of business on the Record Date and shall be paid (i) by check sent on or prior to the appropriate date of payment by United States mail, first-class postage prepaid, by the Paying Agent/Registrar to the address of the Owner appearing in the Security Register on the Record Date or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested in writing by, and at the risk and expense of, the Owner.

In the event of a nonpayment of interest on a scheduled payment date on a Current Interest Bond, except any series of Multi-Mode Bonds (unless such bonds bear interest at a Fixed Rate), and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from LCRA. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each Owner of such Current Interest Bond appearing on the Security Register at the close of business on the last business day immediately preceding the date of mailing of such notice.

**Section 2.04. REDEMPTION.** (a) Generally. The Bonds shall be subject to redemption prior to scheduled maturity at such times and with such provisions as provided in the Pricing Certificate.

(b) Notices of Redemption. (i) Subject to any notice of redemption set forth in the FORM OF BONDS, LCRA shall give notice of redemption to the Paying Agent/Registrar at least 35 days prior to a redemption date in the case of a redemption (unless a lesser period is acceptable to the Paying Agent/Registrar) and the Paying Agent/Registrar shall give notice of redemption or of defeasance of Bonds by mail, first-class postage prepaid at least thirty (30) days prior to a redemption date to each registered securities depository and to any national information service that disseminates such notices. Any notice sent to the registered securities depositories or such national information services shall be sent so that they are received at least two (2) days prior to the general mailing or publication date of such notice. The Paying Agent/Registrar shall also send a notice of prepayment or redemption to the registered owner of any Bond who has not sent the Bonds in for redemption sixty (60) days after the redemption date.

(ii) Each notice of redemption, whether required in the FORM OF BONDS or in this Section, shall contain a description of the Bonds to be redeemed, including the complete name of

the Bonds, the date of issue, the interest rate, the maturity date, the CUSIP number, the certificate numbers, the amounts called of each certificate, the publication and mailing date for the notice, the date of redemption, the redemption price, if any, the name of the Paying Agent/Registrar, and the address at which the Bonds may be redeemed, including a contact person telephone number.

(iii) All redemption payments made by the Paying Agent/Registrar to the registered owners of the Bonds shall include a CUSIP number relating to each amount paid to such registered owner.

(c) Conditional Notice of Redemption. With respect to any optional redemption of the Bonds, unless certain prerequisites to such redemption required by the Master Resolution or this Seventy-Second Supplement have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent prior to the giving of such notice of redemption, such notice shall state that said redemption may, at the option of LCRA, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, LCRA shall not redeem such Bonds and the Paying Agent shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

**Section 2.05. REGISTRATION; TRANSFER; EXCHANGE OF BONDS; PREDECESSOR BONDS; BOOK-ENTRY-ONLY SYSTEM; SUCCESSOR SECURITIES DEPOSITORY; PAYMENTS TO CEDE & CO.** (a) Registration, Transfer, Exchange, and Predecessor Bonds. The Registrar shall obtain, record, and maintain in the Security Register the name and address of each Owner issued under and pursuant to the provisions of this Seventy-Second Supplement. Any Bond may, in accordance with its terms and the terms hereof, be transferred or exchanged for Bonds in Authorized Denominations upon the Security Register by the Owner, in person or by his duly authorized agent, upon surrender of such Bond to the Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Owner or by his duly authorized agent, in form satisfactory to the Registrar.

Upon surrender for transfer of any Bond at the principal office of the Registrar, there shall be registered and delivered in the name of the designated transferee or transferees, one or more new Bonds, executed on behalf of, and furnished by, LCRA, of Authorized Denominations and having the same Maturity and of a like aggregate principal amount as the Bond or Bonds surrendered for transfer.

At the option of the Owner, Bonds may be exchanged for other Bonds of Authorized Denominations and having the same Maturity, bearing the same rate of interest, and of like aggregate principal amount as the Bonds surrendered for exchange, upon surrender of the Bonds to be exchanged at the principal office of the Registrar. Whenever any Bonds are so surrendered for

exchange, there shall be registered and delivered new Bonds executed on behalf of, and furnished by, LCRA to the Owner requesting the exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be delivered at the principal office of the Registrar or sent by United States Mail, first-class, postage prepaid to the Owners or the designee thereof, and, upon the registration and delivery thereof, the same shall be the valid obligations of LCRA, evidencing the same debt, and entitled to the same benefits under the Master Resolution and this Seventy-Second Supplement, as the Bonds surrendered in such transfer or exchange.

All transfers or exchanges of Bonds pursuant to this Section shall be made without expense or service charge to the Owner, except as otherwise herein provided, and except that the Registrar shall require payment by the Owner requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Bonds canceled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be "Predecessor Bonds," evidencing all or a portion, as the case may be, of the same debt evidenced by the new Bond or Bonds registered and delivered in the exchange or transfer therefor. Additionally, the term "Predecessor Bonds" shall include any mutilated Bond that is surrendered to the Paying Agent/Registrar or any Bond satisfactory evidence of the loss of which has been received by LCRA and the Paying Agent/Registrar and, in either case, in lieu of which a Bond or Bonds have been registered and delivered pursuant to Section 3.05 hereof.

Neither LCRA nor the Registrar shall be required to issue or transfer to an assignee of a Owner any Bond called for redemption, in whole or in part, within forty-five (45) days of the date fixed for the redemption of such Bond; provided, however, such limitation of transfer shall not be applicable to an exchange by the Owner of the unredeemed balance of a Bond called for redemption in part.

(b) Ownership of Bonds. The entity in whose name any Bond shall be registered in the Security Register at any time shall be deemed and treated as the absolute owner thereof for all purposes of this Seventy-Second Supplement, whether or not such Bond shall be overdue, and, to the extent permitted by law, the Board and the Paying Agent/Registrar shall not be affected by any notice to the contrary; and payment of, or on account of, the principal of, premium, if any, and interest on any such Bond shall be made only to such registered owner. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(c) Book-Entry-Only System. The Bonds issued in exchange for the Initial Bond issued as provided in Section 2.06 shall be issued in the form of a separate single fully-registered Bond for each of the maturities thereof registered in the name of Cede & Co., as nominee of DTC, and except as provided in this subsection (c), all of the Outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, LCRA, and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, LCRA and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a Owner as shown on the Security Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than a Owner as shown on the Security Register, of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Seventy-Second Supplement to the contrary but to the extent permitted by law, LCRA and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Security Register as the absolute owner of such Bond for the purpose of payment of principal, premium, if any, and interest, with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the Owners, as shown in the Security Register as provided in this Seventy-Second Supplement, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge LCRA's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than a Owner, as shown in the Security Register, shall receive a Bond certificate evidencing the obligation of LCRA to make payments of principal, premium, if any, and interest pursuant to this Seventy-Second Supplement. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Seventy-Second Supplement with respect to interest checks being mailed to the Owner at the close of business on the Record Date the words "Cede & Co." in this Seventy-Second Supplement shall refer to such new nominee of DTC.

(d) Successor Securities Depository; Transfers Outside Book-Entry-Only System. In the event that LCRA determines to discontinue the book-entry-only system through DTC or a successor or DTC determines to discontinue providing its services with respect to the Bonds, LCRA shall either (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository, and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Security Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Seventy-Second Supplement.

(e) Payments to Cede & Co. Notwithstanding any other provision of this Seventy-Second Supplement to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee

of DTC, all payments with respect to principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the representation letter of LCRA to DTC.

**Section 2.06. INITIAL BOND.** The Bonds shall initially be issued as a fully registered bond, being one bond (or two bonds, being one initial Current Interest Bond and one initial Capital Appreciation Bond, if both such bonds are issued) for each series of the Bonds (singularly or collectively, the "Initial Bond"). The Initial Bond shall be registered in the name of initial purchaser as set forth in the Pricing Certificate. The Initial Bond shall be submitted to the Office of the Attorney General of the State of Texas for approval and registration by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Immediately after the delivery of the Initial Bond on the closing date, the Registrar shall cancel the Initial Bond and exchange therefor Bonds in the form of a separate single fully-registered Bond for each of the maturities thereof registered in the name of Cede & Co., as nominee of DTC and, except as provided in Section 2.05(d), all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

**Section 2.07. FORM OF BONDS.** The Bonds (including the Initial Bond), the Registration Certificate of the Comptroller of Public Accounts of the State of Texas or the Authentication Certificate, and the form of Assignment to be printed on each of the Bonds shall be substantially in the forms set forth in Exhibit B to this Seventy-Second Supplement with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Seventy-Second Supplement and the Pricing Certificate, may have such letters, numbers, or other marks of identification and such legends and endorsements (including any reproduction of an opinion of counsel and information regarding the issuance of any bond insurance policy) thereon as may, consistently herewith, be established by LCRA or determined by the officers executing such Bonds as evidenced by their execution thereof. Any portion of the text of any Bonds may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Bond.

The Bonds shall be typewritten, photocopied, printed, lithographed, engraved, or produced in any other similar manner, all as determined by the officers executing such Bonds as evidenced by their execution thereof.

### **ARTICLE III EXECUTION; REPLACEMENT OF BONDS; AND BOND INSURANCE**

**Section 3.01. EXECUTION AND REGISTRATION.** The Bonds shall be executed on behalf of LCRA by the Chair or Vice Chair of the Board under its seal reproduced or impressed thereon and attested by the Secretary of the Board. The signature of said officers on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who are or were the proper officers of the Board as of their authorization shall be deemed to be duly executed on behalf of LCRA, notwithstanding that such individuals or either of them shall cease to hold such offices at the time of delivery of the Bonds to the initial purchaser(s) and with respect to Bonds

delivered in subsequent exchanges and transfers, all as authorized and provided in Chapter 1201, Texas Government Code, as amended.

No Bond shall be entitled to any right or benefit under this Seventy-Second Supplement, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of registration substantially in the form provided in Exhibit B to this Seventy-Second Supplement, executed by the Comptroller of Public Accounts of the State of Texas or its duly authorized agent by manual signature, or the Paying Agent/Registrar's Authentication Certificate substantially in the form provided in Exhibit B to this Seventy-Second Supplement executed by the manual signature of an authorized officer or employee of the Registrar, and either such certificate duly signed upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly certified, registered, and delivered.

**Section 3.02. CONTROL AND CUSTODY OF BONDS.** The LCRA Officer shall be and is hereby authorized to take and have charge of all necessary orders and records pending investigation and examination by the Attorney General of the State of Texas, including the printing and supply of printed Bonds, and shall take and have charge and control of the Initial Bond pending the approval thereof by the Attorney General, the registration thereof by the Comptroller of Public Accounts, and the delivery thereof to the initial purchaser(s).

Furthermore, any one or more of the Chair and Secretary of the Board, the General Manager, the Chief Financial Officer, the Treasurer, the General Counsel, and the other officers and employees of LCRA are hereby authorized and directed to furnish and execute such documents relating to LCRA and its financial affairs as may be necessary for the issuance of the Bonds, the approval of the Attorney General, and the registration by the Comptroller of Public Accounts and, together with LCRA's Bond Counsel and the Paying Agent/Registrar, make the necessary arrangements for the delivery of the Initial Bond to the initial purchaser(s) and the initial exchange thereof for Bonds other than the Initial Bond.

**Section 3.03. OPINION.** The initial purchaser(s)' obligation to accept delivery of the Bonds is subject to the initial purchaser(s) being furnished the final opinion of McCall, Parkhurst & Horton L.L.P. approving the Bonds as to their validity, said opinion to be dated and delivered as of the date of delivery and payment for the Bonds.

