OVERVIEW OF LCRA TRANSMISSION SERVICES CORPORATION

In connection with the implementation of retail competition in the electric utility industry in the state of Texas, LCRA was required by the Texas Legislature in its amendments to the Public Utility Regulatory Act (enacted in 1999 under state legislation known as Senate Bill 7, and referred to as SB 7) to unbundle its electric generation assets from its electric transmission and distribution assets. LCRA conveyed, effective Jan. 1, 2002, all of its existing electric transmission and transformation assets (collectively, the Transferred Transmission Assets) to the LCRA Transmission Services Corporation (LCRA TSC) pursuant to the terms of an Electric Transmission Facilities Contract (the Initial Contractual Commitment), dated Oct. 1, 2001.

LCRA TSC is a nonprofit corporation created by LCRA to act on LCRA’s behalf pursuant to Chapter 152, Texas Water Code, as amended. After Jan. 1, 2002, LCRA TSC engaged in the electric transmission and transformation activities previously carried out by LCRA and assumed LCRA’s obligation to provide, and the right to collect revenues for, electric transmission and transformation services. LCRA TSC is an electric transmission service provider (a TSP) under the state’s open-access electric transmission regulatory scheme within the approximately 85% area of the state covered by the Electric Reliability Council of Texas (ERCOT). In such capacity, LCRA TSC is entitled to receive compensation from all electric distribution service providers using the electric transmission system within ERCOT. As a TSP in the ERCOT region of the state, the rates that LCRA TSC will charge for transmission services are regulated by the Public Utility Commission of Texas (PUC) and determined pursuant to transmission cost of service rate proceedings filed with and approved by the PUC.

Within the framework of SB 7, LCRA TSC implements the electric transmission business of LCRA, including the expansion of electric transmission services outside of LCRA’s traditional electric service territory. LCRA personnel are responsible for performing all of LCRA TSC’s activities pursuant to a services agreement between LCRA TSC and LCRA. This includes procuring goods and services on behalf of LCRA TSC and is reflected in the LCRA Board agenda contracts.

Under the LCRA Master Resolution, defined as the LCRA Board resolution governing LCRA’s outstanding debt, and certain provisions of state law, the LCRA Board is required to exercise control over all operations of LCRA TSC. This control includes approval of LCRA TSC’s business plan and of the sale or disposition of any significant assets of LCRA TSC. The Board of Directors of LCRA TSC (LCRA TSC Board) is appointed by and serves at the will of the LCRA Board. The current membership of LCRA TSC Board is made up entirely of the existing LCRA Board.
FOR DISCUSSION

1. Comments From the Public

President and CEO project approvals:

- For any project not previously authorized by the Board in the capital plan, authority is delegated to the president and chief executive officer to approve any capital project with a lifetime budget not to exceed $1.5 million, according to LCRA TSC Board Policy T301 – Finance. Additionally, the LCRA TSC Board delegated authority to the president and CEO to approve new generation interconnection projects and additional funding for capital projects expected to exceed a lifetime budget by 10% and $300,000.

  The president and CEO approved the following six budget resets this quarter:

  - Clear Fork-Lockhart Transmission Line Overhaul from $3.9 million to $5.5 million.
  - Coronado-Sherwood Shores Transmission Line Storm Hardening from $12.0 million to $16.6 million.
  - LCRA TSC Fiber Build-Out FY 2019 Telecommunications Upgrade from $31.9 million to $51.1 million.
  - LCRA TSC Fiber Build-Out FY 2020 Telecommunications Upgrade from $9.5 million to $13.4 million.
  - Soda Lake Substation Addition from $5.2 million to $5.8 million.
  - Warda-Winchester Transmission Line Upgrade from $4.5 million to $5.6 million.

