WHEREAS, on September 22, 1999, the Board of Directors of LCRA (the "LCRA Board") adopted a Master Resolution Establishing the Lower Colorado River Authority Revenue Financing Program (referred to herein as the "LCRA Master Resolution"); and

WHEREAS, on February 19, 2003, the LCRA Board adopted an amended and restated "Controlling Resolution Establishing the Lower Colorado River Authority Transmission Contract Revenue Financing Program and Authorizing the Transmission Contract Revenue Debt Installment Payment Agreement with the LCRA Transmission Services Corporation" and on January 19, 2005 the LCRA Board adopted a resolution amending such resolution (collectively, the "Controlling Resolution"); and

WHEREAS, the Controlling Resolution establishes a contract revenue financing program pursuant to which LCRA can issue and enter into obligations, including bonds and other types of obligations, on behalf of the LCRA Transmission Services Corporation (the "Corporation"), a nonstock, nonprofit corporation, secured by and payable from a lien on and pledge of the certain revenues received by LCRA from the Corporation; and

WHEREAS, the capitalized terms used in this Fiftieth Supplement and not otherwise defined shall have the meanings given in the Controlling Resolution and Exhibit A hereto; and

WHEREAS, LCRA has certain authorized series of Transmission Contract Debt, including Transmission Bonds and Transmission Notes; and

WHEREAS, at the request of the Corporation and pursuant to the Controlling Resolution, including, specifically, Section 4.04 thereof, this Fiftieth Supplement and an Installment Agreement Supplement relating to a particular series or multiple series of bonds authorized by this Fiftieth Supplement between LCRA and the Corporation, supplementing the restated Transmission Contract Revenue Debt Installment Payment Agreement, dated as of March 1, 2003, between LCRA and the Corporation, as amended and supplemented (together with an Installment Agreement Supplement, the "Installment Payment Agreement"), LCRA finds and determines that it should issue, sell and

WHEREAS, pursuant to a request of the Corporation, the LCRA Board hereby finds and declares a public purpose and deems it advisable and in the best interests of LCRA to refund the Refunded Obligations (i) to achieve an economic savings in debt service payments related to the Refunded Bond Obligations and (ii) to provide certainty in debt service requirements, lock in interest rates in the current interest rate environment and reduce administrative costs related to short term debt, all in relation to the Refunded Note Obligations; and

WHEREAS, in accordance with Chapter 1207, the LCRA Board hereby finds and determines that the manner in which the refunding of the Refunded Note Obligations, is being executed makes it impracticable for the LCRA Board to determine the maximum amount by which the aggregate amount of payments to be made under the particular series of the Bonds exceeds the aggregate amount of payments that would have been made under the terms of the Refunded Note Obligations; and

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE LOWER COLORADO RIVER AUTHORITY THAT:

ARTICLE I
BONDS ISSUED UNDER TRANSMISSION
CONTRACT REVENUE FINANCING PROGRAM

Section 1.01. DEFINITIONS. (a) Definitions. In addition to the definitions set forth in the preamble of this Fiftieth Supplement, the capitalized terms used herein (except in the FORM OF BONDS set forth in Exhibit B hereto) and not otherwise defined shall have the meanings given in the Controlling Resolution or in Exhibit A to this Fiftieth Supplement. The recitals to this Fiftieth Supplement and the exhibits hereto are incorporated herein and made a part hereof for all purposes.

(b) Construction of Terms. If appropriate in the context of this Fiftieth Supplement, words of the singular number shall be considered to include the plural, words of the plural number shall be considered to include the singular, words of the masculine, feminine, or neuter gender shall be considered to include the other genders, and words importing persons shall include firms, associations, and corporations.

Section 1.02. ESTABLISHMENT OF FINANCING PROGRAM AND ISSUANCE OF TRANSMISSION CONTRACT DEBT. (a) Fiftieth Supplement. By adoption of the Controlling Resolution, LCRA has established the Lower Colorado River Authority Transmission Contract Revenue Financing Program for the purpose of providing a financing structure to be used by LCRA and the Corporation in carrying out LCRA's governmental functions as provided in the Controlling Resolution. The Controlling Resolution is intended to establish a master financing program under which contract revenue indebtedness of LCRA, supported by the Installment Payment Agreement and Installment Payment Agreement Supplements, can be incurred on behalf of the Corporation. This Fiftieth Supplement provides for the authorization, issuance, sale, execution, delivery, form, characteristics, provisions of payment and redemption, and security of the Bonds. This Fiftieth Supplement is subject to the terms of the Controlling Resolution that is incorporated herein by reference and as such made a part hereof for all purposes.

(b) Bonds Are Transmission Contract Debt. The Bonds are hereby declared to be a series of Transmission Contract Debt under the Controlling Resolution.

(c) Perfection. Pursuant to Section 1201.044, Texas Government Code, as amended, and Chapter 1208, Texas Government Code, the pledge, security and lien on the Installment Payments for the benefit of the Owners of the Bonds is hereby established and perfected for all purposes. The Owners of the Bonds shall never have the right to demand payment out of funds raised or to be raised by taxation, or from any source other than as specified in the Controlling Resolution or this Fiftieth Supplement.

Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of revenues granted by LCRA under this Fiftieth Supplement, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of revenues granted by LCRA under this Fiftieth Supplement is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then in order to preserve to the Owners of the Bonds the perfection of the security interest in said pledge, LCRA agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

Section 1.03. FIFTIETH SUPPLEMENT TO CONSTITUTE A CONTRACT; EQUAL SECURITY. In consideration of the acceptance of the Bonds by those who shall hold the same from time to time, this Fiftieth Supplement shall be deemed to be and shall constitute a contract between LCRA and the Owners from time to time of the Bonds, and the pledge made in this Fiftieth Supplement by LCRA and the covenants and agreements set forth in this Fiftieth Supplement to be performed by LCRA shall be for the equal and proportionate benefit, security and protection of all Owners from time to time of the Bonds, without preference, priority or distinction as to security or otherwise of any of the Bonds authorized hereunder over any of the other Bonds by reason of time of issuance, sale, or maturity thereof or otherwise for any cause whatsoever, except as expressly provided in or permitted by this Fiftieth Supplement and the Controlling Resolution.

