Executive Session
The Board may go into executive session on any item listed above, pursuant to
Chapter 551 of the Texas Government Code, including, but not limited to, sections
551.071, 551.072, 551.074, 551.076, 551.086, 551.089 and 418.183(f) of the Texas
Government Code.

Legal Notice
Legal notices are available on the Texas secretary of state website 72 hours prior to
the meeting at the following link: https://www.sos.texas.gov/open/index.shtml
OVERVIEW OF LCRA TRANSMISSION SERVICES CORPORATION

In connection with the implementation of retail competition in the electric utility industry in the state of Texas, LCRA was required by the Texas Legislature in its amendments to the Public Utility Regulatory Act (enacted in 1999 under state legislation known as Senate Bill 7, and referred to as SB 7) to unbundle its electric generation assets from its electric transmission and distribution assets. LCRA conveyed, effective Jan. 1, 2002, all of its existing electric transmission and transformation assets (collectively, the Transferred Transmission Assets) to the LCRA Transmission Services Corporation (LCRA TSC) pursuant to the terms of an Electric Transmission Facilities Contract (the Initial Contractual Commitment), dated Oct. 1, 2001.

LCRA TSC is a nonprofit corporation created by LCRA to act on LCRA’s behalf pursuant to Chapter 152, Texas Water Code, as amended. After Jan. 1, 2002, LCRA TSC engaged in the electric transmission and transformation activities previously carried out by LCRA and assumed LCRA’s obligation to provide, and the right to collect revenues for, electric transmission and transformation services. LCRA TSC is an electric transmission service provider (a TSP) under the state’s open-access electric transmission regulatory scheme within the approximately 85% area of the state covered by the Electric Reliability Council of Texas (ERCOT). In such capacity, LCRA TSC is entitled to receive compensation from all electric distribution service providers using the electric transmission system within ERCOT. As a TSP in the ERCOT region of the state, the rates that LCRA TSC will charge for transmission services are regulated by the Public Utility Commission of Texas (PUC) and determined pursuant to transmission cost of service rate proceedings filed with and approved by the PUC.

Within the framework of SB 7, LCRA TSC implements the electric transmission business of LCRA, including the expansion of electric transmission services outside of LCRA’s traditional electric service territory. LCRA personnel are responsible for performing all of LCRA TSC’s activities pursuant to a services agreement between LCRA TSC and LCRA. This includes procuring goods and services on behalf of LCRA TSC and is reflected in the LCRA Board agenda contracts.

Under the LCRA Master Resolution, defined as the LCRA Board resolution governing LCRA’s outstanding debt, and certain provisions of state law, the LCRA Board is required to exercise control over all operations of LCRA TSC. This control includes approval of LCRA TSC’s business plan and of the sale or disposition of any significant assets of LCRA TSC. The Board of Directors of LCRA TSC (LCRA TSC Board) is appointed by and serves at the will of the LCRA Board. The current membership of LCRA TSC Board is made up entirely of the existing LCRA Board.
FOR DISCUSSION

1. Comments From the Public

Summary
This part of the meeting is intended for comments from the public on topics under LCRA Transmission Services Corporation’s jurisdiction but not related to an item on the Board of Directors agenda. No responses or action may be taken by the Board during public comments.

In order to address the Board, a member of the public is required to sign and complete the registration form at the entrance to the meeting room.

Any member of the public wishing to comment on an item listed on this agenda will be called to make comments at the appropriate time.
FOR DISCUSSION

2. Financial Report

Summary
The financial report for LCRA Transmission Services Corporation covers fiscal year 2022.

Presenter(s)
Jim Travis
Treasurer and Chief Financial Officer
Table of Contents

Budget-to-Actual Highlights........................................................................................................ 1
Capital Performance....................................................................................................................... 2
Board Metrics and Income Statement Trends........................................................................... 3

Key terms:

4CP – Four-month coincident peak is the average of the peak Electric Reliability Council of Texas electrical demands (measured in kilowatts) during the months of June, July, August and September of the previous calendar year.

ELOPPP – Extraordinary LCRA Optional Purchase Price Payment.

Net margin – Total operating revenues, including interest income, less direct and assigned expenses.
LCRA Transmission Services Corporation
June 30, 2022
(Dollars in Millions)
Budget-to-Actual Highlights

Key takeaways:

- Lower-than-budgeted expenses and higher-than-budgeted cost of service and other revenues primarily drove year-to-date performance.
- The debt service coverage ratio is higher than budget primarily due to lower-than-budgeted expenses and debt service and higher-than-budgeted cost-of-service and other revenues.
LCRA Transmission Services Corporation
June 30, 2022
(Dollars in Millions)
Capital Performance

Key takeaways:
- LCRA TSC capital spending for FY 2022 was $13.0 million over the amended capital plan budget of $445.0 million.
- The variance primarily is due to costs greater than forecasted on construction, materials and two transmission service restoration projects.
- LCRA staff will seek Board approval to increase the LCRA TSC capital plan in August 2022.

General manager project approvals:
- For any project not previously authorized by the Board in the capital plan, authority is delegated to the president and chief executive officer to approve any capital project with a lifetime budget not to exceed $1.5 million, according to LCRA TSC Board Policy T301 – Finance. Additionally, the LCRA TSC Board delegated authority to the president and CEO to approve new generation interconnection projects and additional funding for capital projects expected to exceed a lifetime budget by 10% and $300,000.

The president and CEO approved the following two budget resets this quarter:
  - Hilltop to Ranch Road 12 Transmission Line Upgrade from $9.3 million to $11.7 million.
  - Transmission Services Corporation – FY 2022 General Additions from $5.0 million to $5.9 million.

The president and CEO approved the following eight new projects this quarter:
  - Clear Springs Generator Circuit Breaker Addition for $4.1 million.
  - Marshall Ford Control Power Substation Upgrade for $1.5 million.
  - Multiprotocol Label Switching Protective Relaying – FY 2022 Telecommunications Upgrade for $1.1 million.
  - Settlers Substation Addition for $1.5 million.
  - Telecommunications Virtual Machine Infrastructure System Upgrade for $800,000.
  - Transmission Metering – FY 2023 Substation Upgrade for $1.0 million.
  - Transmission Services Corporation – FY 2022 Minor Capital for $120,000.
  - Transmission Services Corporation – FY 2023 Minor Capital for $400,000.
**Board Metrics**

<table>
<thead>
<tr>
<th>Board Metric</th>
<th>Description</th>
<th>Compliant</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Equity Ratio</strong></td>
<td>LCRA TSC will build equity that will maintain appropriate access to capital markets and is consistent with regulatory guidance. While LCRA TSC may be highly leveraged during periods of rapid growth, LCRA TSC business plans will specifically address the accumulation of equity to achieve and maintain a minimum long-term equity position of 20%.</td>
<td>❑</td>
</tr>
<tr>
<td><strong>Debt Service Reserves</strong></td>
<td>LCRA TSC will covenant debt service reserves in the amount of six months of maximum annual debt service requirements on outstanding debt. Debt service reserves may be collected through rates or met with proceeds from additional debt or through the use of a surety to mitigate rate impacts.</td>
<td>❑</td>
</tr>
<tr>
<td><strong>Operating Reserves</strong></td>
<td>LCRA TSC will build and maintain appropriate target levels of operating reserves as follows: six months of average debt service on all outstanding LCRA TSC debt and other obligations to LCRA; and two months of average operating and maintenance expenses, including those billed by LCRA. If at any time the reserves are less than the target levels set forth in this policy, the Board will promptly implement a plan, to be recommended by staff, to increase rates, reduce costs or otherwise cause there to be sufficient revenues to replenish the reserves to such target levels within 12 months.</td>
<td>❑</td>