  The president and CEO approved the following four new projects this quarter:

  - Autotransformer Monitoring – FY 2022 Substation Upgrade for $700,000.
  - Lockhart-Luling Transmission Line Overhaul for $1.4 million.
  - Power System Center Migration System Upgrade for $800,000.
  - Sheriff’s Posse Circuit Breaker Addition for $1.1 million.
## Board Metrics

<tbody>
<tr>
<td>Equity Ratio</td>
<td>LCRA TSC will attempt to maintain a long-term average 30% equity ratio. At no time will the equity ratio fall below 20% without specific Board approval in the business plan.</td>
<td>✓</td>
</tr>
<tr>
<td>Debt Service Reserves</td>
<td>LCRA TSC will covenant debt service reserves in the amount of six months of maximum annual debt service requirements on outstanding debt. Debt service reserves may be collected through rates or met with proceeds from additional debt or through the use of a surety to mitigate rate impacts.</td>
<td>✓</td>
</tr>
<tr>
<td>Operating Reserves</td>
<td>LCRA TSC will build and maintain appropriate target levels of operating reserves as follows: six months of average debt service on all outstanding LCRA TSC debt and other obligations to LCRA; and two months of average operating and maintenance expenses, including those billed by LCRA. If at any time the reserves are less than the target levels set forth in this policy, the Board will promptly implement a plan, to be recommended by staff, to increase rates, reduce costs, or otherwise cause there to be sufficient revenues to replenish the reserves to such target levels within 12 months.</td>

There were no public comments during the meeting [Agenda Item 1].

21-18 Treasurer and Chief Financial Officer Jim Travis presented for consideration a staff recommendation, described in Agenda Item 2 [attached hereto as Exhibit A], that the Board request and approve the adoption by LCRA of the Amended and Restated Twentieth Supplemental Resolution to the Controlling Resolution establishing the LCRA Transmission Contract Revenue Financing Program to authorize an increase in the capacity of the LCRA Transmission Contract Revenue Notes, Series C and Taxable Series C and other amendments. The staff recommendation also included that the
Board authorize the chief executive officer or his designee to negotiate and execute all related documents setting forth the terms and conditions governing the issuance of such notes in an amount up to $200 million, including but not limited to, a new note purchase agreement among LCRA, LCRA Transmission Services Corporation and Bank of America, N.A. and an amended and restated supplement to the restated Transmission Contract Revenue Debt Installment Payment Agreement between LCRA and LCRA TSC. [In conjunction with the amended Series C Notes Program, LCRA and LCRA TSC will terminate the LCRA Transmission Contract Revenue Notes, Series F and Taxable Series F program.] Upon motion by Director Berger, seconded by Director Whitten, the recommendation was unanimously approved by a vote of 11 to 0.

21-19 Director of Real Estate Services Mark Sumrall presented for consideration a staff recommendation, described in Agenda Item 3 – Acquisition of Interests in Real Property – Use of Eminent Domain in Hays County [attached hereto as Exhibit B]. Vice Chair Cooper moved, seconded by Director Gill, that the Board adopt a resolution authorizing by record vote the use of the power of eminent domain to acquire rights in the properties described in Exhibit 1 to the resolution for the acquisition of easements for the Hilltop to Ranch Road 12 Transmission Line Upgrade project to ensure the continued reliable transmission of electric energy on the Hilltop to Ranch Road 12 (T375) transmission line; and that the first record vote applies to all units of property to be condemned. The Board unanimously approved the motion by a record vote of 11 to 0.

21-20 Director of Real Estate Services Mark Sumrall presented for consideration a staff recommendation, described in Agenda Item 4 – Acquisition of Interests in Real Property – Use of Eminent Domain in Hays County [attached hereto as Exhibit C]. Director Blanding moved, seconded by Director Berger, that the Board adopt a resolution authorizing by record vote the use of the power of eminent domain to acquire rights in the properties described in Exhibit 1 to the resolution for the acquisition of easements for the McCarty Lane to Ranch Road 12 Transmission Line Upgrade project to ensure the continued reliable transmission of electric energy on the McCarty Lane to Ranch Road 12 (T699) transmission line; and that the first record vote applies to all units of property to be condemned. The Board unanimously approved the motion by a record vote of 11 to 0.

21-21 Director of Real Estate Services Mark Sumrall presented for consideration a staff recommendation, described in Agenda Item 5 – Acquisition of Interests in Real Property – Use of Eminent Domain in Kerr and Gillespie counties [attached hereto as Exhibit D]. Director Freeman moved, seconded by Director Berger, that the Board adopt a resolution authorizing by record vote the use of the power of eminent domain to acquire rights in the properties described in Exhibit 1 to the resolution for the acquisition of easements for the Mountain Home Substation and Transmission Line Addition project to provide for the reliable transmission of electric energy and communications and to facilitate broadband services on the Mountain Home to Hunt (T677) and Headwaters to Mountain Home (T678) transmission lines; and that the first record vote applies to all
units of property to be condemned. The Board unanimously approved the motion by a record vote of 11 to 0.

