The Lower Colorado River Authority is a conservation and reclamation district created by the Texas Legislature in 1934 to improve the quality of life in the Central Texas area. It receives no tax money and operates on revenues from wholesale electric and water sales and other services. This map has been produced by the Lower Colorado River Authority for its own use. Accordingly, neither LCRA, nor its contractors, or sub-contractors are responsible for the accuracy of this map. Users are to make suitable cross-references.
