

MATAGORDA BAY NATURE PARK

Turtle Camp *(Ages 5-8)*

In addition to beach games and activities related to the camp themes below, campers will have the opportunity to climb a rock wall, learn the basics of archery and play science-based games. They will also practice fishing, create coastal-themed arts and crafts, have sandcastle building contests and learn about conservation through water stewardship.

ANGLERS AHOY *(June 14-18)*

Calling all anglers! Campers learn the basics of fishing and about the habitats of fish and what their lives are like in the ocean. At the end of camp, campers receive their Texas Parks and Wildlife Junior Angler Certification and compete in a camp-wide fishing tournament.

ANIMAL ADVENTURE *(June 21-25)*

Learn about the different wildlife, such as clams, crabs and birds that live along the Gulf Coast and the importance of the ocean through exploration and activities. Explore the marsh ecosystem and spot birds with binoculars.

FANTASY ISLAND *(July 12-16)*

Campers make ocean-themed art using paint and canvas, molding clay, chalk and other outlets while studying the different plants, animals and habitats that inspire their art. Each day has a different ocean-fantasy theme, such as Treasure Island, mermaids and pirates and the lost city of Atlantis.

Camps will operate in accordance with Texas Department of State Health Services and Centers for Disease Control and Prevention guidelines.