**Section 3.04. CUSIP NUMBERS.** CUSIP numbers may be printed or typed on the Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the Bonds shall be of no significance or effect as regards the legality thereof and neither LCRA nor attorneys approving the Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed or typed on the Bonds.

**Section 3.05. MUTILATED, DESTROYED, LOST, AND STOLEN BONDS.** If (1) any mutilated Bond is surrendered to the Paying Agent/Registrar, or LCRA and the Paying Agent/Registrar receive evidence to their satisfaction of the destruction, loss, or theft of any Bond, and (2) there is delivered to LCRA and the Paying Agent/Registrar such security or indemnity as may be required to save each of them harmless, then, in the absence of notice to LCRA or the Paying

Agent/Registrar that such Bond has been acquired by a bona fide purchaser, LCRA shall execute and, upon its request, the Paying Agent/Registrar shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Bond, a new Bond of the same series, same Maturity and of like tenor and principal amount, bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost, or stolen Bond has become or is about to become due and payable, LCRA in its discretion may, instead of issuing a new Bond, pay such Bond and the interest due thereon to the date of payment.

Upon the issuance of any new Bond under this Section, LCRA may require payment by the Owner of a sum sufficient to cover any tax or other governmental charge imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent/Registrar) connected therewith.

Every new Bond issued pursuant to this Section in lieu of any mutilated, destroyed, lost, or stolen Bond shall constitute a replacement of the prior obligation of LCRA, whether or not the mutilated, destroyed, lost, or stolen Bond shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Seventy-Second Supplement equally and ratably with all other Outstanding Bonds.

**Section 3.06. BOND INSURANCE.** In connection with the sale of each series of the Bonds, LCRA may obtain municipal bond insurance policies from one or more recognized municipal bond insurance organizations (the "Bond Insurer" or "Bond Insurers") to guarantee the full and complete payment required to be made by or on behalf of LCRA on those Bonds so designated in the Pricing Certificate, as provided in Section 2.02(b) hereof. The General Manager, the Chief Financial Officer, the Treasurer or the General Counsel of LCRA are hereby authorized to sign a commitment letter with the Bond Insurer or Bond Insurers and to pay the premium for the bond insurance policies at the time of the delivery of the Bonds to the initial purchaser(s) out of the proceeds of sale of the Bonds or from other available funds and to execute such other documents and certificates as necessary in connection with the bond insurance policies as they may deem appropriate, including the execution of any commitment agreements, membership agreements in mutual insurance companies and other similar agreements. Printing on the Bonds covered by the bond insurance policies a statement describing such insurance, in form and substance satisfactory to the Bond Insurer and the General Manager, the Chief Financial Officer, the Treasurer or the General Counsel of LCRA, is hereby approved and authorized. The Pricing Certificate may contain provisions related to the bond insurance policies, including payment provisions thereunder, and the rights of the Bond Insurer or Insurers, and any such provisions shall be read and interpreted as an integral part of this Seventy-Second Supplement.

Provided a Bond Insurer is not in default on the related bond insurance policy for the Bonds, the Bond Insurer shall be deemed to be the sole Owner of such Bonds insured by it for all purposes of this Seventy-Second Supplement and the Master Resolution, including initiation by the Owners of any action taken pursuant to the provisions of Section 13 of the Master Resolution, and except with respect to those amendments set forth in Section 6.02(a)(i) through (vi), in which case the consent of the Bond Insurer will be required in addition to the consents of the Owners of the Bonds

as provided in Section 6.02. LCRA shall provide the Bond Insurer with any notice or other information furnished other parties pursuant to this Seventy-Second Supplement.

#### **ARTICLE IV**

#### **PAYMENTS, REBATE FUND AND DEBT SERVICE RESERVE FUND**

**Section 4.01. PAYMENTS.** (a) Accrued Interest. Immediately after the delivery of a series of the Bonds, the Board shall deposit all accrued interest received from the sale and delivery of such Bonds to the credit of a special account to be held to pay interest on such Bonds on the first interest payment date.

(b) Debt Service Payments. Semiannually on or before each principal or interest payment date while any of the Bonds are outstanding and unpaid, commencing on the first interest payment date for the Bonds as provided in the Pricing Certificate, LCRA shall make available to the Paying Agent/Registrar, money, including funds in the Debt Service Reserve Fund, if necessary, sufficient to pay such interest on and such principal of the Bonds as will accrue or mature, or be subject to mandatory redemption prior to maturity, on such principal, redemption, or interest payment date. The Paying Agent/Registrar shall cancel all paid Bonds and shall furnish LCRA with an appropriate certificate of cancellation.

(c) Debt Service Reserve Fund Payments. If applicable, LCRA shall use Pledged Revenues to make any required payments to the Debt Service Reserve Fund, provided such payments are subordinate to the full payment of debt service and scheduled payments on all then Outstanding Parity Debt, as provided in Section 4.03 hereof. Payments shall be made to the Debt Service Reserve Fund only if there is not a payment default with respect to any scheduled payments on any then Outstanding Parity Debt.

**Section 4.02. REBATE FUND.** A separate and special fund to be known as the Rebate Fund is hereby established by LCRA pursuant to the requirements of Section 148(f) of the Code and the tax covenants of LCRA contained in Section 5.01(i) of this Seventy-Second Supplement for the benefit of the United States of America and LCRA, as their interests may appear pursuant to this Seventy-Second Supplement. Such amounts shall be deposited therein and withdrawn therefrom as is necessary to comply with the provisions of Section 5.01.

**Section 4.03. DEBT SERVICE RESERVE FUND.** (a) As provided in Sections 2.01 and 2.02, the LCRA Officer shall determine whether to create a debt service reserve fund or funds for a series or group of series of the Bonds and fix the terms and provisions of such fund or funds. If such funds of funds are so created, the following provisions shall apply unless otherwise provided in the Pricing Certificate. If the LCRA Officer determines not to create a debt service reserve fund for a series or group of series of the Bonds or determines the amount of any required reserve that varies from Board Policy 301.305, such determinations are hereby deemed to be modifications of Board Policy 301.305 with respect to such bonds.

(b) To accumulate and maintain a reserve for the payment of the Bonds equal the applicable required reserve amount set forth in the Pricing Certificate for a series or group of series of Bonds

(the "Required Reserve Amount"), one or more separate and special accounts or funds known as the "Lower Colorado River Authority Revenue Bonds, Series 202\_\_\_ (with such designation being determined in the Pricing Certificate to reflect the name of the Bonds, series or group of series of the Bonds issued hereunder) Debt Service Reserve Fund" (the "Debt Service Reserve Fund") shall be created as set forth in the applicable Pricing Certificates relating to such Bonds. If applicable, the Debt Service Reserve Fund may be initially cash or Reserve Fund Obligations, funded with a portion of the proceeds of series or group of series of the Bonds pursuant to Section 7.01 hereof and as determined in the Pricing Certificate. Earnings and income derived from the investment of amounts held for the credit of the Debt Service Reserve Fund shall be retained in the Debt Service Reserve Fund until the Debt Service Reserve Fund contains the related Required Reserve Amount; thereafter, such earnings and income shall, at the option of LCRA, be (i) deposited in a separate and special account or fund to be used to pay debt service on the relevant series or group of series of Bonds when due, (ii) to the extent the Debt Service Reserve Fund was funded with funds other than proceeds of the particular Bonds, deposited in the general revenue fund of LCRA for use in any manner permitted by law or (iii) otherwise used by LCRA in any other manner permitted by law. As provided in Section 4.01(c) of this Seventy-Second Supplement, LCRA shall deposit and credit to the respective Debt Service Reserve Fund amounts required to maintain the balance in the respective Debt Service Reserve Fund in an amount equal to the relevant Required Reserve Amount. The Required Reserve Amount shall be calculated and determined as of (i) the date of delivery of the related series or group of series of Bonds, (ii) the last day of each Fiscal Year, (iii) the conversion of any of the Bonds to a Multiannual Rate Period, a Multiannual Rate Period of a different duration or a Fixed Rate Period or (iv) the date of delivery of any indebtedness of LCRA issued to refund all or a portion of the related series or group of series of Bonds; provided that for any such calculation that involves a partial Fiscal Year, such calculation shall be made using the number of actual days remaining in such Fiscal Year. There shall be deposited into the Debt Service Reserve Fund any Reserve Fund Obligations so designated by LCRA. All funds, investments and any Reserve Fund Obligations on deposit and credited to the respective Debt Service Reserve Fund shall be used solely (i) to pay the principal of and interest on the related series or group of series of Bonds, when and to the extent other funds available for such purposes are insufficient, (ii) to make Reserve Fund Obligation Payments related to such debt Service Reserve Fund and (iii) to retire the last Stated Maturity or Stated Maturities of, premium, if any, or interest on the related series or group of series of Bonds.

(c) When and for so long as the aggregate amount of cash, investments and any Reserve Fund Obligations in a particular Debt Service Reserve Fund equals the Required Reserve Amount, no deposits need be made to the credit of such Debt Service Reserve Fund; but, if and when the aggregate amount of the cash, the amortized cost of investments and any Reserve Fund Obligations in such Debt Service Reserve Fund at any time is less than the Required Reserve Amount, LCRA covenants and agrees that LCRA shall cure the deficiency in such Debt Service Reserve Fund, but only from Pledged Revenues remaining after any required payments of debt service and scheduled payments on all then Outstanding Parity Debt have been made pursuant to Section 4.01(c) of this Seventy-Second Supplement, by instituting deposits into such fund from such Pledged Revenues in accordance with such Section 4.01(c) by monthly deposits and credits in amounts equal to not less than 1/24th of the Required Reserve Amount with any such deficiency payments being made until the Required Reserve Amount has been fully restored; provided, however, that no such deposits shall

be made into such Debt Service Reserve Fund during any period until there has been full payment of all scheduled payments on Outstanding Parity Debt, through and including the next following interest payment date or principal payment date, as the case may be. In addition, in the event that a portion of the Required Reserve Amount of such Debt Service Reserve Fund is represented by a Reserve Fund Obligation, the portion of the Required Reserve Amount represented by such Reserve Fund Obligation shall be restored as soon as possible from monthly deposits of Pledged Revenues in accordance with Section 4.01(c) of this Seventy-Second Supplement, but subject to making the full payment of all scheduled payments on all then Outstanding Parity Debt, through and including the next following interest payment date or principal payment date, as the case may be. LCRA further covenants and agrees that, subject only to this Section and Section 4.01(c) and of this Seventy-Second Supplement, the Pledged Revenues shall be applied and appropriated and used to establish and maintain the Required Reserve Amount of such Debt Service Reserve Fund, including by paying Reserve Fund Obligation Payments when due, and any reserve established for the benefit of any issue or series of Parity Debt and to cure any deficiency in such amounts as required by the terms of this Seventy-Second Supplement and any other resolution pertaining to the issuance of Parity Debt, all on an equal and pro rata basis unless any such reserve related to an issue or series of Parity Debt is expressly junior and subordinate to the particular Debt Service Reserve Fund established in this Seventy-Second Supplement.

During such time as a particular Debt Service Reserve Fund contains the Required Reserve Amount or any cash is replaced with a Reserve Fund Obligation pursuant to subsection (d) below, LCRA may, at its option, withdraw all surplus funds in such Debt Service Reserve Fund and (i) deposit such surplus in a separate and special account or fund to be used to pay debt service on the related series or group of series of Bonds when due, (ii) to the extent such Debt Service Reserve Fund was funded with funds other than proceeds of the particular Bonds, deposit such surplus (or allocable portion thereof) in the general revenue fund of LCRA for use in any manner permitted by law or (iii) otherwise use such surplus for any other manner permitted by law.

