

OPEN HOUSE

New Mountain Home
138-kilovolt Transmission Line
and Substation Project

*Wednesday, Nov. 7
6 - 8:30 p.m.*

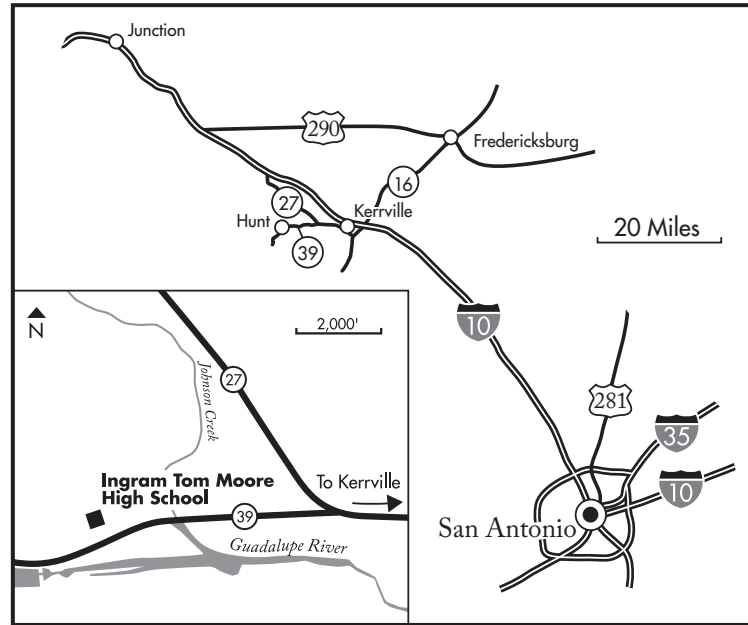

Join us in the Ingram Tom Moore
High School cafeteria

700 Hwy 39, Ingram, TX 78025

LCRA Transmission Services Corporation invites you to a second open house to learn more about an electric transmission line and substation facility proposed for Gillespie, Kerr and Kimble counties and the newly expanded study area.

The open house will have a come-and-go format; no RSVP is needed.

Attendees will have an opportunity to ask questions and provide comments regarding the project. Representatives and experts from LCRA TSC and POWER Engineers, the consulting firm responsible for developing preliminary alternative transmission line routes and potential substation sites, will be available to discuss specific aspects of the project.

If you have any questions, please visit our project website: www.lcra.org/mountainhome or contact us at 1-800-776-5272, ext. 2690.