</table>

**Income Statement Trends**

**Cumulative Fiscal Year to Date**

<table>
<thead>
<tr>
<th>Change in equity - FY 2021</th>
<th>Change in equity - FY 2022</th>
</tr>
</thead>
</table>

**Key takeaway:**

- Net income increased year over year primarily due to an increase in transmission revenues, partially offset by an increase in loss on the disposition/sale of property.
## Condensed Balance Sheets

<table>
<thead>
<tr>
<th></th>
<th>June 30, 2022</th>
<th>June 30, 2021</th>

**Key takeaways:**

- In its June 14-15 meeting, the Federal Open Market Committee approved its first 0.75% interest rate increase in 28 years, leaving the Federal Reserve rate target at 1.5%-1.75%.
- The Federal Open Market Committee is scheduled to meet again on July 26 and 27.
FOR ACTION (CONSENT)

3. Acquisition of Interests in Real Property – Use of Eminent Domain in Blanco, DeWitt, Austin, Guadalupe and Fayette Counties

Amended Proposed Motion

I move that the Board of LCRA Transmission Services Corporation adopt the attached resolution; that the Board authorize by record vote the use of the power of eminent domain to acquire rights in the properties described in Exhibit 1 to the resolution for the acquisition of needed easement rights for the LCRA Broadband Program project, on behalf of LCRA and at LCRA’s expense, to provide for communications and to facilitate broadband services on the: Mountain Top to Kendall (T342), Lost Creek to Guadalupe (T541), Bellville South to Waller (T213), Zom SWYD to Seguin (T203) and Salem to Warda (T667) transmission lines; and that the first record vote applies to all units of property to be condemned. Due to a clerical error, this previously approved item needs to be amended and ratified. “Exhibit 1 – Description of Specific Properties” was not included. This ratification will correct the clerical error.

Board Consideration

LCRA Transmission Services Corporation Board Policy T401 – Land Resources and Section 2206.053 of the Texas Government Code require Board authorization prior to the initiation of eminent domain proceedings.

Section 2206.053 of the Texas Government Code provides that if two or more Board members object to adopting a single resolution for all units, a separate record vote must be taken for each unit of property. If two or more units of real property are owned by the same person, those units may be treated as one unit of property.

LCRA utilizes LCRA Transmission Services Corporation to provide LCRA with fiberoptic communications and broadband services at LCRA’s expense pursuant to LCRA Board Policy 220.20 and Section 8503.032 of the Special District Local Laws Code.

Budget Status and Fiscal Impact

The acquisition cost was included in the Board-approved budget for the LCRA Broadband Program project.

Summary

LCRA TSC proposes to acquire third-party communications rights in the counties of Blanco, DeWitt, Austin, Guadalupe and Fayette for the LCRA Broadband Program project. Paul Hornsby and Company will perform independent appraisals of the interests in real property to be acquired to determine just compensation to the landowners.

Staff will make initial offers to acquire the necessary interests in real property voluntarily from the landowners listed on Exhibit C, as required by Section 21.0113 of the Texas Property Code. Staff will continue to negotiate for the purchase of the interests in real property. Staff seeks Board authorization to proceed with condemnation if an agreement cannot be reached with the landowners.
Staff has provided to the Board descriptions of the specific properties to be acquired and will attach the descriptions to the resolution.

Staff requests that the Board adopt the resolution in Exhibit D authorizing the initiation of condemnation proceedings on the first record vote for all units of property.

PROPOSED MOTION

I MOVE THAT THE BOARD OF LCRA TRANSMISSION SERVICES CORPORATION ADOPT THE ATTACHED RESOLUTION; THAT THE BOARD AUTHORIZE BY RECORD VOTE THE USE OF THE POWER OF EMINENT DOMAIN TO ACQUIRE RIGHTS IN THE PROPERTIES DESCRIBED IN EXHIBIT 1 TO THE RESOLUTION FOR THE ACQUISITION OF THE LCRA BROADBAND PROGRAM PROJECT FOR THIRD-PARTY USE OF EXCESS BROADBAND CAPACITY ON THE T342, T541, T213, T203, AND T667 TRANSMISSION LINES; AND THAT THE FIRST RECORD VOTE APPLIES TO ALL UNITS OF PROPERTY TO BE CONDEMNED.

RESOLUTION

AUTHORIZING ACQUISITION OF INTERESTS IN REAL PROPERTY BY CONDEMNATION IN BLANCO, DEWITT, AUSTIN, GUADALUPE AND FAYETTE COUNTIES FOR THIRD-PARTY USE OF EXCESS BROADBAND CAPACITY ON THE T342, T541, T213, T203, AND T667 TRANSMISSION LINES.

WHEREAS, LCRA Transmission Services Corporation has determined the need to acquire the interests in real property necessary for the public uses of construction, operation and maintenance of electric transmission lines, communication lines, and appurtenances thereto in Blanco, DeWitt, Austin, Guadalupe and Fayette counties; and

WHEREAS, an independent, professional appraisal of the subject property will be submitted to LCRA Transmission Services Corporation, and an amount will be established to be just compensation for the interests in real property to be acquired;

NOW, THEREFORE, BE IT RESOLVED that the president and chief executive officer or his designee is authorized to purchase the interests in real property from the landowners listed in the attached Exhibit C for the construction of the LCRA Broadband Program project for the third-party use of excess broadband capacity on the T342, T541, T213, T203, and T667 transmission lines, with the description of the location of and interest in the property LCRA Transmission Services Corporation seeks to acquire being more particularly described in maps provided to the Board and attached to this Resolution as Exhibit 1; that the public convenience and necessity requires the acquisition of said interests in real property; that the public necessity requires the condemnation of the interests in real property in order to acquire them for such uses; that LCRA Transmission Services Corporation does not intend to acquire rights to groundwater or surface water in the land; that, if applicable LCRA Transmission Services Corporation will make a bona fide
offer to acquire the interests in real property from the landowner voluntarily as required by Section 21.0113 of the Texas Property Code; and that at such time as LCRA Transmission Services Corporation has determined that the landowner and LCRA Transmission Services Corporation will be unable to reach an agreement on the fair market value of the subject interests in real property and that it should appear that further negotiations for settlement with the landowner would be futile, or if after due diligence, the location or identity of the landowner is unknown, then the president and chief executive officer or his designee is authorized under Section 8503.032 of the Special District Local Laws Code and directed to initiate condemnation proceedings against the landowner of the property, and against all other owners, lien holders, and other holders of an interest in the property, in order to acquire the necessary interests in real property. This resolution takes effect immediately from and after its passage.

BE IT FURTHER RESOLVED that the president and chief executive officer or his designee is hereby authorized to do all things necessary and proper to carry out the intent and purpose of this resolution, including determination and negotiation of the interests in real property that are proper and convenient for the operation of the electric transmission lines.
EXHIBIT 1
Page 3 of 10

To

The State of Texas,
COUNTY OF DEWITT.