(d) A Reserve Fund Obligation issued in an amount equal to all or part of the Required Reserve Amount for a series or group of series of the Bonds may be used in lieu of depositing cash into the related Debt Service Reserve Fund. In addition, a Reserve Fund Obligation may be substituted for monies and investments or existing Reserve Fund Obligations in a particular Debt Service Reserve Fund if the substitution of the Reserve Fund Obligation will not, in and of itself, cause any ratings then assigned to the related series or group of series of Bonds by any Rating Agency to be lowered, the Reserve Fund Obligation is approved by the Texas Attorney General, if then required by State law, and the resolution authorizing the substitution of the Reserve Fund Obligation for all or part of the Required Reserve Amount contains a finding that such substitution is cost effective.

(e) A Reserve Fund Obligation permitted under subsections (b) and (d) above, must meet the requirements described below:

(1) Any Reserve Fund Obligation Payment shall be made from the deposits made to the particular Debt Service Reserve Fund as provided in this Section. The Reserve Fund Obligation shall provide for a revolving feature under which the amount available thereunder

will be reinstated to the extent of any reimbursement of draws or claims paid. If the revolving feature is suspended or terminated for any reason, the right of the issuer of the Reserve Fund Obligation to a Reserve Fund Obligation Payment will be subordinated to the cash replenishment of the particular Debt Service Reserve Fund to an amount equal to the difference between the full original amount available under the Reserve Fund Obligation and the amount then available for further draws or claims. In the event (i) the issuer of a Reserve Fund Obligation becomes insolvent, or (ii) the issuer of a Reserve Fund Obligation defaults in its payment obligations thereunder, or (iii) no Rating Agency rates the issuer of the Reserve Fund Obligation associated with such obligation equal to or above the fourth highest generic rating category (i.e., "BBB" or "Baa"), the obligation to make any Reserve Fund Obligation Payment to the issuer of the Reserve Fund Obligation shall be subordinated to the cash replenishment of the particular Debt Service Reserve Fund.

(2) In the event that (i) the revolving reinstatement feature described in the preceding paragraph is suspended (and continuing) or terminated, (ii) no Rating Agency rates the issuer of the Reserve Fund Obligation associated with such obligation equal to or above the fourth highest generic rating category (i.e., "BBB" or "Baa"), (iii) the issuer of the Reserve Fund Obligation defaults in its payment obligations thereunder, or (iv) the issuer of the Reserve Fund Obligation becomes insolvent, LCRA shall within six months of such occurrence either, only to the extent Pledged Revenues are available pursuant to Section 4.01(c) of this Seventy-Second Supplement, (A) institute equal monthly deposits into the particular Debt Service Reserve Fund an amount sufficient to cause the cash and investments on deposit in such Debt Service Reserve Fund to accumulate to the Required Reserve Amount within 24 months from such initial monthly deposit, or (B) replace such instrument with a Reserve Fund Obligation meeting the requirements of this Section. Upon replacement, LCRA may terminate the existing Reserve Fund Obligation in accordance with its terms.

(3) The Paying Agent/Registrar shall ascertain the necessity for a claim or draw upon any Reserve Fund Obligation and provide notice to the issuer of the Reserve Fund Obligation in accordance with its terms not later than three days (or such appropriate time period as will, when combined with the timing of required payment under the Reserve Fund Obligation, ensure payment under the Reserve Fund Obligation on or before the applicable interest payment date or principal payment date) prior to each date upon which the principal of or interest on the particular series or group of series of the Bonds will be due.

Draws upon one or more Reserve Fund Obligations shall be made on a pro-rata basis and deposits to the particular Debt Service Reserve Fund to restore such fund to the Required Reserve Amount shall be applied on a pro-rata basis to pay Reserve Fund Obligation Payments to reimburse the issuers of such Reserve Account Obligations, thus restoring that portion of the Required Reserve Amount, all pursuant to the terms of the respective Reserve Fund Obligations.

## ARTICLE V COVENANTS REGARDING TAX EXEMPTION

**Section 5.01. COVENANTS REGARDING TAX EXEMPTION.** LCRA covenants to take any action necessary to assure, and to refrain from any action which would adversely affect, the treatment of the Tax-Exempt Bonds as obligations described in Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, LCRA covenants as follows:

(a) to take any action to assure that no more than 10 percent of the proceeds of the Tax-Exempt Bonds, the projects being financed therewith or the projects financed with the proceeds of the obligations being refunded by the Tax-Exempt Bonds (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in Section 141(b)(6) of the Code or, if more than 10 percent of the proceeds of the Tax-Exempt Bonds, the projects being financed therewith or the projects financed with the proceeds of the obligations being refunded by the Tax-Exempt Bonds are so used, such amounts, whether or not received by LCRA, with respect to such private business use, do not, under the terms of this Seventy-Second Supplement or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Tax-Exempt Bonds, in contravention of Section 141(b)(2) of the Code;

(b) to take any action to assure that no amount in excess of the lesser of 10 percent of the proceeds of the Tax-Exempt Bonds or \$15 million is used by non-governmental persons on a basis other than as a member of the general public with respect to any output facility (other than a facility for the furnishing of water, within the meaning of Section 141(b)(3) of the Code);

(c) to take any action to assure that in the event that the "private business use" described in subsection (a) hereof exceeds 5 percent of the proceeds of the Tax-Exempt Bonds or the projects financed or refinanced therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of Section 141(b)(3) of the Code, to the governmental use;

(d) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Tax-Exempt Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of Section 141(c) of the Code;

(e) to refrain from taking any action which would otherwise result in the Tax-Exempt Bonds being treated as "private activity bonds" within the meaning of Section 141(b) of the Code;

(f) to refrain from taking any action that would result in the Tax-Exempt Bonds being "federally guaranteed" within the meaning of Section 149(b) of the Code;

(g) to refrain from using any portion of the proceeds of the Tax-Exempt Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in Section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Tax-Exempt Bonds, other than investment property acquired with –

(i) proceeds of the Tax-Exempt Bonds invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 90 days or less until such proceeds are needed for the purpose for which the Tax-Exempt Bonds are issued,

(ii) amounts invested in a bona fide debt service fund, within the meaning of Section 1.148-1(b) of the Treasury Regulations, and

(iii) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Tax-Exempt Bonds;

(h) to otherwise restrict the use of the proceeds of the Tax-Exempt Bonds or amounts treated as proceeds of the Tax-Exempt Bonds, as may be necessary, so that the Tax-Exempt Bonds do not otherwise contravene the requirements of Section 148 of the Code (relating to arbitrage);

(i) to refrain from using the proceeds of the Tax-Exempt Bonds or proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Tax-Exempt Bonds in contravention of the requirements of Section 149(d) of the Code (relating to advance refundings);

(j) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Tax-Exempt Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of Section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Tax-Exempt Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under Section 148 of the Code;

(k) to maintain such records as will enable LCRA to fulfill its responsibilities under this Section and Section 148 of the Code and to retain such records for at least six years following the final payment of principal and interest on the Tax-Exempt Bonds; and

(l) that no deposit will be made or accepted under Section 14 of the Master Resolution and no use made of any such deposit which would cause the Tax-Exempt Bonds

to be treated as arbitrage bonds within the meaning of Section 148 of the Code and that no such deposit shall release LCRA from the other covenants contained in this Section or in Section 4.02 of this Seventy-Second Supplement.

For purposes of the foregoing, the term "proceeds" means transferred proceeds and investment proceeds. It is the understanding of LCRA that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Tax-Exempt Bonds, LCRA will not be required to comply with any covenant contained herein to the extent that such modification or expansion, in the opinion of Bond Counsel, will not adversely affect the exemption from federal income taxation of interest on the Tax-Exempt Bonds under Section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Tax-Exempt Bonds, LCRA agrees to comply with the additional requirements to the extent necessary, in the opinion of Bond Counsel, to preserve the exemption from federal income taxation of interest on the Tax-Exempt Bonds under Section 103 of the Code.

In furtherance of such intention, LCRA hereby authorizes and directs the General Manager, the Chief Financial Officer, the Treasurer or the General Counsel of LCRA to execute any documents, certificates, or reports required by the Code and to make such elections, on behalf of LCRA, which may be permitted by the Code as are consistent with the purpose for LCRA.

**Section 5.02. DISPOSITION OF PROJECT.** LCRA covenants that the projects financed with the proceeds of the Refunded Obligations (to the extent refinanced with the proceeds of Tax-Exempt Bonds) will not be sold or otherwise disposed in a transaction resulting in the receipt by LCRA of cash or other compensation, unless LCRA obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Tax-Exempt Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, LCRA shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

## **ARTICLE VI AMENDMENTS AND MODIFICATIONS**

**Section 6.01. AMENDMENTS OR MODIFICATIONS WITHOUT CONSENT OF OWNERS OF BONDS.** Subject to the provisions of the Master Resolution, this Seventy-Second Supplement and the rights and obligations of LCRA and of the Owners of the Outstanding Bonds may be modified or amended at any time without notice to or the consent of any Owner of the Bonds or any other Parity Debt, solely for any one or more of the following purposes:

(iii) To supplement the security for the Bonds, replace or provide additional credit facilities, or change the form of the Bonds or make such other changes in the provisions hereof, as LCRA may deem necessary or desirable and that shall not, in the judgment of LCRA, materially adversely affect the interests of the Owners of the Outstanding Bonds; or

(iv) Effective upon any Conversion Date to a Multiannual Rate, a Multiannual Rate Period of a different duration or a Fixed Rate, to make any amendment affecting only the series or group of series of Multi-Mode Bonds being converted; or

(v) To make any changes or amendments requested by any bond rating agency then rating or requested to rate the Bonds, as a condition to the issuance or maintenance of a rating or as required by the office of the Texas Attorney General as a condition to the approval of the Bonds, which changes or amendments do not, in the judgment of LCRA, materially adversely affect the interests of the Owners of the Outstanding Bonds.

**Section 6.02. AMENDMENTS OR MODIFICATIONS WITH CONSENT OF OWNERS OF BONDS.** (a) Subject to the other provisions of this Seventy-Second Supplement (including Section 3.06 hereof) and the Master Resolution, the Owners of Outstanding Bonds aggregating a majority in Outstanding Principal Amount shall have the right from time to time to approve any amendment, other than amendments described in Section 6.01 hereof, to this Seventy-Second Supplement that may be deemed necessary or desirable by LCRA, provided, however, that nothing herein contained shall permit or be construed to permit, without the approval of the Owners of all of the Outstanding Bonds, the amendment of the terms and conditions in this Seventy-Second Supplement or in the Bonds so as to:

(i) Make any change in the maturity of the Outstanding Bonds;

(ii) Reduce the rate of interest borne by Outstanding Bonds;

(iii) Reduce the amount of the principal payable on Outstanding Bonds;

(iv) Modify the terms of payment of principal of or interest on the Outstanding Bonds, or impose any conditions with respect to such payment;

(v) Affect the rights of the Owners of less than all Bonds then Outstanding; or

(vi) Change the minimum percentage of the Outstanding Principal Amount of Bonds necessary for consent to such amendment.