Section 1.04. LIMITATION OF BENEFITS WITH RESPECT TO THIS FIFTIETH SUPPLEMENT. With the exception of the rights or benefits herein expressly conferred, nothing expressed or contained herein or implied from the provisions of this Fiftieth Supplement or the Bonds is intended or should be construed to confer upon or give to any person other than LCRA, the Corporation, the Owners and the Paying Agent/Registrar, any legal or equitable right, remedy, or claim under or by reason of or in respect to this Fiftieth Supplement or any covenant, condition, stipulation, promise, agreement, or provision herein contained. This Fiftieth Supplement and all of the covenants, conditions, stipulations, promises, agreements, and provisions hereof are intended to be and shall be for and inure to the sole and exclusive benefit of LCRA, the Corporation, the Owners and the Paying Agent/Registrar as herein provided.

It is further provided, however, that, notwithstanding the foregoing provisions, a series of the Bonds shall not be delivered unless prior to delivery, such Bonds have been rated by a nationally recognized rating agency for municipal securities in one of the four highest rating categories for long-term obligations, as required by the Acts.

(c) Negotiated Sale of the Bonds. In the event that the LCRA Officer determines that the Bonds are to be sold by a negotiated sale, such sale may be through a private placement, an underwriting or any other type of negotiated sale as determined by the LCRA Officer. The LCRA Officer may determine the purchaser of the Bonds, including selection of a syndicate of investment banks and underwriters, including any selection of a senior managing underwriter for the Bonds (collectively, the "Underwriters"). The Bonds shall be sold and delivered to purchaser or purchasers thereof at the price and with the terms set forth in the Pricing Certificate and pursuant to the terms and provisions of a bond purchase agreement, placement agreement or other type of purchase agreement. The LCRA Officer, acting for and on behalf of the Board, is authorized to enter into and carry out a purchase agreement relating to the Bonds in the form acceptable to the LCRA Officer.

(d) Competitive Sale and Notice of Sale Relating to the Bonds. In the event that the LCRA Officer determines that the Bonds are to be sold by a competitive sale, the LCRA Officer shall cause to be prepared a notice of sale and official statement in such manner as the LCRA Officer deems appropriate, to make the notice of sale and official statement available to those institutions and firms wishing to submit a bid for the Bonds, to receive such bids, and to award the sale of the Bonds to the bidder submitting the best bid in accordance with the provisions of the notice of sale.

(e) General. The Bonds (i) may be redeemed prior to the respective scheduled maturity dates, (ii) may be assigned and transferred, (iii) may be exchanged for other Bonds, (iv) shall have the characteristics, and (v) shall be signed and sealed and the principal of and interest on the Bonds shall be payable, all as provided, and in the manner required or indicated, in this Fiftieth Supplement, including the FORM OF BONDS set forth in Exhibit B to this Fiftieth Supplement and with such changes and additions as required to be consistent with the provisions shown in the Pricing Certificate relating to the Bonds.

(f) Interest. The Current Interest Bonds shall bear interest calculated on the basis of a 360-day year composed of twelve 30-day months from the dates specified in the FORM OF BONDS set forth in Exhibit B to this Fiftieth Supplement to their respective dates of maturity or redemption at the rates per annum set forth in the Pricing Certificate.

The Capital Appreciation Bonds shall bear interest from the Issuance Date, calculated on the basis of a 360-day year composed of twelve 30-day months (subject to rounding to the Compounded Amounts thereof), compounded semiannually on the dates set forth in the Pricing Certificate (the "Compounding Dates") commencing on the date set forth in the Pricing Certificate, and payable, together with the principal amount thereof, in the manner provided in the Form of Bonds at the rates set forth in the Pricing Certificate. Attached to the Pricing Certificate, if Capital Appreciation Bonds are to be issued, shall be an exhibit (the "Compounded Amount Table") that will set forth the rounded original principal amounts at the Issuance Date for the Capital Appreciation Bonds and the

Compounded Amounts and Maturity Amounts thereof (per a minimum Authorized Denomination of Maturity Amount) as of each Compounding Date, commencing the date set forth in the Pricing Certificate, and continuing until the final maturity of such Capital Appreciation Bonds. The Compounded Amount with respect to any date other than a Compounding Date is the amount set forth on the Compounded Amount Table with respect to the last preceding Compounding Date, plus the portion of the difference between such amount and the amount set forth on the Compounded Amount Table with respect to the next succeeding Compounding Date that the number of days (based on 30-day months) from such last preceding Compounding Date to the date for which such determination is being calculated bears to the total number of days (based on 30-day months) from such last preceding Compounding Date to the next succeeding Compounding Date.

(g) Payments on Holidays. In the event that any date for payment of the principal or interest on the Bonds is a Saturday, Sunday, legal holiday or day on which banking institutions in the city where the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment will be the next succeeding day that is not a Saturday, Sunday, legal holiday, or day on which such banking institutions are authorized to close. Payment on such later date will not increase the amount of interest due and will have the same force and effect as if made on the original date payment was due.