NOW ALL Men BY THESE PRESENTS;

Know ye, that E. F. Kuster and husband and wife of the County of Dewitt and State of Texas, for and in consideration of the sum of two and no/100 dollars, ($2.00) dollars, to be paid by Central Power and Light Company, a private corporation organized and existing under and by virtue of the laws of the State of Massachusetts, and having a permit to do business in the State of Texas, for the receipt of which is hereby acknowledged and confessed, have this day granted, sold and conveyed, and by these presents do grant, sell and convey unto the said Central Power and Light Company, its successors and assigns, an easement or right of way for uses and purposes as aforesaid, and in the general context hereof located and stated out by said Central Power and Light Company, over and upon the following described lands now owned by me (we), located in the County of Dewitt and State of Texas, to wit:

Parcel of land described to E. F. Kuster by Annie Louis Mills at al, more particularly described as follows; In Dewitt County, Texas, being 98.5 acres of land in the J. J. (J. D.) Peckham Farm, and 101.5 acres of land of the L. A. Y Gonzales Leager, and a part of the 200 acre tract of land conveyed to T. A. Graves by J. M. Campbell, by deed dated Feb. 21, 1886, and recorded in vol. 27, page 61, of the deed records of Dewitt County, Texas, and being all out of lots 25, 26, 27, 28, 29, 30, 31, 32, and part of 33, in the partition of the J. A. Y Gonzales Leager, as described as follows:

Beginning at a stake on the bank of the Grand River N edge of the right-of-way of the old S. A. P. Railway Company, the same being the SW corner of the T. A. Graves estate land, thence with the E line of the right-of-way N 79 degrees 10 minutes 35 seconds, w. 29.35 acres in said road, 273.5 vrs to a stake and corner post, the edge of the old bridges road; thence N 79 degrees 10 minutes 35 seconds, w. 29.35 vrs to a stake and corner post; thence N 79 degrees 10 minutes 35 seconds, w. to a stake and rock set in a line of right-of-way of the S. A. Y and S. A. By Co. thence with the right-of-way W 79 degrees 10 minutes 35 seconds, E to a stake; thence S 79 degrees 10 minutes 35 seconds, E 1105.5 vrs to the S edge of the Grand River, said river being the S edge of the Grand River; thence down the Grand River to the place of beginning, containing 280 acres of land.

To have and to hold the above described rights, easement and rights of way unto the said Central Power and Light Company, its successors and assigns, until said line shall be abandoned and removed.

And (we) hereby bind myself (ourselves), on (our) heirs and legal representatives, to warrant and forever defend all and singular, the above described rights, easement and rights of way unto the said Central Power and Light Company, its successors and assigns, against every person, whatsoever lawfully claiming or to claim the same, or any part thereof.

In testimony whereof, witness my (our) hand(s) on this the 11th day of January, A. D. 1910.

E. F. Kuster

The State of Texas,
COUNTY OF DEWITT.

Before me, the undersigned authority, on this day personally appeared E. F. Kuster, known to me to be the person whose name is subscribed to the foregoing instrument, and acknowledged to me the execution thereof in his own proper name and in his own proper person.

Given under my hand and seal of office, on this the 2nd day of January, A. D. 1910.

Deputy

(Seal)

COUNTY CLERK, DEWITT COUNTY, TEXAS.

City of Yoakum, Texas

Release of Judgment. To

C. L. Koscak,

WHEREAS, the District Court of Dewitt County, Texas, on the 15th day of June, 1910, rendered judgment in favor of the City of Yoakum, Texas, a municipal corporation, in Cause No. 676, in the civil docket of said court, and the City of Yoakum, Texas, vs. The Texas State Bank et al. against the Texas State Bank et al. for the recovery of the sum of six thousand and five hundred dollars ($6,500.00) and interest thereon, and all costs of suit, and was satisfied with the judgment.

And whereas, C. L. Koscak, has acknowledged in his in said judgment that he is unable to pay said judgment, but can obtain the sum of $5000.00 and pay to the City in consideration of the release of said judgment, with the understanding that same shall not affect the City's right to collect the remaining unpaid part of said judgment from the defendant, other than said C. L. Koscak.

Now, therefore, know all men by these presents, that the City of Yoakum, Texas, as plaintiff, and by authority of resolution of its Board of Commissioners duly passed and entered upon its minutes on January 11, 1910, for and in consideration of the sum of six thousand and five hundred dollars ($6,500.00) to be paid to the City by said C. L. Koscak, the said defendant, hereby forever release, discharge and absolve said C. L. Koscak, his heirs, executors and administrators from any and all liability and obligation.

LCRA Transmission Services Corporation Board Agenda – August 2022 21
EXHIBIT 1
Page 4 of 10

To the State of Texas,
County of De Witt.

NOW ALL MEN BY THESE PRESENTS;

That E. F. Kuebler and husband and wife, of the County of De Witt and State of Texas, for and in consideration of the sum of two and no/100 dollars, ($2.00) dollars, to be paid by Central Power and Light Company, a private corporation organized and existing under and by virtue of the laws of the State of Texas, and having a permit to do business in said State, the receipt of which is hereby acknowledged and confessed, have this day granted, sold and conveyed, and by these presents do grant, sell and convey unto the said Central Power and Light Company, its successors and assigns, an easement or right of way for poles and anchors, at or near the location and along the general course so located and set out by said Central Power and Light Company, over and upon the following described land now owned by us (we), located in the County of De Witt and State of Texas, to wit:

Parcels of land described as follows: In De Witt County, Texas, being 98.5 acres of land in the J. J. Emmerson lease, and 101.5 acres of land of the J. A. V. y Gonzales lease, and a part of the 200 acre tract of land conveyed to T. A. Graves by J. W. Campbell, by deed dated Feb. 11, 1880, and recorced in vol. 27, page 29, of the deed records of De Witt County, Texas, and being all out of lots 25, 26, 57, 58, 49, 50, and part of 59, in the partition of the J. A. V. y Gonzales lease described as follows:

Beginning at a stake on the bank of the Guadalupe River N edge of the right-of-way of the old S. A. P. Railway Company, the same being the S corner of the T. A. Graves estate land. Thence with the S line of the right-of-way N 79 degrees E 106.5 vrs to a stake and corner post, the edge of the old bridge road: thence W 89.4 vrs to a stake and corner post; thence a dyke along the N edge of the said road, 275.5 vrs to a stake and rock; thence W 92.0 vrs to a stake and rock set in S edge of right-of-way of the S. A. P. Rly Co; thence with the right-of-way N 79 degrees E 106.5 vrs to a stake and rock set as the high bank of the Guadalupe River, same being the SW corner of the T. A. Graves land; thence down the guadalupe river to the place of beginning, containing 300 acres of land.

Together with the right of ingress and egress over my (our) adjacent lands to and from said right of way, the use of said easement for constructing, inspecting, maintaining and removing said line, poles, wires, and appurtenances; the right to relocate along the same general direction of said line; the right to remove from said lands all trees and shrubbery which endanger or may interfere with the safety or efficiency of said line; its appurtenances; and the right to exercise all other rights hereby granted.

To have and to hold the above described rights, easement and rights of way unto the said Central Power and Light Company, its successors and assigns, until said line shall be abandoned and removed.