(b) Notice. If at any time LCRA shall desire to amend this Seventy-Second Supplement pursuant to Subsection (a), LCRA shall cause notice of the proposed amendment to be published in a financial newspaper or journal of general circulation in The City of New York, New York, once during each calendar week for at least two successive calendar weeks. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the principal office of the Paying Agent/Registrar for inspection by all Owners of Bonds. Such publication is not required, however, if LCRA gives or causes to be given such notice in writing to each Owner of Bonds. A copy of such notice shall be provided in writing to each national rating agency maintaining a rating on the Bonds.

(c) Receipt of Consents. Whenever at any time not less than thirty (30) days, and within one year, from the date of the first publication of said notice or other service of written notice of the proposed amendment, LCRA shall receive an instrument or instruments executed by all of the Owners or the Owners of Outstanding Bonds aggregating a majority in Outstanding Principal Amount, as appropriate, which instrument or instruments shall refer to the proposed amendment described in said notice and which consent to and approve such amendment in substantially the form of the copy thereof on file as aforesaid, LCRA may adopt the amendatory resolution in substantially the same form.

(d) Effect of Amendments. Upon the adoption by LCRA of any resolution to amend this Seventy-Second Supplement pursuant to the provisions of this Section, this Seventy-Second Supplement shall be deemed to be amended in accordance with the amendatory resolution, and the respective rights, duties, and obligations of LCRA and all the Owners of Outstanding Bonds shall thereafter be determined, exercised, and enforced under the Master Resolution and this Seventy-Second Supplement, as amended.

(e) Consent Irrevocable. Any consent given by any Owner pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of the first publication or other service of the notice provided for in this Section, and shall be conclusive and binding upon all future Owners of the same Bond during such period. Such consent may be revoked at any time after six months from the date of the first publication of such notice by the Owner who gave such consent, or by a successor in title, by filing notice thereof with the Paying Agent/Registrar and LCRA, but such revocation shall not be effective if the Owners of Outstanding Bonds aggregating a majority in Outstanding Principal Amount prior to the attempted revocation consented to and approved the amendment. Notwithstanding the foregoing, any consent given at the time of and in connection with the initial purchase of Bonds shall be irrevocable.

(f) Ownership. For the purpose of this Section, the ownership and other matters relating to all Bonds registered as to ownership shall be determined from the Security Register kept by the Paying Agent/Registrar therefor. The Paying Agent Registrar may conclusively assume that such ownership continues until written notice to the contrary is served upon the Paying Agent Registrar.

**Section 7.10. CONTINUING DISCLOSURE UNDERTAKING.** (a) The following provisions of this Section are applicable to any series of the Bonds determined to be subject to the continuing disclosure provisions of the Rule as set forth in the related Pricing Certificate.

If the audit of such financial statements is not complete within such period, then LCRA shall provide unaudited financial statements within such period, and audited financial statements for the applicable fiscal year to the MSRB, when and if the audit report on such statements become available.

If LCRA changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which LCRA otherwise would be required to provide financial information and operating data pursuant to this Section.

LCRA shall notify the MSRB, in an electronic format as prescribed by the MSRB, in a timely manner, of any failure by LCRA to provide financial information or operating data in accordance with paragraph (b) of this Section by the time required by such subsection. All documents provided to the MSRB pursuant to this Section shall be accompanied by identifying information as prescribed by the MSRB.

(e) Limitations, Disclaimers, and Amendments. LCRA shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, LCRA remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that LCRA in any event will give notice of any deposit made in accordance with Section 14 of the Master Resolution that causes the Bonds no longer to be outstanding.

The provisions of this Section are for the sole benefit of the holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. LCRA undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of LCRA's financial results,

condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. LCRA does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL LCRA BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY LCRA, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by LCRA in observing or performing its obligations under this Section shall comprise a breach of or default under this Seventy-Second Supplement or the Master Resolution for purposes of any other provision of this Seventy-Second Supplement.

Should the Rule be amended to obligate LCRA to make filings with or provide notices to entities other than the MSRB, LCRA hereby agrees to undertake such obligation with respect to the Bonds in accordance with the Rule as amended.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of LCRA under federal and state securities laws.

The provisions of this Section may be amended by LCRA from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of LCRA, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (i) the holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Seventy-Second Supplement that authorizes such an amendment) of the outstanding Bonds consents to such amendment or (ii) a person that is unaffiliated with LCRA (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interest of the holders and beneficial owners of the Bonds. If LCRA so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with paragraph (b) of this Section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided. LCRA may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds.

(f) Format, Identifying Information, and Incorporation by Reference.

All financial information, operating data, financial statements, and notices required by this Section to be provided to the MSRB shall be provided in an electronic format and be accompanied by identifying information prescribed by the MSRB.

**Section 7.15. PAYMENT OF ATTORNEY GENERAL FEE.** LCRA hereby authorizes the disbursement of a fee for each Series of Bonds issued hereunder equal to the lesser of (i) one-tenth of one percent of the principal amount of such Bonds or (ii) \$9,500, provided that such fee shall not be less than \$750, to the Attorney General of Texas Public Finance Division for payment

of the examination fee charged by the State of Texas for the Attorney General's review and approval of public securities and credit agreements, as required by Section 1202.004, Texas Government Code, as amended. (d) Notwithstanding the provisions of Section 14 of the Master Resolution or any of the other provisions of this Section, any Taxable Bonds issued under this Seventy-Second Supplement may be designated by the LCRA Officer in the Pricing Certificate as not being subject to defeasance to the extent that such LCRA Officer determines in the Pricing Certificate that such treatment is in the best economic interests of LCRA.

The Master Resolution, as supplemented by the Seventy-Second Supplement, is referred to in this Bond as the "Resolution." Terms used herein and not otherwise defined shall have the meanings given in the Resolution.

## **INTEREST PROVISIONS**

This Bond bears interest at the Initial Rate, a Multiannual Rate or a Fixed Rate (as such terms are defined in the Seventy-Second Supplement.

The Bonds shall bear interest at the Initial Rate commencing on the Issuance Date and ending on \_\_\_\_\_ (the "Initial Rate Period"). The Bonds shall be subject to mandatory tender, without right of retention by the owners thereof as provided below and shall be tendered to the Remarketing Agent against payment therefor. Thereafter, the Bonds shall bear interest at the Multiannual Rate with a Multiannual Rate Period of one year duration unless a different Multiannual Rate Period is specified pursuant to written direction of an LCRA Officer or the Bonds are converted to the Fixed Rate Period or as otherwise provided in the Seventy-Second Supplement with respect to a conversion from the Stepped Rate Period. The Bonds may be converted to a Multiannual Rate or from a Multiannual Rate Period to a Multiannual Rate Period of a different duration, or to the Fixed Rate Period, as such terms are defined in and pursuant to the Seventy-Second Supplement.

The rate of interest applicable to the Bonds shall be determined in accordance with the applicable provisions of the Seventy-Second Supplement with respect to Multiannual Rate or the Fixed Rate, pursuant to the terms of a remarketing agreement between LCRA and the initial remarketing agent or any successor thereto (the "Remarketing Agent") designated by an LCRA Officer prior to any conversion to the Multiannual Rate or the Fixed Rate.

The Bonds may bear interest from time to time at a Multiannual Rate established in accordance with the Seventy-Second Supplement. The Bonds may be converted in whole to bear interest at a Fixed Rate from the conversion date until maturity in accordance with the Seventy-Second Supplement. While the Bonds bear interest at a Multiannual Rate, the interest rate determined will remain in effect for a term of at least one year duration selected in accordance with the Seventy-Second Supplement.

An interest rate mode will remain in effect until changed pursuant to the terms of the Seventy-Second Supplement. During each Multiannual Rate Period, and unless otherwise established by LCRA, the rate of interest on the Bonds shall be that rate which, in the determination of the Remarketing Agent, if borne by the Bonds on the date of such determination under prevailing market conditions, would result in the market value of the Bonds being equal to 100% of the principal amount thereof, plus accrued interest. If the Remarketing Agent is unable, or fails, to determine the Multiannual Rate or Fixed Rate, the interest rates on the Bonds shall be determined pursuant to the terms of the Seventy-Second Supplement. The provisions of this Bond, including, but not limited to this paragraph, are limited in all respects to those provisions of the Seventy-Second Supplement which limit the interest rate on the Bonds to the Multi-Mode Bond Maximum Interest Rate.

Bonds bearing interest at the Initial Rate, Multiannual Rate or a Fixed Rate are issued in denominations \$5,000 and integral multiples thereof.

#### **OPTIONAL TENDERS BY OWNERS**

THE BONDS ARE NOT SUBJECT TO TENDER FOR PURCHASE AT THE OPTION OF THE OWNERS.

## **MANDATORY TENDER**

The Bonds in the Initial Rate Period are subject to mandatory tender, without right of retention by the owner thereof and at the election of LCRA, beginning on [to be modified as required by the Pricing Certificate - \_\_\_\_\_ (the "First Mandatory Tender Date") and on any date thereafter (but in no case later than \_\_\_\_\_ (the "Latest Mandatory Tender Date"; such date of mandatory tender, the "Mandatory Tender Date"); provided however, if such Mandatory Tender Date is not a business day, actual tender shall occur on the next occurring Business Day (though interest will have ceased to accrue as of such Mandatory Tender Date). A Mandatory Tender Date for the Bonds, other than their Latest Mandatory Tender Date, shall be determined at the option of LCRA, pursuant to written direction of a LCRA Officer, (but in no event to occur before the First Mandatory Tender Date or after the Latest Mandatory Tender Date). On the specified Mandatory Tender Date, each Registered Owner of the Bonds will be required to tender, and in any event will be deemed to have tendered, such Bonds to the Tender Agent for purchase at a purchase price equal to 100% of the principal amount plus accrued interest, if any; provided, however, that accrued interest will not be taken into account in the computation of the purchase price if the applicable purchase date is an interest payment date (the "Purchase Price") (payable from the sources of funds described below)].

The Tender Agent is required to give notice of mandatory tender to each Owner of the Series 2023B (Put) Bonds affected thereby by mail, first class postage prepaid, at least thirty (30) days, but not more than sixty (60) days, before the date of any conversion or mandatory tender. A failed remarketing of the Series 2023B (Put) Bonds on a Mandatory Tender Date, other than on the Latest Mandatory Tender Date, shall be deemed a rescission of the mandatory tender and shall result in the Series 2023B (Put) Bonds remaining in the Initial Rate Period for all purposes, to include bearing interest at the Initial Rate, through the remainder of the Initial Rate Period (unless otherwise remarketed or redeemed).

While this Bond bears interest at a Multiannual Rate, this Bond is subject to mandatory tender for purchase by the Tender Agent at the Purchase Price to the date of purchase on the Business Day following each Multiannual Rate Period.

## **FAILED REMARKETING**

Failed Remarketing at Expiration of Initial Rate Period. In the event that this Bond is not converted and remarketed to new purchasers on the applicable scheduled date of mandatory tender upon the expiration of the Initial Rate Period, LCRA shall have no obligation to purchase the Bonds tendered on such date, the failed conversion and remarketing shall not constitute an event of default under the Resolution or this Bond, the mandatory tender will be deemed to have been rescinded for that date with respect to the Bonds subject to such failed remarketing only, and such Bonds (i) will continue to be Outstanding, (ii) will be purchased upon the availability of funds to be received from the subsequent remarketing of such Bonds, (iii) will bear interest at the Stepped Rate during the Stepped Rate Period, (iv) will be subject to redemption and mandatory tender for purchase on any date during the Stepped Rate Period upon which a conversion occurs (which shall occur at LCRA's discretion upon delivery of at least one day's notice to the Owners thereof), and (v) will be deemed

to continue in a Multiannual Rate Period for all other purposes of the Seventy-Second Supplement, though bearing interest during such time at the Stepped Rate until remarketed or redeemed in accordance with the terms of the Seventy-Second Supplement. In the event of a failed conversion and remarketing as described above, LCRA will cause the Bonds to be converted and remarketed on the earliest reasonably practicable date on which they can be sold at par, in such interest rate mode or modes as LCRA directs, at a rate not exceeding the Multi-Mode Bond Maximum Interest Rate.