(h) Delegation to Establish Sinking Fund for Balloon Debt. In the event that an LCRA Officer determines to issue Bonds that constitute Balloon Debt, an LCRA Officer may upon determining that it is in the best interests of LCRA provide in the Pricing Certificate for (i) the establishment of a sinking fund for such Balloon Debt, (ii) the accumulation of amounts in such sinking fund either by a fixed schedule stated in such Pricing Certificate or by a formula setting forth the amount and timing of required contributions that in each case is sufficient to provide for the payment of all amounts due on such Balloon Debt, and (iii) any restrictions with respect to such sinking fund, including the investment thereof, necessary to ensure compliance with any applicable provisions of the Code.

Section 2.03. PAYMENT OF BONDS; PAYING AGENT/REGISTRAR. The principal of, premium, if any, and the interest on the Bonds shall be payable, without exchange or collection charges to the Owner thereof, in any coin or currency of the United States of America that at the time of payment is legal tender for the payment of public and private debts.

LCRA shall keep or cause to be kept at the principal corporate trust office of such eligible institution as may be selected by the Pricing Officer in the Pricing Certificate to serve as paying agent/registrar for the Bonds. By accepting the appointment as Paying Agent/Registrar, the Paying Agent/Registrar acknowledges receipt of copies of the Controlling Resolution, this Fiftieth Supplement and the Installment Payment Agreement, and is deemed to have agreed to the provisions of thereof and hereof. LCRA agrees and covenants to cause to be kept and maintained at the principal trust office of the Paying Agent/Registrar a Security Register, all as provided herein, in accordance with the terms and provisions of the Paying Agent/Registrar Agreement and such reasonable rules and regulations as the Paying Agent/Registrar and LCRA may prescribe. In addition, to the extent required by law, LCRA covenants to cause to be kept and maintained the

Security Register or a copy thereof in the State of Texas. LCRA expressly reserves the right to appoint one or more successor Paying Agent/Registrars, by filing with the Paying Agent/Registrar a certified copy of a resolution of the LCRA Board making such appointment. LCRA further expressly reserves the right to terminate the appointment of the Paying Agent/Registrar by filing a certified copy of a resolution of the LCRA Board giving notice of LCRA's termination of LCRA's agreement with such Paying Agent/Registrar and appointing a successor. LCRA covenants to maintain and provide a Paying Agent/Registrar at all times until the Bonds are paid and discharged, and any successor Paying Agent/Registrar shall be a bank, trust company, financial institution, or other entity duly qualified and legally authorized to serve as and perform the duties and services of Paying Agent/Registrar for the Bonds. If a Paying Agent/Registrar is replaced, such Paying Agent/Registrar, promptly upon the appointment of the successor, will deliver the Security Register (or a copy thereof) and all other pertinent books and records relating to the Bonds to the successor Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar, LCRA agrees promptly to cause a written notice thereof to be sent to each Owner by United States mail, first-class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

The principal of, premium, if any, and interest on the Bonds due and payable by reason of maturity, redemption, or otherwise, shall be payable only to the Owner thereof appearing on the Security Register, and, to the extent permitted by law, neither LCRA, the Corporation nor the Paying Agent/Registrar, nor any agent of either, shall be affected by notice to the contrary.

Principal of, and premium, if any, on the Bonds, shall be payable only upon the presentation and surrender of said Bonds to the Paying Agent/Registrar at its principal office. Interest on the Bonds shall be paid to the Owner whose name appears in the Security Register at the close of business on the Record Date and shall be paid (i) by check sent on or prior to the appropriate date of payment by United States mail, first-class postage prepaid, by the Paying Agent/Registrar to the address of the Owner appearing in the Security Register on the Record Date or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested in writing by, and at the risk and expense of, the Owner.

In the event of a nonpayment of interest on a scheduled payment date on a Current Interest Bond, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from LCRA. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each Owner of a Current Interest Bond appearing on the Security Register at the close of business on the last business day immediately preceding the date of mailing of such notice.

Section 2.04. REDEMPTION. (a) Generally. The Bonds shall be subject to redemption prior to scheduled maturity at such times and with such provisions as provided in the Pricing Certificate.

(b) Notices of Redemption. (i) Subject to any notice of redemption set forth in the FORM OF BONDS, LCRA shall give notice of redemption to the Paying Agent/Registrar at least 35 days prior to a redemption date in the case of a redemption (unless a lesser period is acceptable to the Paying Agent/Registrar) and the Paying Agent/Registrar shall give notice of redemption or of defeasance of Bonds by mail, first-class postage prepaid at least thirty (30) days prior to a redemption date to each registered securities depository and to any national information service that disseminates such notices. The Paying Agent/Registrar shall also send a notice of prepayment or redemption to the registered owner of any Bond who has not sent the Bonds in for redemption sixty (60) days after the redemption date..

(ii) Each notice of redemption whether required in the FORM OF BONDS or in this Section, shall contain a description of the Bonds to be redeemed including the complete name of the Bonds, the date of issue, the interest rate, the maturity date, the CUSIP number, the certificate numbers, the amounts called of each certificate, the publication and mailing date for the notice, the date of redemption, the redemption price, if any, the name of the Paying Agent/Registrar, and the address at which the Bonds may be redeemed, including a contact person telephone number.

(iii) All redemption payments made by the Paying Agent/Registrar to the registered owners of the Bonds shall include a CUSIP number relating to each amount paid to such registered owner.

(c) Conditional Notice of Redemption. With respect to any optional redemption of the Bonds, unless certain prerequisites to such redemption required by the Controlling Resolution or this Fiftieth Supplement have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent prior to the giving of such notice of redemption, such notice shall state that said redemption may, at the option of LCRA, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, LCRA shall not redeem such Bonds and the Paying Agent shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

Any Bond may, in accordance with its terms and the terms hereof, be transferred or exchanged for Bonds in Authorized Denominations upon the Security Register by the Owner, in person or by his duly authorized agent, upon surrender of such Bond to the Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Owner or by his duly authorized agent, in form satisfactory to the Registrar.