Not more than 1 pole and two (2) guys shall be erected along the course of said line upon the above described land unless the said Central Power and Light Company, its successors and assignees, shall pay to me (us), my (our) heirs or legal representatives, the rate of one and no/100 ($1.00) dollars for each pole or guy created in excess of said number, and upon such payment the said Central Power and Light Company, its successors and assigns, shall have the right, and the right hereby granted, to erect poles along said course in excess of said number.

And I (we) do hereby bind myself (ourselves), my (our) heirs and legal representatives, to warrant and forever defend all and singular, the above described rights, easement and rights of way unto the said Central Power and Light Company, its successors and assigns, against every person whencesoever lawfully claiming or to claim the same, or any part thereof.

In testimony whereof, witness my (our) hand(s) on this the 11th day of January, A. D. 1940.

E. F. Kuebler

The State of Texas,
County of De Witt.

Before me, the undersigned authority, on this day personally appeared E. F. Kuebler, to me to be the person whose name is subscribed to the foregoing instrument, and to me to be the same as the person personally known to him as above described in the preambles thereunto referred.

Given under my hand and seal of office, on this the 11th day of January, A. D. 1940.

J. W. Campbell, Notary Public in and for
De Witt County, Texas.

I hereby certify that the foregoing instrument was filed for record on the 2nd day of February, 1940 at 8 o'clock a.m. and recorded the 2nd day of February, 1940 at 1 o'clock p.m.

Notary Public in and for
De Witt County, Texas.

C. L. Kozycz

City of Yoakum, Texas

Release of Judgment.

The State of Texas,
County of De Witt.

WHEREAS, the District Court of De Witt County, Texas, on the 14th day of June, 1939, rendered judgment in favor of the City of Yoakum, Texas, a municipal corporation, in Cause No. 6793, on the civil docket of said court, styled the City of Yoakum, Texas vs. The Yoakum State Bank et al., in the cause for collection of a judgment of said court against the defendants, the Yoakum State Bank et al., for the sum of thirty-four thousand, eight hundred and seven dollars and fifty cents, ($34,807.50), interest thereon.

And whereas, C. L. Kozycz has shown to the satisfaction to said judgment that he is unable to pay said judgment, but can obtain the sum of $1500.00 and pay to the City in consideration of the release of said judgment, with the understanding that said judgment shall not affect the City’s right to collect the remaining unpaid part of said judgment from the defendant other than said C. L. Kozycz.

Now, therefore, know all men by these presents, that the City of Yoakum, Texas, as plaintiff, on the one hand, and C. L. Kozycz, his heirs, executors and administrators from the estate thereof, for the reasons stated in and by authority of resolution of its board of commissioners duly passed and entered upon its minutes on January 14, 1940, for and in consideration of the payment to said City of the sum of $1500.00 made to said City by said C. L. Kozycz, the said defendant hereby forever releases, discharges and dismisses said C. L. Kozycz, his heirs, executors and administrators from any and all liabilities and obli...
Right of Way Easement.

Central Power & Light Company.

To the State of Texas, County of DeWitt.

Know all men by these presents:

That E. F. Kuebler, husband and wife of the County of DeWitt and State of Texas, for and in consideration of the sum of Two ($2.00) dollars, ($2.00), to be paid by Central Power and Light Company, a private corporation organized and existing under and by virtue of the laws of the State of Massachusetts, and having a permit to do business in the State, the receipt of which is hereby acknowledged and confessed, have this day granted, sold and conveyed, and by these presents do grant, sell and convey unto the said Central Power and Light Company, its successors and assigns, an easement or right of way for uses and purposes at or near the location and along the general course so located and stated out by said Central Power and Light Company, over, under and upon the following described lands now owned by us (we), located in the County of DeWitt and State of Texas, to wit:

Parcels of land described to E. F. Kuebler by Annie Laura Flick et al., more particularly described as follows: In Dewitt County, Texas, being 98.5 acres of land in the J. J. Swenson league, and 101.5 acres of land of the J. A. Y Gonzales league, and a part of the 200 acre tract of land conveyed to T. A. Graves by J. N. Campbell, by deed dated Feb. 11, 1886, and recorded in vol. 27, page 77, of the deed records of Dewitt County, Texas, and being all out of lots 25 a, 26 a, 27 a, 45 a, 54 a, and part of 55 a, in the partition of the J. A. Y Gonzales league described as follows:

Beginning at a stake on the bank of the Guadalupe River N. edge of the right-of-way of the old S. A. P. Railway Company, the same being the NW corner of the T. A. Graves estate land. Thence with the S. line of the right-of-way N 79 degrees 10 minutes 53 seconds E 0.81 ac. to a stake and corner post. Thence east a distance of 0.63 ac. along the S edge of the said road, 275.5 vrs. to a stake and corner post; thence W 920.7 vrs. to a stake and rock set in place of right-of-way of the C. A. & A. R. Co. Thence with the right-of-way N 75 degrees 15 minutes W 1110.5 vrs. to a stake on the right-of-way of the C. A. & A. R. Co. Thence S 55 degrees 15 minutes E 0.1 ac. to the NW corner of the Guadalupe River, same being the NW corner of the T. A. Graves land; thence down the Guadalupe River to the place of beginning, containing 200 acres of land.

To the right of ingress and egress across my (our) adjacent lands to or from said right-of-way, for the purpose of constructing, inspecting, operating, maintaining, and removing said line, poles, wires, and appurtenances; the right to relocate along the general direction of said line; the right to remove from said land all trees and other obstructions which endanger or may interfere with the safety or efficiency of said line; and the right to exercise all other rights hereby granted.

To have and to hold the above described rights, easement and rights of way unto the said Central Power and Light Company, its successors and assigns, until said line shall be abandoned, removed and removed.

Know all men by these presents:

That E. F. Kuebler, husband and wife of the County of DeWitt and State of Texas, for and in consideration of the sum of Two ($2.00) dollars, ($2.00), to be paid by Central Power and Light Company, its successors and assigns, shall pay to me (us), my (our) heirs or legal representatives, at the rate of One ($1.00) dollar for each pole or guy erected in excess of said number; and upon said Central Power and Light Company, its successors and assigns, shall have the right, and the right hereby granted, to erect poles along said course in excess of said number.

And I (we) hereby bind myself (ourselves), my (our) heirs and legal representatives, to warrant and forever defend all and singular, the above described rights, easement and rights of way unto the said Central Power and Light Company, its successors and assigns, against every person or corporation lawfully claiming or to claim the same, or any part thereof.

Before me, the undersigned, a member of the bar of this State, and an officer of this Court, and duly authorized by said Court to administer oaths, do solemnly swear that the above is true, and do further swear that the same is true.

I hereby certify that the foregoing instrument was signed for me by the person whose name is subscribed to the foregoing instrument, and that the execution thereof was requested.

To the said Dewitt County, Texas.

I hereby certify that the foregoing instrument was filed for record on the 2nd day of February, 1940, at 8 o'clock a.m. and recorded the 2nd day of February, 1940 at 1 o'clock p.m.