Chair Timmerman declared the meeting to be in executive session at 9:53 a.m., pursuant to sections 551.071 and 551.072 of the Texas Government Code (Open Meetings Act). Executive session ended, and Chair Timmerman declared the meeting to be in public session at 10:09 a.m.

There being no further business to come before the Board, the meeting was adjourned at 10:09 a.m.

4. Capital Improvement Projects Approval

Proposed Motion
Approve and ratify the Capital Improvement Project Authorization Request for the projects and associated lifetime budgets as described in Exhibit A.

Board Consideration
LCRA Transmission Services Corporation Board Policy T301 – Finance requires Board of Directors approval for any project exceeding $1.5 million.

Budget Status and Fiscal Impact
- All projects recommended for Board approval are within the total annual budget approved in the fiscal year 2022 capital plan.
- Staff will monitor the FY 2022 forecast and will request a fiscal year budget increase if needed.
- The treasurer and chief financial officer will release funds as needed.
- Project costs will be funded through LCRA TSC regulated rates, subject to approval by the Public Utility Commission of Texas.

Summary
Staff recommends approval of the capital projects described in Table 1 and Exhibit A. These projects meet legal requirements in the Public Utility Regulatory Act and PUC rules.
Project funds will pay for activities, including but not limited to project management, engineering, materials acquisition, construction and acquisition of necessary land rights. LCRA TSC representatives will perform all necessary regulatory, real estate, environmental and cultural due diligence activities.

A – Project Details
### Project Details

**Project Name:** Battery Systems – FY 2022 Substation Upgrade  
**Project Number:** 1024580  
**Lifetime Budget:** $2.2 million  
**Description:** The project will improve the reliability of substation equipment by replacing diminished and obsolete batteries and battery charger systems with new 125-volt DC batteries and charger systems at 19 sites throughout LCRA TSC’s service area. Spill containment, operator alarms and capacity upgrades also will be installed at certain locations as appropriate. The recommended project completion date is May 15, 2022.

**Project Name:** Bypass Switch Addition Substation Upgrade  
**Project Number:** 1024837  
**Lifetime Budget:** $1.7 million  
**Description:** The project will improve reliability of substation equipment at the LCRA TSC-owned Mendoza, McCarty Lane and Webberville substations in Caldwell, Hays and Travis counties by installing 138-kilovolt bypass switches to keep power transformers energized without reliance on mobile substation units while circuit breakers are tested and maintained. Wildlife protection measures also will be installed at each location as part of the project scope. The recommended project completion date is May 15, 2022.

**Project Name:** El Campo to Ricebird Transmission Line Storm Hardening  
**Project Number:** 1022797  
**Lifetime Budget:** $10 million  
**Description:** The project will improve the safety and reliability of the transmission facilities on the 4.6-mile, 138-kV T589 El Campo to Ricebird transmission line in Wharton County to meet PUC storm hardening requirements. Due to the extent of the necessary structure replacements and future growth expectations, the existing conductor also will be upgraded to provide a capacity of 471 megavolt-amperes. The project will further improve the reliability and capability of transmission facilities by replacing the existing shield wire with new 72-count optical ground wire. The recommended project completion date is May 15, 2022.
**Project Name:** Out-of-Band Management Switch – FY 2022 Telecommunications Upgrade  
**Project Number:** 1024851  
**Lifetime Budget:** $2.6 million  
**Description:** The project will improve the reliability of the existing out-of-band management (OBM) network by installing new OBM equipment to replace obsolete and nonstandard OBM switching hardware. This network is used to control, monitor and troubleshoot devices supporting LCRA TSC’s telecommunications transport network and transmission operations throughout LCRA TSC’s service area. The recommended project completion date is June 30, 2022.