Upon surrender for transfer of any Bond at the principal office of the Registrar, there shall be registered and delivered in the name of the designated transferee or transferees, one or more new Bonds, executed on behalf of, and furnished by, LCRA, of Authorized Denominations and having the same Maturity and of a like aggregate principal amount as the Bond or Bonds surrendered for transfer.

At the option of the Owner, Bonds may be exchanged for other Bonds of Authorized Denominations and having the same Maturity, bearing the same rate of interest, and of like aggregate principal amount as the Bonds surrendered for exchange, upon surrender of the Bonds to be exchanged at the principal office of the Registrar. Whenever any Bonds are so surrendered for exchange, there shall be registered and delivered new Bonds executed on behalf of, and furnished by, LCRA to the Owner requesting the exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be delivered at the principal office of the Registrar or sent by United States Mail, first-class, postage prepaid to the Owners or the designee thereof, and, upon the registration and delivery thereof, the same shall be the valid obligations of LCRA, evidencing the same debt, and entitled to the same benefits under the Controlling Resolution and this Fiftieth Supplement, as the Bonds surrendered in such transfer or exchange.

All transfers or exchanges of Bonds pursuant to this Section shall be made without expense or service charge to the Owner, except as otherwise herein provided, and except that the Registrar shall require payment by the Owner requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Bonds canceled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be "Predecessor Bonds," evidencing all or a portion, as the case may be, of the same debt evidenced by the new Bond or Bonds registered and delivered in the exchange or transfer therefor. Additionally, the term "Predecessor Bonds" shall include any mutilated Bond that is surrendered to the Paying Agent/Registrar or any Bond satisfactory evidence of the loss of which has been received by LCRA and the Paying Agent/Registrar and, in either case, in lieu of which a Bond or Bonds have been registered and delivered pursuant to Section 3.05 hereof.

Neither LCRA nor the Registrar shall be required to issue or transfer to an assignee of a Owner any Bond called for redemption, in whole or in part, within forty-five (45) days of the date fixed for the redemption of such Bond; provided, however, such limitation of transfer shall not be applicable to an exchange by the Owner of the unredeemed balance of a Bond called for redemption in part.

(b) Ownership of Bonds. The entity in whose name any Bond shall be registered in the Security Register at any time shall be deemed and treated as the absolute owner thereof for all purposes of this Fiftieth Supplement, whether or not such Bond shall be overdue, and, to the extent permitted by law, LCRA, the Corporation, the LCRA Board and the Paying Agent/Registrar shall not be affected by any notice to the contrary; and payment of, or on account of, the principal of,

premium, if any, and interest on any such Bond shall be made only to such registered owner. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(c) Book-Entry-Only System. The Bonds issued in exchange for the Initial Bond issued as provided in Section 2.06 shall be issued in the form of a separate single fully-registered Bond for each of the maturities thereof registered in the name of Cede & Co., as nominee of DTC, and except as provided in this subsection (c), all of the Outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, LCRA, and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, LCRA and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a Owner as shown on the Security Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than a Owner as shown on the Security Register, of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Fiftieth Supplement to the contrary but to the extent permitted by law, LCRA and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Security Register as the absolute owner of such Bond for the purpose of payment of principal, premium, if any, and interest, with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the Owners, as shown in the Security Register as provided in this Fiftieth Supplement, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge LCRA's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than a Owner, as shown in the Security Register, shall receive a Bond certificate evidencing the obligation of LCRA to make payments of principal, premium, if any, and interest pursuant to this Fiftieth Supplement. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Fiftieth Supplement with respect to interest checks being mailed to the Owner at the close of business on the Record Date the words "Cede & Co." in this Fiftieth Supplement shall refer to such new nominee of DTC.

(d) Successor Securities Depository; Transfers Outside Book-Entry-Only System. In the event that LCRA determines to discontinue the book-entry-only system through DTC or a successor or DTC determines to discontinue providing its services with respect to the Bonds, LCRA shall either (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository, and transfer one or more separate Bonds to such

successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Security Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Fiftieth Supplement.

(e) Payments to Cede & Co. Notwithstanding any other provision of this Fiftieth Supplement to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the representation letter of LCRA to DTC.

Section 2.06. INITIAL BOND. The Bonds shall initially be issued as a fully registered bond, being one bond (or two bonds, being one initial Current Interest Bond and one initial Capital Appreciation Bond, if both such bonds are issued) for each series of the Bonds (singularly or collectively, the "Initial Bond"). The Initial Bond shall be registered in the name of the initial purchaser as set forth in the Pricing Certificate. The Initial Bond shall be submitted to the Office of the Attorney General of the State of Texas for approval and registration by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Immediately after the delivery of the Initial Bond on the closing date, the Registrar shall cancel the Initial Bond and exchange therefor Bonds in the form of a separate single fully-registered Bond for each of the maturities thereof registered in the name of Cede & Co., as nominee of DTC and, except as provided in Section 2.05(d), all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

Section 2.07. FORM OF BONDS. The Bonds (including the Initial Bond), the Registration Certificate of the Comptroller of Public Accounts of the State of Texas or the Authentication Certificate, and the form of Assignment to be printed on each of the Bonds shall be substantially in the forms set forth in Exhibit B to this Fiftieth Supplement with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Fiftieth Supplement and the Pricing Certificate, may have such letters, numbers, or other marks of identification and such legends and endorsements (including any reproduction of an opinion of counsel and information regarding the issuance of any bond insurance policy) thereon as may, consistently herewith, be established by LCRA or determined by the officers executing such Bonds as evidenced by their execution thereof. Any portion of the text of any Bonds may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Bond.