4. Acquisition of Interests in Real Property – Use of Eminent Domain in Caldwell County

Amended Proposed Motion
I move that the LCRA Transmission Services Corporation Board of Directors adopt the attached resolution; that the Board authorize by record vote the use of the power of eminent domain to acquire rights in the properties described in Exhibit 1 to the resolution for the acquisition of an easement amendment for the Lockhart-Split Transmission Line Upgrade project; and that the first record vote applies to all units of property to be condemned. Due to a clerical error, this previously approved item needs to be amended and ratified. “Exhibit 1 – Description of Specific Properties” was not included. This ratification will correct the clerical error.

Board Consideration
LCRA Transmission Services Corporation Board Policy T401 – Land Resources and Section 2206.053 of the Texas Government Code require Board authorization prior to the initiation of eminent domain proceedings.

Section 2206.053 of the Texas Government Code provides that if two or more Board members object to adopting a single resolution for all units, a separate record vote must be taken for each unit of property. If two or more units of real property are owned by the same person, those units may be treated as one unit of property.

Budget Status and Fiscal Impact
The acquisition costs were included in the Board-approved budget for the Lockhart-Split Transmission Line Upgrade project.

Summary
LCRA TSC proposes to acquire easement amendments in Caldwell County for the Lockhart-Split Transmission Line Upgrade project. Paul Hornsby and Company performed independent appraisals of the interests in real property to be acquired to determine just compensation to the landowners.

Staff made an initial offer to acquire the necessary interests in real property voluntarily from the landowners listed on Exhibit C, as required by Section 21.0113 of the Texas Property Code. Staff will continue to negotiate for the purchase of the interests in real property. Staff seeks Board authorization to proceed with condemnation if an agreement cannot be reached with the landowners.

Staff has provided to the Board descriptions of the specific properties to be acquired and will attach the descriptions to the resolution.

LCRA TSC representatives have performed environmental and cultural due diligence studies and did not identify any concerns. Staff requests the Board adopt the resolution in Exhibit D authorizing the initiation of condemnation proceedings on the first record vote for all units of property.

PROPOSED MOTION

I MOVE THAT THE BOARD OF LCRA TRANSMISSION SERVICES CORPORATION ADOPT THE ATTACHED RESOLUTION; THAT THE BOARD AUTHORIZE BY RECORD VOTE THE USE OF THE POWER OF EMINENT DOMAIN TO ACQUIRE RIGHTS IN THE PROPERTY OR PROPERTIES DESCRIBED IN EXHIBIT 1 TO THE RESOLUTION FOR THE LOCKHART-SPLIT TRANSMISSION LINE UPGRADE PROJECT; AND THAT THE FIRST RECORD VOTE APPLIES TO ALL UNITS OF PROPERTY TO BE CONDEMNED.

RESOLUTION

AUTHORIZING ACQUISITION OF INTERESTS IN REAL PROPERTY BY CONDEMNATION IN CALDWELL COUNTY FOR A TRANSMISSION LINE EASEMENT AMENDMENT.

WHEREAS, LCRA Transmission Services Corporation has determined the need to acquire the interests in real property necessary for the public purposes of construction, operation and maintenance of an electric transmission line easement amendment in Caldwell County.

WHEREAS, an independent, professional appraisal of the subject property has been submitted to LCRA Transmission Services Corporation, and an amount will be established to be just compensation for the interests in real property to be acquired;

NOW, THEREFORE, BE IT RESOLVED that the president and chief executive officer or his designee is authorized to purchase the interests in real property from the landowner(s) listed in the attached Exhibit C for the Lockhart-Split Transmission Line Upgrade project, with the description of the location of and interests in the property that LCRA Transmission Services Corporation seeks to acquire being more particularly described in maps provided to the Board and attached to this Resolution as Exhibit 1; that the public convenience and necessity requires the acquisition of said interests in real property; that the public necessity requires the condemnation of the interests in real property in order to acquire them for such purposes; that LCRA Transmission Services Corporation does not intend to acquire rights to groundwater or surface water in the land; that LCRA Transmission Services Corporation will make a bona fide offer to acquire the interests in real property from the landowner(s) voluntarily as required by Section 21.0113 of the Texas Property Code; and that at such time as LCRA Transmission Services Corporation has determined that the landowner(s) and LCRA Transmission Services Corporation will be unable to reach an agreement on the fair market value of the subject interests in real property and that it should appear that further negotiations for settlement with the landowner(s) would be futile, then the
president and chief executive officer or his designee is authorized and directed to initiate condemnation proceedings against the owners of the properties, and against all other owners, lien holders, and other holders of an interest in the properties, in order to acquire the necessary interests in real property; and that this resolution take effect immediately from and after its passage;

BE IT FURTHER RESOLVED that the president and chief executive officer or his designee is hereby authorized to do all things necessary and proper to carry out the intent and purpose of this resolution, including determination and negotiation of the interests in real property that are proper and convenient for the operation of the electric transmission line.
FOR ACTION (CONSENT)

5. Sale of Land and Conveyance of Water Line Easement in Bastrop County

Proposed Motion
Declare a 2.813-acre tract of land, being a portion of the LCRA Transmission Services Corporation Cedar Hill Substation in Bastrop County, nonessential, and authorize the president and chief executive officer or his designee to sell the property to Elgin Oaks LP. Authorize the chief executive officer or his designee to convey to Aqua Water Supply a 0.059-acre, water line easement across a portion of the Cedar Hill Substation.

Board Consideration
LCRA TSC Board Policy T401 – Land Resources requires at least 12 members of the LCRA TSC Board of Directors to declare the land no longer necessary or beneficial to the business of LCRA TSC before conveyance. LCRA TSC Board Policy T401 also requires LCRA TSC Board approval of the terms of all land sales before conveyance.

LCRA TSC Board Policy T401 requires the declaration, terms of conveyance and requests for easements across LCRA TSC land to be approved by a three-fourths vote of the membership of the LCRA TSC Board.

Budget Status and Fiscal Impact
The administrative costs associated with the sale of this land and the conveyance of this easement are contained in the fiscal year 2023 business plan. Proceeds from the land sale and easement conveyance will benefit LCRA TSC.

Summary
In 1996, LCRA acquired a 52.796-acre tract of land from Elizabeth Schroeder for use as the Cedar Hill Substation. Elgin Oaks LP has requested to purchase a 50-foot-wide strip of land containing 2.813 acres. This strip of land will be used for a road to benefit a future elementary school. The sale price of $49,014 is based on an appraisal performed by an independent and certified third-party appraiser. In addition, Elgin Oaks LP has requested a 30-foot-wide, 0.059-acre water line easement that will be conveyed to Aqua Water Supply. The price for the water line easement will be $925 based on an appraisal performed by an independent and certified third-party appraiser.

LCRA TSC representatives will complete environmental and cultural resource due diligence assessments in accordance with Board Policy T401.403 before the sale of the property.
The property will be sold subject to the following reservations and restrictions:

1. LCRA TSC will reserve all presently held oil, gas and other mineral rights of every kind or character in, on and under the property, provided that LCRA TSC shall not be permitted to drill or excavate for minerals on the surface of the property.

2. LCRA TSC will reserve an easement to accommodate its transmission line needs. T-181/T-229 currently crosses the proposed sale tract on the east side.

**Exhibit(s)**

B – Site Map
FOR ACTION (CONSENT)

6. Minutes of Prior Meeting

Proposed Motion
Approve the minutes of the June 15, 2022, meeting.