Failed Remarketing on Multiannual Rate Conversions or Fixed Rate Conversion. If the conversion of this Bond relates to a conversion to a new Multiannual Rate Period from an existing Multiannual Rate Period or to the Fixed Rate Period and the Bonds are not converted and remarketed to new purchasers on the scheduled date of mandatory tender, LCRA shall have no obligation to purchase the Bonds tendered on such date, the failed conversion and remarketing shall not constitute an event of default under the Seventy-Second Supplement or the Bonds, the mandatory tender will be deemed to have been rescinded for that date with respect to the Bonds subject to such failed remarketing only, and such Bonds (i) will continue to be Outstanding, (ii) will be purchased upon the availability of funds to be received from the subsequent remarketing of such Bonds, (iii) will bear interest at the Stepped Rate during the Stepped Rate Period, (iv) will be subject to redemption and mandatory tender for purchase on any date during the Stepped Rate Period upon which a conversion occurs (which shall occur at LCRA's discretion upon delivery of at least one day's notice to the Owners thereof), and (v) will be deemed to continue in a Multiannual Rate Period for all other purposes of the Seventy-Second Supplement, though bearing interest during such time at the Stepped Rate until remarketed or redeemed in accordance with the terms of the Seventy-Second Supplement. In the event of a failed conversion and remarketing as described above, LCRA will cause the Bonds to be converted and remarketed on the earliest reasonably practicable date on which they can be sold at par, in such interest rate mode or modes as LCRA directs, at a rate not exceeding the Multi-Mode Bond Maximum Interest Rate.

## **UNDELIVERED BONDS**

Bonds which are required to be tendered by the Owners thereof for purchase by the Tender Agent but which are not in fact delivered for purchase on the date and at the time required and for which there has been deposited an amount sufficient to pay the Purchase Price thereof, shall cease to accrue interest on the tender date, and the Owner thereof shall not be entitled to any payment other than the Purchase Price for such Bond. Such Bond shall no longer be outstanding and entitled to the benefits of the Resolution, except for the payment of the Purchase Price from money held by the Tender Agent for such payment. On the tender date, the Paying Agent/Registrar shall authenticate and deliver substitute Bonds in lieu of such Undelivered Bonds.

## **REDEMPTION PROVISIONS**

[To be modified as required by the Pricing Certificate or any conversion certificate relating to the Bonds - Optional Redemption. Bonds bearing interest at the Initial Rate are subject to redemption at the option of LCRA, in whole or in part, at a redemption price equal to the principal amount thereof plus accrued interest thereon to the redemption date, on \_\_\_\_\_.

Bonds bearing interest at a Multiannual Rate are subject to redemption at the option of LCRA, in whole or in part, at a redemption price equal to the principal amount thereof plus accrued

interest thereon to the redemption date, on the first Business Day after the last day of any Multiannual Rate Period.

Bonds bearing interest at the Stepped Rate during the Stepped Rate Period are subject to redemption, in whole or in part, at the option of LCRA, at a redemption price equal to the principal amount thereof plus interest accrued thereon at the Stepped Rate, as the case may be, to the redemption date, with one Business Day's notice to the Owners thereof.

Bonds bearing interest at a Fixed Rate are subject to redemption at the option of LCRA, in whole or in part, on the dates and at the prices determined and established by LCRA on the Fixed Rate Conversion Date.

Mandatory Redemption. The Bonds will be subject to mandatory sinking fund redemption prior to maturity on May 15 in each of the following years and in the following amounts at the redemption price equal to the principal amount thereof plus accrued interest to the redemption date, with the particular Bonds or portions thereof to be redeemed, to be selected and designated by LCRA (provided that a portion of a Bond may be redeemed only in an integral multiple of \$5,000):

<u>Year</u>	<u>Principal Amount</u>
-------------	-----------------------------

The principal amount of Bonds subject to mandatory sinking fund redemption will be reduced, at the option of LCRA, by the principal amount of any Bonds otherwise subject to such mandatory sinking fund redemption which, at least 50 days prior to the mandatory sinking fund redemption date, have been (i) acquired by LCRA and delivered to the Paying Agent/Registrar for cancellation, or (ii) redeemed pursuant to the optional redemption provisions and not theretofore credited against such mandatory sinking fund requirement.

Notice of Redemption. Except with respect to Bonds bearing interest at a Stepped Rate (which may be redeemed on one Business Day's notice to the Owners thereof), notice of optional and mandatory redemption shall be given by first class mail, postage prepaid at least thirty (30) days before the date fixed for redemption, to the Owner of each Bond to be redeemed in whole or in part at the address shown on the Security Register, each registered securities depository and to any national information service that disseminates such notices, subject to the terms and provisions relating thereto contained in the Resolution; provided, if the redemption date is also a mandatory tender date with respect to the remarketing of the remaining portion of the Bonds, in which case, no notice of redemption shall be required. If this Bond or any portion of the principal sum hereof shall have been duly called for redemption and notice of such redemption duly given, then upon such redemption date this Bond or the portion of the principal sum hereof to be redeemed shall become due and payable, and, if moneys for the payment of the redemption price and the interest accrued on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar, interest shall cease to accrue and be payable from and after the redemption date on the principal amount hereof redeemed.

Notwithstanding the foregoing, a notice of mandatory tender delivered in accordance with the provisions of the Seventy-Second Supplement prior to the conclusion of the Initial Interest Period

shall serve as notice of redemption of all or a portion of the Bonds, if any such redemption is to occur at the option of LCRA, on the interest payment date occurring immediately after the conclusion of the Initial Interest Period.

With respect to any optional redemption of the Bonds, unless certain prerequisites to such redemption required by the Resolution have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent prior to the giving of such notice of redemption, such notice shall state that said redemption may, at the option of LCRA, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, LCRA shall not redeem such Bonds and the Paying Agent shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.]

### **DELIVERY OF NOTICES AND BONDS**

Any Bonds required to be delivered to the Tender Agent for purchase, and any notices required to be delivered to the Tender Agent hereunder shall be delivered to: The Bank of New York Mellon Trust Company, N.A., 2001 Bryan Street, 10th Floor, Dallas, Texas 75201.

Bonds required to be tendered for purchase shall be delivered to the Tender Agent prior to 5:00 p.m., New York City time, on the Business Day next preceding the date of purchase (12:00 noon, New York City time, on the purchase date for Bonds held in book-entry-only system).

### **GENERAL**

The Bonds are special obligations of LCRA, payable, together with any additional Parity Debt issued in accordance with the terms of the Resolution, solely from and equally secured by a lien on and pledge of the Pledged Revenues. The lien on and pledge of Pledged Revenues for the benefit of the Parity Debt, with respect only to that portion of Pledged Revenues representing revenues pledged to Prior Encumbered Obligations, shall be subject and subordinate to the lien and pledge established for the benefit of such Prior Encumbered Obligations, if any. The Bonds do not constitute a legal or equitable pledge, charge, lien or encumbrance upon any property of LCRA, except with respect to the Pledged Revenues. **THE REGISTERED OWNER HEREOF SHALL NEVER HAVE THE RIGHT TO DEMAND PAYMENT OF THIS OBLIGATION FROM ANY OTHER REVENUES OR PROPERTIES OF LCRA, OR FROM ANY FUNDS RAISED OR TO BE RAISED BY TAXATION BY LCRA, THE STATE OF TEXAS, OR ANY SUBDIVISION THEREOF.**

The pledge of revenues and funds and the other obligations of LCRA under the Resolution may be discharged at or prior to the maturity of the Bonds upon the making of provision for their payment on the terms and conditions set forth in the Resolution.

Subject to satisfying the terms and conditions stated in the Resolution, LCRA has reserved the right to issue additional Parity Debt payable solely from and equally and ratably secured by a

parity lien on and pledge of the Pledged Revenues and other moneys and securities pledged under the Resolution to the payment of the Bonds.

Reference is hereby made to the Resolution, a copy of which is on file in the principal office of the Paying Agent/Registrar, and to all of the provisions of which any Registered Owner of this Bond by his acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the security for the Bonds; the Pledged Revenues; the nature and extent and manner of enforcement of the pledge; the terms and conditions for the issuance of additional Parity Debt; the conditions upon which the Resolution may be amended or supplemented with or without the consent of the Registered Owners of the Bonds; the rights and remedies of the Registered Owner hereof with respect hereto and thereto; the rights, duties and obligations of LCRA; the terms and provisions upon which the liens, pledges, charges, and covenants made therein may be discharged at or prior to the maturity or redemption of this Bond and this Bond thereafter no longer to be secured by the Resolution or be deemed to be outstanding thereunder; and for the other terms and provisions thereof.

This Bond, subject to certain limitations contained in the Resolution, may be transferred only upon its presentation and surrender at the principal office of the Paying Agent/Registrar named below, or its successor with the Assignment hereon duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by, the Registered Owner hereof, or his duly authorized agent, and such transfer is noted on the Security Register by the Paying Agent/Registrar. When a transfer occurs, one or more new fully-registered Bonds of the same Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued to the designated transferee or transferees.

LCRA and the Paying Agent/Registrar, and any agent of either, shall treat the Registered Owner whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest hereon, (ii) on the date of surrender of this Bond as the owner entitled to payment of principal hereof at its Maturity or its redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither LCRA nor the Paying Agent/Registrar, nor any agent of either, shall be affected by notice to the contrary. In the event of nonpayment of interest on a scheduled payment date for any Bond bearing interest in a Fixed Rate and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from LCRA. Notice of the Special Record Date and of the scheduled payment date for such Bond bearing interest at a Fixed Rate of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each Registered Owner appearing on the Security Register at the close of business on the last business day immediately preceding the date of mailing of such notice.

It is hereby certified, recited, represented, and declared that LCRA is a duly organized and legally existing governmental agency and body politic and corporate, organized under and by virtue of the Constitution and laws of the State of Texas; that the issuance of this Bond and the series of which it is a part are duly authorized by law; that all acts, conditions, and things required to exist and be done precedent to and in the issuance of this Bond to render the same lawful and valid have been properly done, have happened, and have been performed in regular and due time, form, and manner as required by the Constitution and laws of the State of Texas and the Resolution; that this series of

revenue bonds does not exceed any Constitutional or statutory limitation; and that due provision has been made for the payment of the principal of and interest on this Bond and the series of which it is a part as aforestated. In case any provision in this Bond shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The terms and provisions of this Bond and the Resolution shall be construed in accordance with and shall be governed by the laws of the State of Texas.