The Bonds shall be typewritten, photocopied, printed, lithographed, engraved, or produced in any other similar manner, all as determined by the officers executing such Bonds as evidenced by their execution thereof.

ARTICLE III
EXECUTION; REPLACEMENT OF BONDS;
AND BOND INSURANCE

Section 3.01. EXECUTION AND REGISTRATION. The Bonds shall be executed on behalf of LCRA by the Chair or Vice Chair of the LCRA Board under its seal reproduced or impressed thereon and attested by the Secretary of the LCRA Board. The signature of said officers on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who are or were the proper officers of the LCRA Board as of their authorization shall be deemed to be duly executed on behalf of LCRA, notwithstanding that such individuals or either of them shall cease to hold such offices at the time of delivery of the Bonds to the initial purchaser(s) and with respect to Bonds delivered in subsequent exchanges and transfers, all as authorized and provided in Chapter 1201, Texas Government Code, as amended.

No Bond shall be entitled to any right or benefit under this Fiftieth Supplement, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of registration substantially in the form provided in Exhibit B to this Fiftieth Supplement, executed by the Comptroller of Public Accounts of the State of Texas or its duly authorized agent in the manner provided by State law, or the Paying Agent/Registrar's Authentication Certificate substantially in the form provided in Exhibit B to this Fiftieth Supplement executed by the manual signature of an authorized officer or employee of the Registrar, and either such certificate duly signed upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly certified, registered and delivered.

Section 3.02. CONTROL AND CUSTODY OF BONDS. The LCRA Officer shall be and is hereby authorized to take and have charge of all necessary orders and records pending investigation and examination by the Attorney General of the State of Texas, including the printing and supply of printed Bonds, and shall take and have charge and control of the Initial Bond pending the approval thereof by the Attorney General, the registration thereof by the Comptroller of Public Accounts, and the delivery thereof to the initial purchaser(s).

Furthermore, any one or more of the Chair and Secretary of the LCRA Board, the General Manager, the Chief Financial Officer, the Treasurer, the General Counsel, and the other officers and employees of LCRA are hereby authorized and directed to furnish and execute such documents relating to LCRA and its financial affairs as may be necessary for the issuance of the Bonds, the approval of the Attorney General, and the registration by the Comptroller of Public Accounts and, together with LCRA's Bond Counsel and the Paying Agent/Registrar, make the necessary arrangements for the delivery of the Initial Bond to the initial purchaser(s) and the initial exchange thereof for Bonds other than the Initial Bond.

Section 3.03. OPINION. The initial purchaser(s)' obligation to accept delivery of the Bonds is subject to the initial purchaser(s) being furnished the final opinion of McCall, Parkhurst & Horton L.L.P. approving the Bonds as to their validity, said opinion to be dated and delivered as of the date of delivery and payment for the Bonds.

Section 3.04. CUSIP NUMBERS. CUSIP numbers may be printed or typed on the Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the Bonds shall be of no significance or effect as regards the legality thereof and neither LCRA nor attorneys approving the Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed or typed on the Bonds.

Section 3.05. MUTILATED, DESTROYED, LOST, AND STOLEN BONDS. If (i) any mutilated Bond is surrendered to the Paying Agent/Registrar, or LCRA and the Paying Agent/Registrar receive evidence to their satisfaction of the destruction, loss, or theft of any Bond, and (ii) there is delivered to LCRA and the Paying Agent/Registrar such security or indemnity as may be required to save each of them harmless, then, in the absence of notice to LCRA or the Paying Agent/Registrar that such Bond has been acquired by a bona fide purchaser, LCRA shall execute and, upon its request, the Paying Agent/Registrar shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Bond, a new Bond of the same series, same Maturity and of like tenor and principal amount, bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost, or stolen Bond has become or is about to become due and payable, LCRA in its discretion may, instead of issuing a new Bond, pay such Bond and the interest due thereon to the date of payment.

Upon the issuance of any new Bond under this Section, LCRA may require payment by the Owner of a sum sufficient to cover any tax or other governmental charge imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent/Registrar) connected therewith.

Every new Bond issued pursuant to this Section in lieu of any mutilated, destroyed, lost, or stolen Bond shall constitute a replacement of the prior obligation of LCRA, whether or not the mutilated, destroyed, lost, or stolen Bond shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Fiftieth Supplement equally and ratably with all other Outstanding Bonds.

Section 3.06. BOND INSURANCE. In connection with the sale of each series of the Bonds, LCRA may obtain municipal bond insurance policies from one or more recognized municipal bond insurance organizations (the "Bond Insurer" or "Bond Insurers") to guarantee the full and complete payment required to be made by or on behalf of LCRA and the Corporation on those Bonds so designated in the Pricing Certificate, as provided in Section 2.02(b) hereof. The General Manager, the Chief Financial Officer, the Treasurer or the General Counsel of LCRA are hereby authorized to sign a commitment letter with the Bond Insurer or Bond Insurers and to pay the premium for the bond insurance policies at the time of the delivery of the Bonds to the initial purchaser(s) out of the proceeds of sale of the Bonds or from other available funds and to execute such other documents and certificates as necessary in connection with the bond insurance policies as they may deem appropriate. Printing on the Bonds covered by the bond insurance policies a statement describing such insurance, in form and substance satisfactory to the Bond Insurer and the General Manager, the Chief Financial Officer, the Treasurer or the General Counsel of LCRA, is

hereby approved and authorized. The Pricing Certificate may contain provisions related to the bond insurance policies, including payment provisions thereunder, and the rights of the Bond Insurer or Insurers, and any such provisions shall be read and interpreted as an integral part of this Fiftieth Supplement.

