

Business Opportunity	Description of Goods/Services	Contact Email	Estimated Posting Month/Year
Obsolete Used Electronics Recycling	Recycling and destruction of used electronics	Doug.Brown@lcra.org	September 2021
Paving Services	Paving at LCRA sites	Gabriela.Harthcock@lcra.org	September 2021
Transformer Consultant Services	Professional services for transformer consultation	David.Tung@lcra.org	September 2021
Substation Control Panels	Fabrication and assembly of control panels for installation in LCRA substations	David.Tung@lcra.org	September 2021
Lubricants, Oils and Greases	Lubricants, greases and turbine oil for use company-wide	Kelly.Mikulin@lcra.org	September 2021
Hydro-Excavation Services	Hydro-excavation services for digging around underground utilities, soil trenching and piling excavation	Raul.Esparza@lcra.org	September 2021
Aegis Public Safety Upgrade/Replacement - Phase 2	Public safety computer-aided dispatch and law enforcement records management software	Joe.Krawtz@lcra.org	October 2021
HVAC Services	HVAC installation, maintenance and repair services	Kim.Larsen@lcra.org	October 2021
Imaging and Scanning Services	Printing services (non-engineering drawings)	Ashlee.Nelson@lcra.org	November 2021
Safety and Equipment Operator Training	Safety and equipment operator training	Gabriela.Harthcock@lcra.org	November 2021
Backup Control Center Redevelopment Project	Reconfigure the backup control center for transmission operations	Gabriela.Harthcock@lcra.org	December 2021
Substation Steel Fabrication	Fabrication of steel structures for substations	David.Tung@lcra.org	December 2021
Steel Security Camera Poles	Steel poles for mounting security cameras at substations and other locations	David.Tung@lcra.org	December 2021
Lattice Steel Transmission Towers	Fabrication of lattice steel transmission structures	David.Tung@lcra.org	December 2021
Vegetation Control/Herbicide	Vegetation control	Rhonda.Torsiello@lcra.org	January 2022
High-Security Fencing	High-security fencing for substations	Rhonda.Torsiello@lcra.org	January 2022
Steel and Concrete Transmission Structures	Fabrication of steel and concrete transmission structures	David.Tung@lcra.org	January 2022
Expense Reimbursement and ProCard Solution (Software)	Expense reimbursement and ProCard solution	Erika.Larsen@lcra.org	January 2022
SIEM Hardware/Software/ Maintenance and Support	Cyber equipment and software	Joe.Krawtz@lcra.org	January 2022
Transformer Materials/Oil Recycling	Recycling of transformer materials and oil	Doug.Brown@lcra.org	January 2022