Board Consideration
Section 4.06 of the LCRA Transmission Services Corporation bylaws requires the secretary to keep minutes of all meetings of the Board of Directors.

Budget Status and Fiscal Impact
Approval of this item will have no budgetary or fiscal impact.

Summary
Staff presents the minutes of each meeting to the Board for approval.

Exhibit(s)
A – Minutes of June 15, 2022, meeting
EXHIBIT A

Minutes Digest
June 15, 2022

22-16 Authorization for the chief executive officer or his designee to convey to the City of Boerne a 0.171-acre, 20-foot-wide water line easement across a portion of LCRA Transmission Services Corporation’s Esperanza Substation in Kendall County.

22-17 Authorization for the chief executive officer or his designee to convey to Vol Montgomery and Jill Prentice Montgomery a permanent access easement, being an approximately 0.44-acre tract, across a portion of LCRA Transmission Services Corporation’s Graphite Mine Parcel S266 in Burnet County.

22-18 Authorization for the chief executive officer or his designee to convey to Oncor Electric Delivery Company, LLC an approximately 0.79-acre, 72-foot-wide transmission line easement across a portion of LCRA Transmission Services Corporation’s Elgin Switch Substation in Williamson County.

22-19 Approval of the minutes of the May 18, 2022, meeting.

22-20 Adoption of a resolution authorizing the use of the power of eminent domain in Blanco, DeWitt, Austin, Guadalupe and Fayette counties to acquire rights in the properties described in Exhibit A to the resolution for the acquisition of needed easement rights for the LCRA Broadband Program project to provide for communications and to facilitate broadband services on the: Mountain Top to Kendall (T342), Lost Creek to Guadalupe (T541), Bellville South to Waller (T213), Zorn SWYD to Seguin (T203) and Salem to Warda (T667) transmission lines.

22-21 Adoption of a resolution authorizing the use of the power of eminent domain in Caldwell County to acquire rights in the property or properties described in Exhibit 1 to the resolution for the acquisition of easements amendment for the Lockhart Split Transmission Line Upgrade Addition project.

22-22 Approval of the Capital Improvement Project Authorization Request for the following projects and associated lifetime budgets: Eckert Power Transformer Upgrade; Marshall Ford to McNeil Transmission Line Storm Hardening; Starcke to Wirtz Transmission Line Storm Hardening; and Dale Power Transformer Upgrade.
MINUTES OF THE REGULAR MEETING OF THE
BOARD OF DIRECTORS OF
LCRA TRANSMISSION SERVICES CORPORATION
Austin, Texas
June 15, 2022

Pursuant to notice posted in accordance with the Texas Open Meetings Act, the Board of Directors (Board) of LCRA Transmission Services Corporation (LCRA TSC) convened in a regular meeting at 10:03 a.m. Wednesday, June 15, 2022, in the Board Room of the Hancock Building, at the principal office of the Lower Colorado River Authority, 3700 Lake Austin Blvd., Austin, Travis County, Texas. The following directors were present, constituting a quorum:

Timothy Timmerman, Chair
Stephen F. Cooper, Vice Chair
Michael L. “Mike” Allen
Matthew L. “Matt” Arthur
Melissa K. Blanding
Joseph M. “Joe” Crane
Raymond A. “Ray” Gill Jr.
Thomas L. “Tom” Kelley
Robert “Bobby” Lewis
Thomas Michael Martine
Margaret D. “Meg” Voelter
Martha Leigh M. Whitten

Absent: Laura D. Figueroa
Carol Freeman
Nancy Eckert Yeary

Chair Timmerman convened the meeting at 10:03 a.m. and led the Board in pledges of allegiance to the American and Texas flags. Director Whitten provided an invocation. Chair Timmerman recognized the following special guests in attendance: Mills County Judge-elect Jett Johnson, who formerly served on the LCRA Board of Directors, and Will Holford from Bluebonnet Electric Cooperative.

There were no public comments during the meeting [Agenda Item 1].

The Board next took action on the consent agenda. Upon motion by Director Voelter, seconded by Director Crane, the Board unanimously approved consent items 2, 3, 4 and 5 by a vote of 12 to 0 as follows:

22-16 Authorization for the chief executive officer or his designee to convey to the City of Boerne a 0.171-acre, 20-foot-wide water line easement across a portion of LCRA Transmission Services Corporation’s Esperanza Substation in Kendall County, as recommended by staff in Consent Item 2 [attached hereto as Exhibit A].
22-17 Authorization for the chief executive officer or his designee to convey to Vol Montgomery and Jill Prentice Montgomery a permanent access easement, being an approximately 0.44-acre tract, across a portion of LCRA Transmission Services Corporation’s Graphite Mine Parcel S266 in Burnet County, as recommended by staff in Consent Item 3 [attached hereto as Exhibit B].

22-18 Authorization for the chief executive officer or his designee to convey to Oncor Electric Delivery Company, LLC an approximately 0.79-acre, 72-foot-wide transmission line easement across a portion of LCRA Transmission Services Corporation’s Elgin Switch Substation in Williamson County, as recommended by staff in Consent Item 4 [attached hereto as Exhibit C].

22-19 Approval of the minutes of the May 18, 2022, meeting [Consent Item 5].

22-20 Vice President of Real Estate Services Mark Sumrall presented for consideration a staff recommendation, described in Agenda Item 6 – Acquisition of Interests in Real Property – Use of Eminent Domain in Blanco, DeWitt, Austin, Guadalupe and Fayette counties [attached hereto as Exhibit D]. Director Martine moved, seconded by Director Gill, that the Board adopt a resolution authorizing by record vote the use of the power of eminent domain to acquire rights in the properties described in Exhibit A to the resolution for the acquisition of needed easement rights for the LCRA Broadband Program project to provide for communications and to facilitate broadband services on the: Mountain Top to Kendall (T342), Lost Creek to Guadalupe (T541), Bellville South to Waller (T213), Zorn SWYD to Seguin (T203) and Salem to Warda (T667) transmission lines; and that the first record vote applies to all units of property to be condemned. The Board unanimously approved the motion by a record vote of 12 to 0.

22-21 Vice President of Real Estate Services Mark Sumrall presented for consideration a staff recommendation, described in Agenda Item 7 – Acquisition of Interests in Real Property – Use of Eminent Domain in Caldwell County [attached hereto as Exhibit E]. Director Martine moved, seconded by Director Crane, that the Board adopt a resolution authorizing by record vote the use of the power of eminent domain to acquire rights in the property or properties described in Exhibit 1 to the resolution for the acquisition of easements amendment for the Lockhart Split Transmission Line Upgrade Addition project; and that the first record vote applies to all units of property to be condemned. The Board unanimously approved the motion by a record vote of 12 to 0.

22-22 Vice President of Transmission Asset Optimization Kristian M. Koellner presented for consideration a staff recommendation, described in Agenda Item 8 [attached hereto as Exhibit F], that the Board approve the Capital Improvement Project Authorization Request for the following projects and associated lifetime budgets: Eckert Power Transformer Upgrade; Marshall Ford to McNeil Transmission Line Storm Hardening; Starcke to Wirtz Transmission Line Storm Hardening; and Dale Power
Transformer Upgrade. Upon motion by Director Crane, seconded by Vice Chair Cooper, the recommendation was unanimously approved by a vote of 12 to 0.