Provided a Bond Insurer is not in default on the related bond insurance policy for the Bonds, the Bond Insurer shall be deemed to be the sole Owner of such Bonds insured by it for all purposes of this Fiftieth Supplement and the Controlling Resolution, including initiation by the Owners of any action taken pursuant to the provisions of Section 5.02 of the Controlling Resolution, and except with respect to those amendments set forth in Section 6.02(a)(i) through (vi), in which case the consent of the Bond Insurer will be required in addition to the consents of the Owners of the Bonds as provided in Section 6.02. LCRA shall provide the Bond Insurer with any notice or other information furnished other parties pursuant to this Fiftieth Supplement.

ARTICLE IV PAYMENTS, DEBT SERVICE RESERVE FUND AND REBATE FUND

Section 4.01. PAYMENTS. (a) Accrued Interest. Immediately after the delivery of a series of the Bonds, the LCRA Board shall deposit all accrued interest received from the sale and delivery of such Bonds, if any, to the credit of the Debt Service Fund to be held to pay interest on such Bonds on the first interest payment date.

(b) Debt Service Payments. Semiannually on or before each principal or interest payment date while any of the Bonds are outstanding and unpaid, commencing on the first interest payment date for the Bonds as provided in the Pricing Certificate, LCRA shall make available to the Paying Agent/Registrar from funds on deposit in the Debt Service Fund and, if necessary, in the Debt Service Reserve Fund, money sufficient to pay such interest on and such principal of the Bonds as will accrue or mature, or be subject to mandatory redemption prior to maturity, on such principal, redemption, or interest payment date. The Paying Agent/Registrar shall cancel all paid Bonds and shall furnish LCRA with an appropriate certificate of cancellation.

Section 4.02. DEBT SERVICE RESERVE FUND. (a) To accumulate and maintain a reserve for the payment of one or more series of the Bonds equal to one half of the Maximum Annual Debt Service Requirements of such Bonds (the "Required Reserve Amount"), a separate and special account or fund known as the "Lower Colorado River Authority Transmission Contract _____ Revenue Bonds (LCRA Transmission Services Corporation Project), Series ____ Debt Service Reserve Fund" (the "Debt Service Reserve Fund") is hereby created, benefitting such series or group of series of Bonds, with the title of such Debt Service Reserve Fund determined by the LCRA Officer as set forth in the Pricing Certificate relating to such Bonds. The Debt Service Reserve Fund shall be initially cash, or Reserve Fund Obligations or any combination thereof, funded with a portion of the proceeds of the related series of the Bonds pursuant to Section 7.01 hereof, and as determined in the Pricing Certificate. Earnings and income derived from the investment of amounts held for the credit of the Debt Service Reserve Fund shall be retained in the Debt Service Reserve Fund until the Debt Service Reserve Fund contains the Required Reserve

Amount; thereafter, such earnings and income shall be deposited to the credit of the Construction Fund for the completion of any Project (as defined in the Installment Payment Agreement). As provided in Section 2.04 of the Controlling Resolution, LCRA shall deposit and credit to the Debt Service Reserve Fund amounts required to maintain the balance in the Debt Service Reserve Fund in an amount equal to the Required Reserve Amount. The Required Reserve Amount shall be calculated and determined by LCRA as of (i) the date of delivery of the respective series of the Bonds, (ii) the last day of each Fiscal Year and (iii) the date of delivery of any indebtedness issued to refund all or a portion of the respective series of the Bonds; provided that for any such calculation that involves a partial Fiscal Year, such partial Fiscal Year shall be treated as an entire Fiscal Year. There shall be deposited into the Debt Service Reserve Fund any Reserve Fund Obligations so designated by LCRA. All funds, investments and any Reserve Fund Obligations on deposit and credited to the Debt Service Reserve Fund shall be used solely (i) to pay the principal of and interest on the respective series of the Bonds, when and to the extent other funds available for such purposes are insufficient, (ii) to make Reserve Fund Obligation Payments and (iii) to retire the last Stated Maturity or Stated Maturities of, premium, if any, or interest on the respective series of the Bonds.

(b) When and for so long as the aggregate amount of the cash, the amortized cost of investments and any Reserve Fund Obligations in the Debt Service Reserve Fund equals the Required Reserve Amount, no deposits need be made to the credit of the Debt Service Reserve Fund; but, if and when the aggregate amount of the cash, the amortized cost of investments and any Reserve Fund Obligations in the Debt Service Reserve Fund at any time is less than the Required Reserve Amount, LCRA covenants and agrees that LCRA shall cure the deficiency in the Debt Service Reserve Fund, but only from Installment Payments remaining after any required deposits into the Debt Service Fund have been made and except as otherwise provided in this Section 4.02, by instituting deposits into such fund from such Installment Payments in accordance with Section 2.04 of the Controlling Resolution by monthly deposits and credits in amounts equal to not less than 1/24th of the Required Reserve Amount with any such deficiency payments being made until the Required Reserve Amount has been fully restored; provided, however, that no such deposits shall be made into the Debt Service Reserve Fund during any period until there has been deposited into the Debt Service Fund the full amount required to be deposited therein by the next following interest payment date or principal payment date, as the case may be, for the Bonds. In addition, in the event that a portion of the Required Reserve Amount is represented by a Reserve Fund Obligation, the portion of the Required Reserve Amount represented by such Reserve Fund Obligation shall be restored as soon as possible from monthly deposits of Installment Payments in accordance with Section 2.04 of the Controlling Resolution, but subject to making the full deposits and credits to the Debt Service Fund required to be made by the next following interest payment date or principal payment date, as the case may be, for the Bonds. LCRA further covenants and agrees that, subject only to the prior deposits and credits to be made to the Debt Service Fund, the Installment Payments shall be applied and appropriated and used to establish and maintain the Required Reserve Amount (including by first paying any Reserve Fund Obligation Payments related to the Reserve Fund Obligation portion of the Debt Service Reserve Fund when due and then restoring the cash portion of the Required Reserve Amount) and any reserve established for the benefit of any other issue or series of Transmission Contract Debt and to cure any deficiency in such amounts as required by the terms of this Fiftieth Supplement and any other resolution pertaining to the issuance of Transmission Contract Debt, all on an equal and pro-rata basis unless any such reserve related to an issue or series of Transmission Contract Debt is expressly junior and subordinate to the Debt Service Reserve Fund established herein.