**Project Name:** Transmission Metering – FY 2022 Substation Upgrade  
**Project Number:** 1024603  
**Lifetime Budget:** $1.9 million  
**Description:** The project will improve the reliability, security and capability of substation equipment by replacing Electric Reliability Council of Texas polled settlement metering equipment and adding modern, digital telecommunication circuits for meter data connectivity at 17 sites throughout LCRA TSC’s service area. The recommended project completion date is Nov. 30, 2022.

**Project Name:** King Mountain to North McCamey Transmission Line Relocation  
**Project Number:** 1024877  
**Lifetime Budget:** $2.8 million  
**Description:** The project will facilitate a third-party request by relocating and modifying transmission facilities along sections of the T455 King Mountain to North McCamey 138-kV transmission line and the T452 Castillo to North McCamey 138-kV double-circuit transmission line to accommodate the Texas Department of Transportation expansion of U.S. Highway 385 in Crane and Upton counties.

The Standard Utility Agreement between LCRA TSC and TxDOT, which includes cost reimbursement provisions, will be fully executed prior to proceeding with construction. The recommended project completion date is Dec. 16, 2021.

5. Acquisition of Interests in Real Property – Use of Eminent Domain in Guadalupe County

Proposed Motion
I move that the Board of LCRA Transmission Services Corporation adopt the attached resolution; that the Board authorize by record vote the use of the power of eminent domain to acquire rights in the properties described in Exhibit 1 to the resolution for the acquisition of easement amendments necessary to provide, on behalf of LCRA and at LCRA’s expense, for communications and to facilitate broadband services on the Clear Springs to Marion transmission line (T419); and that the first record vote applies to all units of property to be condemned.

Board Consideration

LCRA Transmission Services Corporation Board Policy T401 – Land Resources and Section 2206.053 of the Texas Government Code require Board authorization prior to the initiation of eminent domain proceedings.

Section 2206.053 of the Texas Government Code provides that if two or more Board members object to adopting a single resolution for all units, a separate record vote must be taken for each unit of property. If two or more units of real property are owned by the same person, those units may be treated as one unit of property.

LCRA utilizes LCRA Transmission Services Corporation to provide LCRA with fiberoptic communications and broadband services at LCRA’s expense pursuant to LCRA Board Policy 220.20 and Section 8503.032 of the Special District Local Laws Code.

Budget Status and Fiscal Impact
The acquisition cost was included in the Board-approved budget for the Project Connect Northwest Loop project.

Summary

LCRA TSC proposes to acquire communications rights, including the facilitation of broadband services, in Guadalupe County. Paul Hornsby and Company performed an independent appraisal of the interests in real property to be acquired to determine just compensation to the landowners.

Staff will make an initial offer to acquire the necessary interests in real property voluntarily from the landowners listed in Exhibit C, as required by Sec. 21.0113 of the Texas Property Code. Staff will continue to negotiate for the purchase of the interests in real property. Staff seeks Board authorization to proceed with condemnation if an agreement cannot be reached with the landowner(s).

Staff has provided to the Board descriptions of the specific properties to be acquired and will attach the descriptions to the resolution.

Staff requests that the Board adopt the resolution in Exhibit D authorizing the initiation of condemnation proceedings on the first record vote for all units of property.

PROPOSED MOTION

I MOVE THAT THE BOARD OF LCRA TRANSMISSION SERVICES CORPORATION ADOPT THE ATTACHED RESOLUTION; THAT THE BOARD AUTHORIZE BY RECORD VOTE THE USE OF THE POWER OF EMINENT DOMAIN RIGHTS IN THE PROPERTIES DESCRIBED IN EXHIBIT 1 TO THE RESOLUTION FOR THE ACQUISITION OF EASEMENT AMENDMENTS NECESSARY TO PROVIDE, ON BEHALF OF LCRA AND AT LCRA’S EXPENSE, FOR COMMUNICATIONS AND TO FACILITATE BROADBAND SERVICES ON THE CLEAR SPRINGS TO MARION TRANSMISSION LINE (T419); AND THAT THE FIRST RECORD VOTE APPLIES TO ALL UNITS OF PROPERTY TO BE CONDEMNED.