Vice President and Chief Operating Officer Kristen Senechal previewed items that staff anticipates placing on the Board’s agenda in August.

There being no further business to come before the Board, the meeting was adjourned at 10:26 a.m.

Leigh Sebastian
Secretary
LCRA Transmission Services Corporation
Approved: Aug. 17, 2022
FOR ACTION

7. Fiscal Year 2022 LCRA Transmission Services Corporation Capital Plan Ratification

Proposed Motion
Ratify the Fiscal Year 2022 LCRA Transmission Services Corporation Capital Plan to increase authorized capital spending in FY 2022 from $445 million to $458 million.

Board Consideration
LCRA TSC Board Policy T301 – Finance requires annual approval of a capital plan by the LCRA TSC Board of Directors. The policy states that if annual expenditures for operations or capital are expected to exceed Board-authorized levels, additional approval from the Board will be required.

Budget Status and Fiscal Impact
The proposed ratification to increase LCRA TSC’s capital budget authorization in FY 2022 will have no impact on LCRA TSC’s existing rates for the provision of regulated transmission services. All of these costs will be recoverable in a future interim capital addition or a full rate case filing.

Summary
Because LCRA TSC has exceeded the approved capital spending budget for FY 2022, staff seeks ratification of additional spending. The need for additional funding is driven by costs greater than forecast on construction, materials, and two transmission service restoration projects. The LCRA TSC Board approved the FY 2022 LCRA TSC capital plan in May 2021, establishing a capital spending limit of $406.8 million for FY 2022. The LCRA TSC Board in March 2022 approved a budget reset increasing the spending limit to $445 million. The fiscal year-end actual spending is $458 million. This is an increase of $13 million or 2.8%.

The Public Utility Commission of Texas establishes LCRA TSC’s rates for regulated transmission services based on the actual costs of capital projects. This ratification does not increase the lifetime budget for any individual capital project but amends the spending limit established for FY 2022 to reflect actual spending within the FY 2022 capital plan.

Presenter(s)
Kristen Senechal
Vice President and Chief Operating Officer
FOR ACTION

8. Capital Improvement Projects Approval

Proposed Motion
Approve the Capital Improvement Project Authorization Request for the projects and associated lifetime budgets as described in Exhibit A.

Board Consideration
LCRA Transmission Services Corporation Board Policy T301 – Finance requires Board of Directors approval for any project exceeding $1.5 million.

Budget Status and Fiscal Impact
- Staff will monitor the FY 2023 forecast and will request a fiscal year budget increase if needed.
- The treasurer and chief financial officer will release funds as needed.
- Project costs will be funded through LCRA TSC regulated rates, subject to approval by the Public Utility Commission of Texas.

Summary
Staff recommends approval of the capital projects described in exhibits A and B. These projects meet legal requirements in the Public Utility Regulatory Act and PUC rules.
Project funds will pay for activities, including but not limited to project management, engineering, materials acquisition, construction and acquisition of necessary land rights. LCRA TSC representatives will perform all necessary regulatory, real estate, environmental and cultural due diligence activities.

EXHIBIT B

Project Details

Project Name: Antler-Bergheim Transmission Line Upgrade  
Project Number: 1024576  
Lifetime Budget: $70.8 million  
Description: The project will increase the reliability and capacity of transmission facilities on the Antler to Bergheim 138-kV and Bergheim to Hays Energy 345-kV 7.2-mile double-circuit transmission line in Comal County. The project scope includes replacing structures and conductor and adding optical ground wire. The recommended project completion date is May 15, 2026.

Project Name: Antler-Highway 46 Transmission Line Upgrade  
Project Number: 1024577  
Lifetime Budget: $68.2 million  
Description: The project will increase the reliability and capacity of transmission facilities on the Antler to Highway 46 138-kV and Bergheim to Hays Energy 345-kV 10.4-mile double-circuit transmission line in Comal County. The project scope includes replacing structures and conductor and adding optical ground wire. The recommended project completion date is May 15, 2026.

Project Name: Bergheim-Fair Oaks Transmission Line Upgrade  
Project Number: 1024581  
Lifetime Budget: $34.8 million  
Description: The project will increase the reliability and capacity of transmission facilities on the Bergheim to Fair Oaks 138-kV and Bergheim to Kendall 345-kV 4.1-mile double-circuit transmission line in Comal and Kendall counties. The project scope includes replacing structures and conductor and adding optical ground wire. The recommended project completion date is May 15, 2026.

Project Name: Boerne-Esperanza Transmission Line Upgrade  
Project Number: 1024583  
Lifetime Budget: $30.1 million  
Description: The project will increase the reliability and capacity of transmission facilities on the Boerne to Esperanza 138-kV and Bergheim to Kendall 345-kV 3.9-mile double-circuit transmission line in Kendall County. The project scope includes replacing structures and conductor and adding optical ground wire. The recommended project completion date is May 15, 2024.
Project Name: Boerne Split-Welfare Transmission Line Upgrade  
Project Number: 1024582  
Lifetime Budget: $61.6 million  
Description: The project will increase the reliability and capacity of transmission facilities on the Boerne Split to Welfare 138-kV and Bergheim to Kendall 345-kV 7.5-mile double-circuit transmission line in Kendall County. The project scope includes replacing structures and conductor and adding optical ground wire. The recommended project completion date is May 15, 2025.

Project Name: Esperanza-Fair Oaks Transmission Line Upgrade  
Project Number: 1024585  
Lifetime Budget: $36.4 million  
Description: The project will increase the reliability and capacity of transmission facilities on the Esperanza to Fair Oaks 138-kV and Bergheim to Kendall 345-kV 4.4-mile double-circuit transmission line in Kendall County. The project scope includes replacing structures and conductor and adding optical ground wire. The recommended project completion date is May 15, 2024.

Project Name: Hays Energy-Henne Split Transmission Line Upgrade  
Project Number: 1024587  
Lifetime Budget: $48.8 million  
Description: The project will increase the reliability and capacity of transmission facilities on a 5.4-mile portion of the Bergheim to Hays Energy 345-kV transmission line in Comal and Hays counties. The project scope includes replacing structures and conductor and adding optical ground wire. The recommended project completion date is May 15, 2024.

Project Name: Henne-River Oaks Transmission Line Upgrade  
Project Number: 1024588  
Lifetime Budget: $34.9 million  
Description: The project will increase the reliability and capacity of transmission facilities on the River Oaks to Henne 138-kV and Bergheim to Hays Energy 345-kV 3.8-mile double-circuit transmission line in Comal County. The project scope includes replacing structures and conductor and adding optical ground wire. The recommended project completion date is May 15, 2024.

Project Name: Highway 46-River Oaks Transmission Line Upgrade  
Project Number: 1024590  
Lifetime Budget: $66.1 million  
Description: The project will increase the reliability and capacity of transmission facilities on the Highway 46 to River Oaks 138-kV and Bergheim to Hays Energy 345-kV 8.6-mile double-circuit transmission line in Comal County. The project scope includes replacing structures and conductor and adding optical ground wire. The recommended project completion date is May 15, 2025.
**Project Name:** Kendall-Welfare Transmission Line Upgrade  
**Project Number:** 1024592  
**Lifetime Budget:** $76.4 million  
**Description:** The project will increase the reliability and capacity of transmission facilities on the Kendall to Welfare 138-kV and Bergheim to Kendall 345-kV 10.1-mile double-circuit transmission line in Kendall County. The project scope includes replacing structures and conductor and adding optical ground wire. The recommended project completion date is May 15, 2025.