During such time as the Debt Service Reserve Fund contains the Required Reserve Amount or any cash is replaced with a Reserve Fund Obligation pursuant to subsection (c) below, LCRA may, at its option and with the prior written consent of the Corporation, withdraw all surplus funds in the Debt Service Reserve Fund and deposit such surplus in the Debt Service Fund, deposit such surplus in the Construction Fund for the completion of any Project (as defined in the Installment Payment Agreement) or, to the extent the Debt Service Reserve Fund was funded with funds other than proceeds of the Bonds, otherwise use such surplus (or allocable portion thereof) in any manner permitted by law.

(c) A Reserve Fund Obligation issued in an amount equal to all or part of the Required Reserve Amount for the Bonds may be used in lieu of depositing cash into the Debt Service Reserve Fund. In addition, with the prior written consent of the Corporation, a Reserve Fund Obligation may be substituted for monies and investments or existing Reserve Fund Obligations in the Debt Service Reserve Fund if the substitution of the Reserve Fund Obligation will not, in and of itself, cause any ratings then assigned to the Bonds by any Rating Agency to be lowered, the Reserve Fund Obligation is approved by the Texas Attorney General, if then required by State law, and the resolution authorizing the substitution of the Reserve Fund Obligation for all or part of the Required Reserve Amount contains a finding that such substitution is cost effective.

(d) A Reserve Fund Obligation permitted under subsections (a) and (c) above, must meet the requirements described below.

(1) Any Reserve Fund Obligation Payment shall be made from the deposits made to the Debt Service Reserve Fund as provided in this Section. The Reserve Fund Obligation shall provide for a revolving feature under which the amount available thereunder will be reinstated to the extent of any reimbursement of draws or claims paid. If the revolving feature is suspended or terminated for any reason, the right of the issuer of the Reserve Fund Obligation to a Reserve Fund Obligation Payment will be subordinated to the cash replenishment of the Debt Service Reserve Fund to an amount equal to the difference between the full original amount available under the Reserve Fund Obligation and the amount then available for further draws or claims. In the event (i) the issuer of a Reserve Fund Obligation becomes insolvent, or (ii) no Rating Agency rates the issuer of a Reserve Fund Obligation defaults in its payment obligations thereunder, or (iii) the rating of the issuer of the Reserve Fund Obligation associated with such obligation equal to or above the fourth highest generic rating category (i.e., "BBB" or "Baa") by a Rating Agency, the obligation to make any Reserve Fund Obligation Payment to the issuer of the Reserve Fund Obligation shall be subordinated to the cash replenishment of the Debt Service Reserve Fund.

(2) In the event that either (i) the revolving reinstatement feature described in the preceding paragraph is suspended (and continuing) or terminated, (ii) no Rating Agency rates the rating of the issuer of the Reserve Fund Obligation associated with such obligation equal to or above the fourth highest generic rating category (i.e., "BBB" or "Baa"), (iii) the issuer of the Reserve Fund Obligation defaults in its payment obligations thereunder, or (iv) the

issuer of the Reserve Fund Obligation becomes insolvent, LCRA shall within six months of such occurrence either, only to the extent Installment Payments are available, (A) institute equal monthly deposits into the Debt Service Reserve Fund, in accordance with this Section, an amount sufficient to cause the cash and investments on deposit in the Debt Service Reserve Fund to accumulate to the Required Reserve Amount within 24 months from such initial monthly deposit, or (B) replace such instrument with a Reserve Fund Obligation meeting the requirements of this Section. Upon replacement, LCRA may terminate the existing Reserve Fund Obligation in accordance with its terms.

(3) The Paying Agent/Registrar shall ascertain the necessity for a claim or draw upon any Reserve Fund Obligation and provide notice to the issuer of the Reserve Fund Obligation in accordance with its terms not later than three days (or such appropriate time period as will, when combined with the timing of required payment under the Reserve Fund Obligation, ensure payment under the Reserve Fund Obligation on or before the applicable interest payment date or principal payment date) prior to each date upon which the principal of or interest on the Bonds will be due.

(e) After first utilizing any cash and investments in the Debt Service Reserve Fund, draws upon one or more Reserve Fund Obligations within the Debt Service Reserve Fund shall be made on a pro-rata basis and deposits to the Debt Service Reserve Fund to restore such fund to the Required Reserve Amount shall be applied first to pay, on a pro-rata basis, Reserve Fund Obligation Payments to reimburse the issuers of such Reserve Account Obligations, thus restoring that portion of the Required Reserve Amount, and then to restore the cash portion of the Required Reserve Amount, all pursuant to this Fiftieth Supplement and the terms of the respective Reserve Fund Obligations.

Section 4.03. REBATE FUND. A separate and special fund or account to be known as the Rebate Fund is hereby established by LCRA pursuant to the requirements of Section 148(f) of the Code and the tax covenants of LCRA contained in Section 5.01(i) of this Fiftieth Supplement for the benefit of the United States of America and LCRA, as their interests may appear pursuant to this Fiftieth Supplement. Such amounts shall be deposited therein and withdrawn therefrom as is necessary to comply with the provisions of Section 5.01.