### PROVISIONS OF MULTI-MODE BONDS

#### ARTICLE I REMARKETING AGENT; TENDER AGENT AND OTHER PROVISIONS

**Section 1.01. Remarketing Agent; Tender Agent.** (a) A Remarketing Agent (or any successor Remarketing Agent) shall be designated by an LCRA Officer for each series of the Multi-Mode Bonds of Variable Rate Bonds, except when such bonds are initially issued in the Initial Rate Period; provided, however, a Remarketing Agent shall be designated prior to the conversion of any series of the Multi-Mode Bonds to a Multiannual Rate or Fixed Rate. The draft of a Remarketing Agreement, in substantially the form presented to the Board, is hereby approved pursuant to the terms of this Seventy-Second Supplement. Any LCRA Officer and the General Counsel of LCRA are each hereby authorized to complete, amend and modify the Remarketing Agreement and any LCRA Officer is hereby authorized to execute and deliver such Remarketing Agreement, in the form so amended, completed and modified.

(b) The initial Tender Agent (or any successor Tender Agent) for any series of Multi-Mode Bonds shall be determined in the Pricing Certificate related to such Bonds. The draft of a Tender Agreement, in substantially the form presented to the Board, is hereby approved pursuant to the terms of this Seventy-Second Supplement. Any LCRA Officer and the General Counsel of LCRA are each hereby authorized to complete, amend and modify the Tender Agreement and any LCRA Officer is hereby authorized to execute and deliver such Tender Agreement, in the form so amended, completed and modified.

**Section 1.02. Maintaining Remarketing Agent, Tender Agent.** (a) LCRA hereby agrees that while any of the Multi-Mode Bonds bear interest at the Initial Rate or a Multiannual Rate, it will maintain a Tender Agent with respect to the Multi-Mode Bonds, qualified to act in such capacity. Subject to Section 1.01(a), while the Bonds bear interest at a Multiannual Rate, LCRA agrees to at all times maintain a Remarketing Agent qualified to act in such respective capacity.

(b) No removal or resignation of the Remarketing Agent by LCRA or removal or resignation of the Tender Agent shall become effective until a successor has been appointed and accepted such appointment. A successor Remarketing Agent shall be a commercial bank, investment bank or other financial institution authorized by law to perform all the duties imposed upon it by this Seventy-Second Supplement and the Remarketing Agreement and shall have stated capital of not less than \$100,000,000. A successor Tender Agent shall be a commercial bank with trust powers or a trust company and shall have stated capital of not less than \$100,000,000.

(c) The Remarketing Agent may at any time resign and be discharged of the duties and obligations under this Seventy-Second Supplement and the Remarketing Agreement by giving at least thirty (30) days' written notice to LCRA, with a copy to the Paying Agent/Registrar and the Tender Agent; provided, however, subject to Section 1.02(d) hereof, such resignation shall not be effective until a successor Remarketing Agent is appointed and accepts such appointment.

(d) Upon delivery of notice of resignation by the Remarketing Agent as described above, LCRA covenants to use its best efforts to engage a successor Remarketing Agent within sixty (60) days of receipt of such notice. Notwithstanding anything to the contrary in the Seventy-Second Supplement, if no successor Remarketing Agent is appointed within thirty (30) days after the delivery of notice of the Remarketing Agent's resignation as described above, the Remarketing Agent may petition a court of competent jurisdiction to appoint a successor Remarketing Agent, and in the event that no successor Remarketing Agent is

appointed within sixty (60) days after the delivery of notice of the Remarketing Agent's resignation as described above, the Remarketing Agent may resign by the delivery of written notice of such resignation to LCRA whether or not a successor Remarketing Agent has been appointed.

(e) In the event that the Remarketing Agent shall resign or be removed, or be dissolved, or if the property or affairs of the Remarketing Agent shall be taken under the control of any state or federal court or administrative body because of bankruptcy or insolvency or for any other reason, and LCRA shall not have appointed its successor as Remarketing Agent, the Tender Agent shall ipso facto be deemed to be the Remarketing Agent for the purpose of setting the interest rate pursuant to Article II of this Exhibit C, as applicable, until the appointment by LCRA of the Remarketing Agent or a successor Remarketing Agent, as the case may be. For purposes of clarification, the Tender Agent, in its capacity as Remarketing Agent, shall not be required to remarket and sell the Multi-Mode Bonds or to perform the duties set forth in Article II with respect to remarketing of the Bonds, except as expressly set forth in this Section 1.02(e).

(f) Promptly upon each change in the entity serving as Remarketing Agent or Tender Agent, LCRA will cause notice of such change to be sent to each Owner by first class mail.

(g) The Tender Agent shall maintain the Payment Fund as an Eligible Account at all times.

## **ARTICLE II INTEREST RATES ON MULTI-MODE BONDS**

### **Section 2.01. Initial Interest Rate on Multi-Mode Bonds; Subsequent Interest Rates on Multi-Mode Bonds.**

(a) The Multi-Mode Bonds shall bear interest at the Initial Rate for the Initial Rate Period all as set forth in the Pricing Certificate. Such Pricing Certificate may contain other terms related to a series of Multi-Mode Bonds including mandatory tender date or dates and determination of the Multi-Mode Bond Maximum Interest Rate. At the end of the Initial Rate Period, the Multi-Mode Bonds shall be subject to mandatory tender without right of retention by the Owners pursuant to Section 3.01(c) hereof. Thereafter, the Multi-Mode Bonds shall bear interest at the Multiannual Rate as determined in Section 2.02(b) for a Multiannual Rate Period of one year in duration unless a different Multiannual Rate Period is specified pursuant to written direction of an LCRA Officer, until the Multi-Mode Bonds are converted to a Multiannual Rate Period of a different duration as provided herein. In connection with the conversion to the Multiannual Rate Period (or the Fixed Rate Period) at the end of the Initial Rate Period, LCRA shall deliver an Opinion of Bond Counsel to the Paying Agent/Registrar and the Tender Agent. At any time, the Multiannual Rate Period applicable to the Multi-Mode Bonds may be converted to a Multiannual Rate Period of a different duration or to the Fixed Rate Period, pursuant to this Exhibit C.

If the Remarketing Agent fails to remarket the Multi-Mode Bonds, resulting in the Owners thereof retaining such Multi-Mode Bonds subsequent to the end of the Initial Rate Period, those Multi-Mode Bonds shall bear interest at the Stepped Rate for the duration of the Stepped Rate Period. Such series of Multi-Mode Bonds (i) will continue to be Outstanding, (ii) will be purchased upon the availability of funds to be received from the subsequent remarketing of such Bonds, (iii) will bear interest at the Stepped Rate during the Stepped Rate Period, (iv) will be subject to redemption and mandatory tender for purchase on any date during the Stepped Rate Period upon which a conversion occurs (which shall occur at LCRA's discretion upon delivery of at least one day's notice to the Owners thereof), and (v) will be deemed to continue in a Multiannual Rate Period for all other purposes of this Seventy-Second Supplement, though bearing interest during such time at the Stepped Rate, until remarketed or redeemed in accordance with the terms of this Seventy-Second Supplement.

(b) Notwithstanding any provision of the Seventy-Second Supplement to the contrary, any remarketing of the Multi-Mode Bonds, whether due to conversion from the Initial Rate Period to a Multiannual Rate Period or from a Multiannual Rate Period to a subsequent Multiannual Rate Period of a different duration, or a conversion to a Fixed Rate, may generate market premium, provided that such interest rate shall never exceed the Maximum Interest Rate.

**Section 2.02. Determination of Interest Rate for Multiannual Rate Mode.**

(a) Determination of Interest Rate by Remarketing Agent. Subject to the further provisions of this Exhibit C with respect to the Multiannual Rate or conversions to the Multiannual Rate or conversion to a Multiannual Rate Period of a different duration, the Multiannual Rate for the Multiannual Bonds during any Multiannual Rate Period shall be determined by the Remarketing Agent. The Remarketing Agent shall determine the Multiannual Rate in accordance with this Section on the Rate Determination Date, and all Multi-Mode Bonds of a particular series (except Multi-Mode Bonds bearing interest at the Stepped Rate) shall be issued in the same Multiannual Rate Period. The Multiannual Rate determined by the Remarketing Agent shall become effective on the first day of the next succeeding Multiannual Rate Period.

(i) Each Multiannual Rate determined by the Remarketing Agent shall be the lowest rate of interest which, in the judgment of the Remarketing Agent, would cause the Bonds to have a market value equal to 100% of the principal amount thereof, plus accrued interest, under prevailing market conditions as of the Rate Determination Date; provided that in no event shall the Multiannual Rate for any Multiannual Rate Period exceed the Maximum Interest Rate.

(ii) In determining the interest rates, the Remarketing Agent shall take into account to the extent applicable market interest rates and indices, general economic conditions, and general market conditions as they relate to comparable securities which are held by institutional and private investors with substantial portfolios (1) with a term equal to the applicable Multiannual Rate Period for the Multi-Mode Bonds; (2) the interest on which is exempt from federal income taxation, if the Multi-Mode Bonds are Tax-Exempt Bonds; (3) rated, if the Bonds are rated, by a Rating Agency in the same rating category as the Bonds; (4) with security or credit support similar to the Bonds; and (5) with redemption provisions similar to those of the series of Multi-Mode Bonds.

(iii) All determinations of Multiannual Rates pursuant to this Section shall be conclusive and binding, absent manifest error, upon LCRA, the Tender Agent, the Paying Agent/Registrar and the Owners of the Bonds to which such rates are applicable. LCRA, the Tender Agent, the Paying Agent/Registrar and the Remarketing Agent shall not be liable to any Owners for failure to give any notice required above or for failure of any Owners to receive such notice.

(b) Determination of Multiannual Rates. A Multiannual Rate shall be determined for each Multiannual Rate Period as follows:

(i) Multiannual Rate Periods shall be periods of at least one or more one year periods in duration and shall (A) commence on the Multiannual Rate Conversion Date on May 15 and subsequently on the May 15 which is at least one year after the Multiannual Rate Conversion Date; and (B) end on the day preceding either the commencement date of the following Multiannual Rate Period or the Conversion Date on which a different interest rate mode or a Multiannual Rate Period of a different duration shall become effective which is May 15; provided a Multiannual Rate Conversion Date may be any Business Day when (I) remarketing Multi-Mode Bonds bearing interest at a Stepped Rate or (II) a remarketing through the exercise of a mandatory tender right by LCRA before the latest mandatory tender date applicable to the Initial Rate Period, if any, so long as the relevant Multiannual Rate Period is at least one year in duration and ends on a May 14. If, at the

expiration of the then-applicable Multiannual Rate Period, there occurs a failed remarketing of the type described in Section 2.01(a) hereto, such Bonds shall bear interest at the Stepped Rate for the duration of the Stepped Rate Period. Such series of Multi-Mode Bonds (i) will continue to be Outstanding, (ii) will be purchased upon the availability of funds to be received from the subsequent remarketing of such Bonds, (iii) will bear interest at the Stepped Rate during the Stepped Rate Period, (iv) will be subject to redemption and mandatory tender for purchase on any date during the Stepped Rate Period upon which a conversion occurs (which shall occur at LCRA's discretion upon delivery of at least one day's notice to the Owners thereof), and (v) will be deemed to continue in the relevant Multiannual Rate Period for all other purposes of this Seventy-Second Supplement, though bearing interest during such time at the Stepped Rate, until remarketed or redeemed in accordance with the terms of this Seventy-Second Supplement.

(ii) While Bonds are bearing interest at a Multiannual Rate and prior to the commencement of a subsequent Multiannual Rate Period, an LCRA Officer may change the duration of such subsequent Multiannual Rate Period to a different duration.