**Project Name:** North McCamey Circuit Breaker Substation Upgrade  
**Project Number:** 1026520  
**Lifetime Budget:** $7.1 million  
**Description:** The project will increase the reliability of substation equipment at the Substation in Upton County. The project scope includes upgrading 17 138-kV circuit breakers to an increased short circuit interrupting rating that is based on North American Electric Reliability Corporation reliability standards and LCRA TSC transmission planning criteria. The recommended project completion date is May 15, 2024.

**Project Name:** Bearkat-North McCamey Transmission Line Addition  
**Project Number:** 1027395  
**Lifetime Budget:** $104.1 million  
**Description:** The project will construct an approximately 71-mile new 345-kV double-circuit transmission line between the LCRA TSC-owned North McCamey Substation in Upton County and the Wind Energy Transmission Texas Bearkat Substation in Glasscock County. The project scope includes the addition of new bundled conductor with a minimum rating of 2,564 megavolt amperes and optical ground wire on new structures and obtaining easements and rights of way. An amendment to the LCRA TSC Certificate of Convenience and Necessity is required. The recommended project completion date is June 30, 2026.

**Project Name:** North McCamey-Sand Lake Transmission Line Addition  
**Project Number:** 1027402  
**Lifetime Budget:** $134.0 million  
**Description:** The project will construct an approximately 94-mile new 345-kV double-circuit transmission line between the LCRA TSC-owned North McCamey Substation in Upton County and the Oncor-owned Sand Lake Substation in Winkler County. The project scope includes the addition of new bundled conductor with a minimum rating of 2,564 MVA and optical ground wire on new structures and obtaining easements and rights of way. An amendment to the LCRA TSC CCN is required. The recommended project completion date is June 30, 2026.
FOR ACTION

9. Acquisition of Interests in Real Property – Use of Eminent Domain in Travis County

Proposed Motion
I move that the LCRA Transmission Services Corporation Board of Directors adopt the attached resolution; that the Board authorize by record vote the use of the power of eminent domain to acquire rights in the properties described in Exhibit 1 to the resolution for the acquisition of needed easement rights for the LCRA Broadband Program project to provide for communications and to facilitate broadband services on the: McNeil to Gillesland Creek (T147) transmission line; and that the first record vote applies to all units of property to be condemned.

Board Consideration
LCRA Transmission Services Corporation Board Policy T401 – Land Resources and Section 2206.053 of the Texas Government Code require Board authorization prior to the initiation of eminent domain proceedings.

Section 2206.053 of the Texas Government Code provides that if two or more Board members object to adopting a single resolution for all units, a separate record vote must be taken for each unit of property. If two or more units of real property are owned by the same person, those units may be treated as one unit of property.

LCRA utilizes LCRA Transmission Services Corporation to provide LCRA with fiberoptic communications and broadband services at LCRA’s expense pursuant to LCRA Board Policy 220.20 and Section 8503.032 of the Special District Local Laws Code.

Budget Status and Fiscal Impact
The acquisition cost was included in the Board-approved budget for the LCRA Broadband Program project.

Summary
LCRA TSC proposes to acquire communication rights, including the facilitation of broadband services, in Travis County for the LCRA Broadband Program project. Paul Hornsby and Company performed independent appraisals of the interests in real property to be acquired to determine just compensation to the landowners.

Staff will make initial offers to acquire the necessary interests in real property voluntarily from the landowners listed on Exhibit C, as required by Section 21.0113 of the Texas Property Code. Staff will continue to negotiate for the purchase of the interests in real property. Staff seeks Board authorization to proceed with condemnation if an agreement cannot be reached with the landowners.

Staff has provided to the Board descriptions of the specific properties to be acquired and will attach the descriptions to the resolution.

Staff requests that the Board adopt the resolution in Exhibit D authorizing the initiation of condemnation proceedings on the first record vote for all units of property.

PROPOSED MOTION

I MOVE THAT THE BOARD OF LCRA TRANSMISSION SERVICES CORPORATION ADOPT THE ATTACHED RESOLUTION; THAT THE BOARD AUTHORIZE BY RECORD VOTE THE USE OF THE POWER OF EMINENT DOMAIN TO ACQUIRE RIGHTS IN THE PROPERTIES DESCRIBED IN EXHIBIT 1 TO THE RESOLUTION FOR THE ACQUISITION OF EASEMENT AMENDMENTS NECESSARY TO PROVIDE, ON BEHALF OF LCRA AND AT LCRA’S EXPENSE, FOR COMMUNICATIONS AND TO FACILITATE BROADBAND SERVICES ON THE T147 TRANSMISSION LINE; AND THAT THE FIRST RECORD VOTE APPLIES TO ALL UNITS OF PROPERTY TO BE CONDEMNED.

RESOLUTION

AUTHORIZING ACQUISITION OF INTERESTS IN REAL PROPERTY BY CONDEMNATION IN TRAVIS COUNTY FOR TRANSMISSION LINE EASEMENT AMENDMENTS.

WHEREAS, LCRA Transmission Services Corporation has determined the need to acquire the interests in real property necessary for the public uses of construction, operation and maintenance of electric transmission lines, communication lines, and appurtenances thereto in Travis County; and

WHEREAS, an independent, professional appraisal of the subject property will be submitted to LCRA Transmission Services Corporation, and an amount will be established to be just compensation for the interests in real property to be acquired.

NOW, THEREFORE, BE IT RESOLVED that the president and chief executive officer or his designee is authorized to purchase the interests in real property from the landowners listed in the attached Exhibit C, with the description of the location of and interest in the property LCRA Transmission Services Corporation seeks to acquire being more particularly described in maps provided to the Board and attached to this Resolution as Exhibit 1; that the public convenience and necessity requires the acquisition of said interests in real property; that the public necessity requires the condemnation of the interests in real property in order to acquire them for such uses; that LCRA Transmission Services Corporation does not intend to acquire rights to groundwater or surface water in the land; that if applicable or if after due diligence, the location or identity of the landowner is unknown, LCRA Transmission Services Corporation will make a bona fide offer to acquire the interests in real property from the landowner voluntarily as required by Section 21.0113 of the Texas Property Code; and that at such time as LCRA Transmission Services Corporation has determined that the landowner and LCRA Transmission Services Corporation will be
unable to reach an agreement on the fair market value of the subject interests in real property and that it should appear that further negotiations for settlement with the landowner would be futile, then the president and chief executive officer or his designee is authorized under Section 8503.032 of the Special District Local Laws Code, and directed to initiate condemnation proceedings against the landowner of the property, and against all other owners, lien holders, and other holders of an interest in the property, in order to acquire the necessary interests in real property, and that this resolution takes effect immediately from and after its passage.

BE IT FURTHER RESOLVED that the president and chief executive officer or his designee is hereby authorized to do all things necessary and proper to carry out the intent and purpose of this resolution, including determination and negotiation of the interests in real property that are proper and convenient for the operation of the electric transmission lines.