ARTICLE V COVENANTS REGARDING TAX EXEMPTION

Section 5.01. COVENANTS REGARDING TAX EXEMPTION. LCRA covenants to take any action necessary to assure, and to refrain from any action which would adversely affect, the treatment of the Tax-Exempt Bonds as obligations described in Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, LCRA covenants as follows:

(a) to take any action to assure that no more than 10 percent of the proceeds of the Tax-Exempt Bonds, the projects being financed therewith or the projects financed with the proceeds of the obligations being refunded by the Tax-Exempt Bonds (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in Section 141(b)(6) of the Code or, if more than 10 percent of the proceeds of the Tax-Exempt Bonds, the projects being financed therewith or the projects financed with the proceeds of the obligations being refunded by the Tax-Exempt Bonds are so used, such amounts, whether or not received by LCRA, with respect to such private business use, do not, under the terms of this Fiftieth Supplement or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Tax-Exempt Bonds, in contravention of Section 141(b)(2) of the Code;

(b) to take any action to assure that no amount in excess of the lesser of 10 percent of the proceeds of the Tax-Exempt Bonds or \$15 million is used by non-governmental persons on a basis other than as a member of the general public with respect to any output facility (other than a facility for the furnishing of water, within the meaning of Section 141(b)(3) of the Code);

(c) to take any action to assure that in the event that the "private business use" described in subsection (a) hereof exceeds 5 percent of the proceeds of the Tax-Exempt Bonds or the projects financed or refinanced therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of Section 141(b)(3) of the Code, to the governmental use;

(d) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Tax-Exempt Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of Section 141(c) of the Code;

(e) to refrain from taking any action which would otherwise result in the Tax-Exempt Bonds being treated as "private activity bonds" within the meaning of Section 141(b) of the Code;

(f) to refrain from taking any action that would result in the Tax-Exempt Bonds being "federally guaranteed" within the meaning of Section 149(b) of the Code;

(g) to refrain from using any portion of the proceeds of the Tax-Exempt Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in Section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Tax-Exempt Bonds, other than investment property acquired with --

(i) proceeds of the Tax-Exempt Bonds invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 90 days or less until such proceeds are needed for the purpose for which the Tax-Exempt Bonds are issued,

(ii) amounts invested in a bona fide debt service fund, within the meaning of Section 1.148-1(b) of the Treasury Regulations, and

(iii) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Tax-Exempt Bonds;

(h) to otherwise restrict the use of the proceeds of the Tax-Exempt Bonds or amounts treated as proceeds of the Tax-Exempt Bonds, as may be necessary, so that the Tax-Exempt Bonds do not otherwise contravene the requirements of Section 148 of the Code (relating to arbitrage);

(i) to refrain from using the proceeds of the Tax-Exempt Bonds or proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Tax-Exempt Bonds in contravention of the requirements of Section 149(d) of the Code (relating to advance refundings);

(j) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Tax-Exempt Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of Section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Tax-Exempt Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under Section 148(f) of the Code; and

(k) to establish reasonable expectations to prevent using the proceeds of the Tax-Exempt Bonds in contravention of the requirements of Section 149(g) of the Code (relating to hedge bonds).

LCRA understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of issuance of the Tax-Exempt Bonds. It is the understanding of LCRA that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Tax-Exempt Bonds, LCRA will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of Bond Counsel, will not adversely affect the exemption from federal income taxation of interest on the Tax-Exempt Bonds under Section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Tax-Exempt Bonds, LCRA agrees to comply with the additional requirements to the extent necessary, in the opinion of Bond Counsel, to preserve the exemption from federal income taxation

of interest on the Tax-Exempt Bonds under Section 103 of the Code. In furtherance of such intention, LCRA hereby authorizes and directs the Chief Financial Officer, the Treasurer or the General Counsel of LCRA to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of LCRA, which may be permitted by the Code as are consistent with the purpose for the issuance of the Tax-Exempt Bonds.

This resolution is intended to satisfy the official intent requirements set forth in Section 1.150-2 of the Treasury Regulations.

Section 5.02. ALLOCATION OF, AND LIMITATION ON, EXPENDITURES FOR THE PROJECT. LCRA covenants to account for the expenditure of sale proceeds and investment earnings to be used for the purposes described in Section 1 of this Forty-Ninth Supplement (the "Project") on its books and records in accordance with the requirements of the Internal Revenue Code. LCRA recognizes that in order for the proceeds to be considered used for the reimbursement of costs, the proceeds must be allocated to expenditures within 18 months of the later of the date that (1) the expenditure is made, or (2) the Project is completed; but in no event later than three years after the date on which the original expenditure is paid. The foregoing notwithstanding, LCRA recognizes that in order for proceeds to be expended under the Internal Revenue Code, the sale proceeds or investment earnings must be expended no more than 60 days after the earlier of (1) the fifth anniversary of the delivery of the Tax-Exempt Bonds, or (2) the date the Tax-Exempt Bonds are retired. LCRA agrees to obtain the advice of nationally-recognized bond counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status of the Tax-Exempt Bonds. Section 5.03. DISPOSITION OF PROJECT. Based on the covenants of the Corporation in the Installment Payment Agreement, LCRA covenants that the projects financed with the proceeds of the Refunded Obligations (to the extent refinanced with the proceeds of Tax-Exempt Bonds) and any improvement and extension to the electric transmission and transformation facilities of the Corporation funded with proceeds of the Tax-Exempt Bonds will not be sold or otherwise disposed in a transaction resulting in the receipt by LCRA of cash or other compensation, unless any action taken in connection with such disposition will not adversely affect the tax-exempt status of the Tax-Exempt Bonds. For purpose of the foregoing, LCRA and the Corporation may rely on an opinion of nationally-recognized bond counsel that the action taken in connection with such sale or other disposition will not adversely affect the tax-exempt status of the Tax-Exempt Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, LCRA (or the Corporation) shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.