(A) LCRA shall give written notice of any such change to the Paying Agent/Registrar, the Tender Agent and the Remarketing Agent not less than thirty (30) days prior to the commencement date of such Multiannual Rate Period of a different duration. Such notice shall specify the Multiannual Rate Period to which such change will be made, and the duration of such Multiannual Rate Period. Such notice shall also specify the conditions to the change and the consequences of such conditions not being fulfilled.

(B) Any change in duration of a Multiannual Rate Period pursuant to this Section 2.02(b)(ii) from a Multiannual Rate Period of one year duration to a Multiannual Rate Period with a duration of more than one year or from a Multiannual Rate Period with a duration of more than one year to a Multiannual Rate Period of one year duration shall be subject to the condition that LCRA shall have delivered to the Paying Agent/Registrar and the Remarketing Agent, along with the notice required in Section 2.02(b)(ii)(A) above, an Opinion of Bond Counsel (which opinion shall be confirmed on the commencement date of the subject Multiannual Rate Period). If such Opinion of Bond Counsel is not delivered, such change shall not occur and such Bonds shall remain in the same Multiannual Rate Periods (same duration).

(C) If the confirmation of the Opinion of Bond Counsel is not delivered on the commencement date of the subject Multiannual Rate Period pursuant to Section 2.02(c)(ii)(B), the change in duration shall not occur and the Bonds shall remain in the same Multiannual Rate Period; provided, however, that such Bonds shall be subject to mandatory tender as provided herein.

(iii) The Multiannual Rate for each Multiannual Rate Period shall be effective from and including the commencement date of such Multiannual Rate Period and remain in effect through and including the last day thereof. Each such Multiannual Rate shall be determined for each Multiannual Rate Period no later than 12:00 p.m. on the Rate Determination Date, which date shall be a Business Day not less than one (1) Business Day preceding the commencement date of such Multiannual Rate Period, and each such Multiannual Rate shall be made available including but not limited to via electronic means to LCRA, the Paying Agent/Registrar and the Tender Agent by the Remarketing Agent by the close of business on the Rate Determination Date.

(iv) Notice of Multiannual Rates determined for each Multiannual Rate Period shall be given promptly by the Paying Agent/Registrar to DTC (and any successor to DTC). In the event the

book-entry-only system of DTC is discontinued, notice of Multiannual Rates determined for each Multiannual Rate Period shall be given by the Paying Agent/Registrar by first class mail or by electronic means to each Owner within seven (7) Business Days after each Rate Determination Date, unless notice has effectively been given in a disclosure document related to the subject remarketed series of Multi-Mode Bonds.

(v) Not less than seven (7) days prior to the Conversion Date, the Paying Agent/Registrar shall provide notice to DTC (and any successor to DTC) a notice of the conversion and mandatory tender and set forth the matters required to be stated pursuant to Section 3.01(a)(i) and (vi) with respect to purchases of Bonds governed by such Section. In the event the book-entry-only system of DTC is discontinued, such notice shall be given by the Paying Agent/Registrar by first class mail or by electronic means to each Owner.

### **Section 2.03. Conversion to Fixed Rate at Option of LCRA.**

(a) At the option of LCRA, and pursuant to a resolution of the Board, which may be a Supplement or an amendment of the Seventy-Second Supplement pursuant to Section 6.01(iv) thereof, a series of the Multi-Mode Bonds bearing interest at the Initial Rate, the Stepped Rate or the Multiannual Rate may be converted in whole to a Fixed Rate to their maturity or prior redemption. All outstanding Multi-Mode Bonds of a particular series shall be converted pursuant to this Section.

(b) In determining the Fixed Rate, the Remarketing Agent shall take into account to the extent applicable (1) market interest rates for comparable securities which are held by institutional and private investors with substantial portfolios (a) with a term equal to the period to maturity remaining on such series of Multi-Mode Bonds, (b) the interest on which is exempt from federal income taxation if such series of Multi-Mode Bonds are Tax-Exempt Bonds, (c) rated, if the series of Multi-Mode Bonds are rated, by a Rating Agency in the same rating category as such Multi-Mode Bonds, (d) with security or credit support similar to the Bonds, and (e) with redemption provisions similar to those of the series of Multi-Mode Bonds after conversion to a Fixed Rate; (2) other financial market rates and indices which have a bearing on the fixed rate (including but not limited to rates borne by revenue bonds, United States Treasury obligations, commercial bank prime rates, certificate of deposit rates, federal funds rates, indices maintained by The Bond Buyer, and other publicly available tax-exempt or taxable interest rate indices, as appropriate); (3) general financial market conditions (including current forward supply); and (4) industry, economic, or financial conditions which may affect or be relevant to such series of Multi-Mode Bonds.

(c) Any such conversion to Fixed Rate shall be made as follows:

(i) The Fixed Rate Conversion Date for a conversion from a Multiannual Rate Period shall be a May 15 Interest Payment Date; provided further, that a series of Multi-Mode Bonds bearing interest at the Stepped Rate may be converted to a Fixed Rate on any Business Day. The Fixed Rate Conversion Date for a conversion from the Initial Rate shall be the Conversion Date immediately following the end of the Initial Rate Period. The Fixed Rate Conversion Date may be any Business Day when remarketing Multi-Mode Bonds bearing interest at a Stepped Rate.

(ii) (A) LCRA shall give written notice of any such conversion to the Remarketing Agent, the Paying Agent/Registrar and the Tender Agent not less than thirty (30) days prior to the proposed Conversion Date. Such notice shall specify the Fixed Rate Conversion Date and the outstanding principal amount of the series of the Multi-Mode Bonds to be converted.

(B) Not less than fifteen (15) days prior to the Fixed Rate Conversion Date, the Paying Agent/Registrar shall provide notice to DTC (and any successor to DTC) a notice of the of the conversion to the Owner of all Bonds to be converted, specifying the Conversion Date and setting forth the matters required to be stated pursuant to Section 2.03(c)(iii). In the event the book-entry-only system of DTC is discontinued, such notice shall be given by the Paying Agent/Registrar by first class mail or by electronic means to each Owner.

(iii) Notice of conversion shall be given by first class mail or by other customary means by the Paying Agent/Registrar to each Rating Agency and the Owners of all Bonds to be converted. Such notice shall inform the Owners of: (A) the proposed Fixed Rate Conversion Date; (B) the conditions to the conversion pursuant to Section 2.03(d) below; and (C) the matters required to be stated pursuant to Section 3.01(b)(ii) with respect to purchases of Bonds governed by such Section.

(iv) Not later than 12:00 p.m., New York City time, on or before the seventh (7th) Business Day prior to the Fixed Rate Conversion Date, the Remarketing Agent shall, in consultation with and subject to the approval of LCRA, determine the Fixed Rate (not in excess of the Maximum Interest Rate) for the applicable series of Multi-Mode Bonds which will cause such Bonds to have a market value equal to the principal amount thereof; provided, however, the market value of the such Bonds may exceed par for the purpose of obtaining the lowest reoffering yield to LCRA and to pay remarketing costs, but the tendering Owners will only receive the Purchase Price of the tendered Bonds. The Bonds shall have the redemption dates and prices determined pursuant to Section 2.03(e) hereof, and the Remarketing Agent shall make the Fixed Rate available to the Paying Agent/Registrar, including but not limited to via electronic means, on the date of determination. Each maturity of such series of Multi-Mode Bonds may have a different Fixed Rate but there shall be only one Fixed Rate per maturity. Such determination, absent manifest error, shall be conclusive and binding upon LCRA, the Paying Agent/Registrar and the Owners of the Bonds to which such rate will be applicable. Promptly after the date of determination, the Paying Agent/Registrar shall give notice of such Fixed Rate by first class mail to the Tender Agent and the Owners (as of the Fixed Rate Conversion Date), unless notice has effectively been given in a disclosure document related to the subject remarketed series of Multi-Mode Bonds.

(d) Any conversion to Fixed Rate pursuant to this Section is subject to the following conditions:

(i) on or before the Fixed Rate Conversion Date, LCRA shall have delivered to the Paying Agent/Registrar and the Remarketing Agent an Opinion of Bond Counsel; and

(ii) as of the Fixed Rate Conversion Date, sufficient funds shall be available to purchase the series of Multi-Mode Bonds which are then required to be purchased pursuant to Section 3.01(b).

If the foregoing conditions are not met for any reason, the conversion shall not be effective and the series of Multi-Mode Bonds (A) will continue to be Outstanding, (B) will be purchased upon the availability of funds to be received from the subsequent remarketing of such Bonds, (C) will bear interest at the Stepped Rate during the Stepped Rate Period, (D) will be subject to redemption and mandatory tender for purchase on any date during the Stepped Rate Period upon which a conversion occurs (which shall occur at LCRA's discretion upon delivery of at least one day's notice to the Owners thereof), and (E) will be deemed to continue in the applicable Initial Rate Period or Multiannual Period, as the case may be, for all other purposes of this Seventy-Second Supplement, though bearing interest during such time at the Stepped Rate, until remarketed or redeemed in accordance with the terms of this Seventy-Second Supplement.

(e) Unless paragraph (f) under this Section 2.03 applies, the Bonds converted to a Fixed Rate on a Fixed Rate Conversion Date shall mature, be subject to redemption and have the same terms and features as set forth in the applicable Pricing Certificate related to the series of Multi-Mode Bonds.

(f) Notwithstanding Section 2.03(e), in connection with a conversion to a Fixed Rate, LCRA may elect, at its sole option, to provide for serial or term maturities, revised redemption provisions and other terms applicable to the pricing of the Multi-Mode Bonds on and after the Fixed Rate Conversion Date. If LCRA so elects, the serial or term maturities for the Multi-Mode Bonds converted to a Fixed Rate shall be determined on the basis of providing similar relative principal and interest payments on such Bonds, including the principal payment schedule set forth in the applicable Pricing Certificate related to the series of Multi-Mode Bonds (after giving pro rata effect for any prior redemptions of such Bonds, if any, not then converted to a Fixed Rate), commencing in the fiscal year in which the conversion occurs, and any revised redemption provisions shall provide for such Fixed Rate Bonds to be subject to optional redemption in whole or in part without premium on the redemption date, which shall be set at the lesser of (i) 10 years from the Fixed Rate Conversion Date (or the most recent May 15), or (ii) 55% of the term of such Bonds, rounded to the nearest May 15, remaining at the time of conversion.

### **ARTICLE III TENDER AND PURCHASE OF BONDS**

#### **Section 3.01. Mandatory Tender of Bonds.**

(a) Mandatory Tender upon Multiannual Rate Conversion.

(i) If the Bonds are converted to a new Multiannual Rate Period from an existing Multiannual Rate Period or to a Multiannual Rate Period of a different duration, then the series of Multi-Mode Bonds shall be subject to mandatory tender on the Multiannual Rate Conversion Date (or, if such date is not a Business Day, the first Business Day thereafter) at the Purchase Price. The Owners of such Bonds shall not have the right to elect to retain their Bonds.

(ii) In the event that such Multi-Mode Bonds are not converted and remarketed to new purchasers on the scheduled date of mandatory tender, LCRA shall have no obligation to purchase such Bonds tendered on such date, the failed conversion and remarketing shall not constitute an event of default under the Master Resolution, the Seventy-Second Supplement or such Bonds, the mandatory tender will be deemed to have been rescinded for that date with respect to such series of Multi-Mode Bonds subject to such failed remarketing only, and such series of the Multi-Mode Bonds (i) will continue to be Outstanding, (ii) will be purchased upon the availability of funds to be received from the subsequent remarketing (or refunding) of such Bonds, (iii) will bear interest at the Stepped Rate during the Stepped Rate Period, (iv) will be subject to redemption and mandatory tender for purchase on any date during the Stepped Rate Period upon which a conversion occurs (which shall occur at LCRA's discretion upon delivery of at least one day's notice to the Owners thereof), and (v) will be deemed to continue in a Multiannual Rate Period for all other purposes of this Seventy-Second Supplement, though bearing interest during such time at the Stepped Rate until remarketed or redeemed in accordance with the terms of this Seventy-Second Supplement.