RESOLUTION
AUTHORIZING ACQUISITION OF INTERESTS IN REAL PROPERTY BY CONDEMNATION IN GUADALUPE COUNTY FOR TRANSMISSION LINE EASEMENT AMENDMENTS.

WHEREAS, LCRA Transmission Services Corporation has determined the need to acquire the interests in real property necessary for the public uses of operation and maintenance of electric transmission lines, communication lines, and appurtenances thereto in Guadalupe County; and

WHEREAS, an independent, professional appraisal of the subject property will be submitted to LCRA Transmission Services Corporation, and an amount will be established to be just compensation for the interests in real property to be acquired;

NOW, THEREFORE, BE IT RESOLVED that the president and chief executive officer or his designee is authorized to purchase the interests in real property from the landowner(s) listed in the attached Exhibit C, with the description of the location of and interest in the property LCRA Transmission Services Corporation seeks to acquire being more particularly described in maps provided to the Board and attached to this Resolution as Exhibit 1; that the public convenience and necessity requires the acquisition of said interests in real property; that the public necessity requires the condemnation of the interests in real property in order to acquire them for such uses; that LCRA Transmission Services Corporation does not intend to acquire rights to groundwater or surface water in the land; that LCRA Transmission Services Corporation will make a bona fide offer to acquire the interests in real property from the landowner voluntarily as required by Sec. 21.0113 of the Texas Property Code; and that at such time as LCRA Transmission Services Corporation has determined that the landowner and LCRA Transmission Services Corporation will be unable to reach an agreement on the fair market value of the subject interests in real property and that it should appear that further negotiations for settlement with the landowner would be futile, then the

president and chief executive officer or his designee is authorized under Sec. 8503.032, Special District Local Laws Code and directed to initiate condemnation proceedings against the landowner of the property, and against all other owners, lien holders, and other holders of an interest in the property, in order to acquire the necessary interests in real property, and that this resolution take effect immediately from and after its passage;

BE IT FURTHER RESOLVED that the president and chief executive officer or his designee is hereby authorized to do all things necessary and proper to carry out the intent and purpose of this resolution, including determination and negotiation of the interest(s) in real property that are proper and convenient for the operation of the electric transmission line.

6. Acquisition of Interests in Real Property – Use of Eminent Domain in Kerr and Gillespie Counties

Proposed Motion
I move that the Board of Directors of LCRA Transmission Services Corporation adopt the attached resolution; that the Board authorize by record vote the use of the power of eminent domain to acquire rights in the properties described in Exhibit 1 to the resolution for the acquisition of easements for the Mountain Home Substation and Transmission Line Addition project to provide for the reliable transmission of electric energy and, on behalf of LCRA and at LCRA’s expense, to provide for communications and to facilitate broadband services on the Mountain Home to Hunt (T677) and Headwaters to Mountain Home (T678) transmission lines; and that the first record vote applies to all units of property to be condemned.

Board Consideration
LCRA Transmission Services Corporation Board Policy T401 – Land Resources and Section 2206.053 of the Texas Government Code require Board authorization prior to the initiation of eminent domain proceedings.

Section 2206.053 of the Texas Government Code provides that if two or more Board members object to adopting a single resolution for all units of property, a separate record vote must be taken for each unit of property. Budget Status and Fiscal Impact
The acquisition costs were included in the Board-approved budget for the Mountain Home Substation and Transmission Line Addition project.

Summary
LCRA TSC proposes to acquire transmission line easements in Kerr and Gillespie counties for the Mountain Home Substation and Transmission Line Addition project. Kokel Oberrender and Wood Appraisals performed independent appraisals of the interests in real properties to be acquired to determine just compensation to the landowners.

Staff made initial offers to acquire the necessary interests in real property voluntarily from the landowners listed on Exhibit C, as required by Sec. 21.0113 of the Texas Property Code. Staff will continue to negotiate for the purchase of the interests in real property. Staff seeks Board authorization to proceed with condemnation if agreements cannot be reached with the landowners.
Staff has provided to the Board a description of the specific properties to be acquired, and will attach the description to the resolution. LCRA TSC representatives performed environmental and cultural due diligence studies and did not identify any concerns. Staff requests the Board adopt the resolution in Exhibit D authorizing the initiation of condemnation proceedings on the first record vote for all units of property.
