LCRA Transmission Services Corporation and Wind Energy Transmission Texas, LLC (WETT) invite you to an open house to learn about a new electric transmission line proposed for portions of Upton, Reagan, and Glasscock counties.

The open houses will have a come-and-go format; no RSVP is needed.

Attendees will have an opportunity to ask questions and provide comments regarding the project. Representatives and experts from LCRA TSC, WETT and POWER Engineers, the consulting firm responsible for developing preliminary alternative transmission line routes, will be available to discuss specific aspects of the project.