(iii) In the event of a failed conversion and remarketing as described in this paragraph (a), LCRA will cause the affected series of the Multi-Mode Bonds to be converted and remarketed on the earliest reasonably practicable date on which they can be sold at par, in such interest rate mode or modes as LCRA directs, at a rate not exceeding the Multi-Mode Bond Maximum Interest Rate.

(iv) *Notice to Owners.* Any notice of a Conversion Date given to Owners pursuant to Section 2.02(b)(v), shall, in addition to the requirements of such Section, state that the Bonds to be converted will be subject to mandatory tender for purchase on the Conversion Date and the time at which Bonds are to be tendered for purchase.

(v) *Remarketing.* On the date any notice of a Conversion Date is given to DTC or the Owners pursuant to Section 2.02(b)(v), the Tender Agent shall notify an LCRA Officer and the Remarketing Agent by telephone, telegram, telecopy, facsimile transmission or other similar communication, of the principal amount of Multi-Mode Bonds to be tendered for purchase on the Conversion Date. The Remarketing Agent shall offer for sale and use its best efforts to find purchasers for such Bonds. The terms of any sale by the Remarketing Agent shall provide for the payment of the Purchase Price of tendered Multi-Mode Bonds to the Remarketing Agent in immediately available funds at or before 10:30 a.m., New York City time, on the Conversion Date.

(vi) *Purchase of Tendered Bonds.*

(A) *Notice.* At or before 3:00 p.m., New York City time, on the Business Day immediately preceding the date fixed for purchase of tendered Multi-Mode Bonds, the Remarketing Agent shall give notice by telephone (promptly confirmed in writing), telegram, telecopy, time-sharing terminal, telex, electronic, facsimile transmission, or other similar communication to the Tender Agent of the principal amount of tendered Multi-Mode Bonds which were not remarketed. Not later than 4:00 p.m., New York City time, on the date of receipt of such notice the Tender Agent shall give notice by telephone (promptly confirmed in writing), telegram, telecopy, facsimile transmission, or other similar communication to an LCRA Officer and the Paying Agent/Registrar specifying the principal amount of tendered Bonds as to which the Remarketing Agent has not found a purchaser. At or before 3:00 p.m., New York City time on the Business Day prior to the purchase date, to the extent known to the Remarketing Agent, but in any event, no later than 10:30 a.m., New York City time, on the date fixed for purchase, the Remarketing Agent shall give notice to the Tender Agent by telephone (promptly confirmed in writing) of any change in the names, addresses, and taxpayer identification numbers of the purchaser, the Authorized Denominations of the Multi-Mode Bonds to be delivered to each purchaser and, if available, payment instructions for regularly scheduled interest payments.

(B) *Sources of Payment.* At or before 10:30 a.m., New York City time, the Remarketing Agent shall cause to be paid to the Tender Agent for deposit in the "LCRA 20\_\_ Remarketing Proceeds Payment Fund (the "Payment Fund") on the date fixed for purchase of tendered Multi-Mode Bonds, all amounts representing proceeds of the remarketing of such Bonds, such payments to be made in the manner and at the time specified in Section 3.01(a)(v) above. All monies received by the Tender Agent as remarketing proceeds shall be deposited by the Tender Agent in the Payment Fund to be used solely for the payment of the Purchase Price of tendered Multi-Mode Bonds and shall not be commingled with other funds held by the Tender Agent and shall remain uninvested.

(C) *Payments by the Tender Agent.* At or before 2:30 p.m., New York City time, on the date set for purchase of tendered series of Multi-Mode Bonds and upon receipt by the Tender Agent of 100% of the aggregate Purchase Price of such tendered Bonds, the Tender Agent shall pay the Purchase Price of such Bonds to the Owners thereof at its designated office or by bank wire transfer. Such payments shall be made in immediately available funds. The Tender Agent shall apply moneys paid to it by the Remarketing Agent as proceeds of the remarketing of such Bonds by the Remarketing Agent. If sufficient funds are not available for the purchase of all tendered Multi-Mode Bonds, no purchase shall be consummated.

(D) Registration and Delivery of Tendered Bonds.

(I) On the purchase date, the Tender Agent shall register and deliver (or hold) or cancel all Bonds purchased on any purchase date as follows: Bonds purchased or remarketed by the Remarketing Agent shall be registered by the Tender Agent and delivered to the new Owner in accordance with the instructions of the Remarketing Agent.

(II) Notwithstanding anything to the contrary in the foregoing paragraph, for so long as the Multi-Mode Bonds are held in the book-entry-only system of DTC in accordance with Section 2.05(c) of the Seventy-Second Supplement, any Multi-Mode Bond remarketed by the Remarketing Agent shall be delivered to the new beneficial owner thereof by a transfer in the book-entry-only system of DTC of such remarketed Bond to the applicable DTC Participant account for such beneficial owner.

(E) Delivery of Bonds; Effect of Failure to Surrender Bonds. All Multi-Mode Bonds to be purchased on any date shall be required to be delivered to the office of the Tender Agent at or before 5:00 p.m., New York City time, on the Business Day next preceding the purchase date (12:00 noon New York City time on the purchase date for Bonds held in the book-entry-only system of DTC). Such Bonds shall be accompanied by an instrument of transfer satisfactory to the Tender Agent, executed in blank by the Owner. The Tender Agent may refuse to accept delivery of any Bond for which an instrument of transfer satisfactory to it has not been provided and shall have no obligation to pay the Purchase Price of such Bond until a satisfactory instrument is delivered. If the Owner of any Multi-Mode Bond that is subject to purchase pursuant to this Section fails to deliver such Bond to the Tender Agent for purchase on the purchase date, and if the Tender Agent is in receipt of the Purchase Price therefor, such Bond shall nevertheless be deemed purchased on the day fixed for purchase thereof and shall constitute an Undelivered Bond. Ownership of Undelivered Bonds shall be transferred to the purchaser thereof as provided in Section 3.01(a)(vi)(D) above and the Paying Agent/Registrar shall authenticate and deliver substitute Bonds in lieu of such Undelivered Bonds (or portions thereof). Any Owner of Undelivered Bonds shall have no further right thereunder except the right to receive the Purchase Price thereof upon presentation and surrender of said Bond to the Tender Agent. The Tender Agent shall, as to any Undelivered Bonds, (A) promptly notify the Remarketing Agent of such nondelivery and (B) place a stop transfer against such Undelivered Bonds.

Multi-Mode Bonds which are required to be tendered by the Owners thereof for purchase by the Tender Agent but which are not in fact delivered for purchase on the date and at the time required and for which there has been deposited an amount sufficient to pay the Purchase Price thereof, shall cease to accrue interest on the tender date, and the Owner thereof shall not be entitled to any payment other than the Purchase Price for such Bond. Such Bond shall no longer be outstanding and entitled to the benefits of the Seventy-Second Supplement, except for the payment of the Purchase Price from the money held by the Tender Agent for such payment.

(b) Mandatory Tender Upon Fixed Rate Conversion.

(i) *Mandatory Tender Upon Conversion to Fixed Rate.* Any series of Multi-Mode Bonds to be converted to a Fixed Rate pursuant to Section 2.03 shall be subject to mandatory tender for purchase on the Fixed Rate Conversion Date (or, if such date is not a Business Day, the first Business Day thereafter) at the Purchase Price. The Owners of such Bonds shall not have the right to elect to retain their Bonds.

(ii) *Notice to Owners.* Any notice of conversion given to Owners pursuant to Section 2.03(c) shall, in addition to the requirements of such Section, state that Owners shall not have the right to waive mandatory tender and that Bonds not delivered to the Tender Agent for purchase on

the date specified in the notice shall be deemed tendered on such date and that after such date Owners will not be entitled to any payment (including interest to accrue subsequent to the required purchase date) other than the Purchase Price for such Undelivered Bonds and such Undelivered Bonds shall no longer be entitled to the benefits of this Seventy-Second Supplement.

(iii) *Remarketing*. The Remarketing Agent shall offer for sale and use its best efforts to find purchasers for the Bonds; provided that in no event shall the Remarketing Agent offer any such Bond for sale to any person unless the Remarketing Agent has advised such person of the fact that, after the Fixed Rate Conversion Date, the Bond will no longer be subject to tender. The terms of any sale by the Remarketing Agent shall provide for the payment of the Purchase Price to the Remarketing Agent of the tendered Bonds in immediately available funds at or before 9:30 a.m., New York City time on the Fixed Rate Conversion Date.

(iv) *Purchase of Tendered Bonds*. The provisions of Section 3.01(a)(ii) and (vi) shall apply to mandatory tenders pursuant to this Section 3.01(b).

(c) Mandatory Tender at end of Initial Rate Period.

(i) In the event that Bonds issued in the Initial Rate Period are not converted and remarketed to new purchasers on the applicable mandatory tender date as set forth in the applicable Pricing Certificate related to the series of Multi-Mode Bonds issued in the Initial Rate Period, LCRA shall have no obligation to purchase such Bonds tendered on such date, the failed conversion and remarketing shall not constitute an event of default under the Master Resolution, the Seventy-Second Supplement or such Bonds, the applicable mandatory tender will be deemed to have been rescinded for that date with respect to such series of Multi-Mode Bonds subject to such failed remarketing only, and such series of the Multi-Mode Bonds (i) will continue to be Outstanding, (ii) will be purchased upon the availability of funds to be received from the subsequent remarketing (or refunding) of such Bonds, (iii) will bear interest at the Stepped Rate during the Stepped Rate Period, (iv) will be subject to redemption and mandatory tender for purchase on any date during the Stepped Rate Period upon which a conversion occurs (which shall occur at LCRA's discretion upon delivery of at least one day's notice to the Owners thereof), and (v) will be deemed to continue in a Multiannual Rate Period for all other purposes of this Seventy-Second Supplement, though bearing interest during such time at the Stepped Rate until remarketed or redeemed in accordance with the terms of this Seventy-Second Supplement.

(ii) In the event of a failed conversion and remarketing as described in subsection (c)(i) above, LCRA will cause such Multi-Mode Bonds to be converted and remarketed on the earliest reasonably practicable date on which they can be sold at not less than par, in such interest rate mode or modes as LCRA directs, at a rate not exceeding the Multi-Mode Bond Maximum Interest Rate.

(iii) *Notice to Owners*. During the Initial Rate Period, any notice of a conversion or mandatory tender will be given to Owners by the Tender Agent to each Owner of the Bonds affected thereby by mail, first-class postage prepaid at least at least thirty (30) days, but not more than sixty (60) days, before the date of any conversion or mandatory tender. The Pricing Certificate may provide that LCRA may rescind, upon direction by an LCRA Officer, any such notice of mandatory tender so long as such rescission occurs at least one Business Day prior to the scheduled mandatory tender date. In the event of such rescission, the Bonds shall continue to bear interest at the Initial Rate through the remainder of the duration of the Initial Rate Period. The Owners of such Bonds shall not have the right to elect to retain their Bonds.
