

Teledentistry for Guardian members

It is important to ensure our members have access to dental care — and teledentistry helps make that happen.

That's why Guardian is helping to provide an easy-to-use teledentistry option for when you or your family need urgent care and you don't have a dentist or your dentist is not available.*

Here's how Guardian Teledentistry powered by TeleDentistry.com works:

1. You sign up in the Virtual Visits patient portal or call 866-979-1116.
2. You take photos of the problem area if necessary.
3. You connect with a TeleDentistry.com dentist and begin the Virtual Visit.
4. If additional care is needed after the Virtual Visit, a TeleDentistry.com dentist will refer you to an in-network dentist for diagnosis and treatment and will forward any consulting notes to your regular dentist.

During your virtual visit, a dental care professional can help you:

- Determine if you have a serious condition that requires urgent treatment
- Suggest things you can do at home to relieve your symptoms
- Assess toothaches, infections, and provide prescription medications if needed
- Offer guidance and advice
- Refer you to a Guardian network dentist if further care is needed

To get started, simply visit teledentistry.com/insurance-carriers/guardian or call 866-979-1116.
