

Application of Oncor Electric Delivery Company LLC and LCRA Transmission Services Corporation to Amend its Certificate of Convenience and Necessity for the North McCamey to Sand Lake 345kV Transmission Line in Pecos, Crockett, Crane, Upton, Reeves, and Ward Counties, Texas

PUBLIC UTILITY COMMISSION OF TEXAS (“PUC”) DOCKET NO. 55121

Landowner

This notice is provided to notify you of the intent of Oncor Electric Delivery Company LLC (Oncor) and LCRA Transmission Services Corporation (LCRA TSC) propose to construct a 345-kilovolt (kV) transmission line between LCRA TSC’s existing North McCamey Station in Upton County, Texas, and Oncor’s existing Sand Lake Station in Ward County, Texas (Project). The North McCamey Station is located approximately 0.6 mile north of the city of McCamey and northwest of the intersection of United States Highway (US) 67 and US 385, and the Sand Lake Station is located approximately 6 miles northeast of the city of Pecos on the northwest side of Farm-to-Market Road (FM) 3398. The estimated cost range of this project is \$335,863,000 to \$414,878,000.

Your land may be directly affected by this docket. If the applicant’s route is approved by the PUC, the applicant will have the right to build a facility that may directly affect your land. This docket will not determine the value of your land or the value of an easement if one is needed by the applicant to build the facility. If you have questions about this project, please contact Mr. Chris Reily at Oncor at (214) 486-4717, or Mr. Justin Stryker at LCRA TSC at (512) 730-6803.

The CCN application, including detailed routing maps illustrating the proposed transmission line project and project area, may be reviewed on the project website at <https://www.lcra.org/NMSL> or <https://www.oncor.com/NMSL> and at these locations:

All routes and route segments included in this notice are available for selection and approval by the Public Utility Commission of Texas.

The enclosed brochure entitled “Landowners and Transmission Line Cases at the PUC” provides basic information about how you may participate in this docket, and how you may contact the PUC. Please read this brochure carefully. The brochure includes sample forms for making comments and for making a request to intervene as a party in this docket. ***The only way to fully participate in the PUC’s decision on where to locate the transmission line is to intervene in the***

docket. It is important for an affected person to intervene because the utility is not obligated to keep affected persons informed of the PUC's proceedings and cannot predict which route may or may not be approved by the PUC.

In addition to the contacts listed in the brochure, you may call the PUC's Customer Assistance Hotline at (888) 782-8477. Hearing- and speech-impaired individuals with text telephones (TTY) may contact the PUC's Customer Assistance Hotline at (512) 936-7136 or toll free at (800) 735-2989. If you wish to participate in this proceeding by becoming an intervenor, the deadline for intervention in the proceeding is **August 7, 2023**, which is 46 days after the filing of the application, and the PUC should receive a letter from you requesting intervention by that date. The request to intervene form is included with your brochure.

Due to the COVID-19 pandemic, the preferred method for you to file your request for intervention is electronically, and you will be required to serve the request on all other parties by email. Therefore, please include your own email address on the intervention form. Instructions for electronic filing via the "PUC Filer" on the PUC's website can be found here: <https://interchange.puc.texas.gov/filer>. Instructions for using the PUC Filer are available at http://www.puc.texas.gov/industry/filings/New_PUC_Web_Filer_Presentation.pdf. For assistance with your electronic filing, please contact the PUC's Help Desk at (512) 936-7100 or helpdesk@puc.texas.gov. You can review materials filed in this docket on the PUC Interchange at: <http://interchange.puc.texas.gov>.

While the preferred method is for you to submit your request for intervention electronically, if you are unable to do so, you may file your request for intervention by mailing a hard copy of your request to the PUC, and the request should be received by the intervention deadline date of **August 7, 2023**. If you are not filing your request for intervention electronically, mail the request for intervention and 10 copies of the request to:

Public Utility Commission of Texas
Central Records
Attn: Filing Clerk
1701 N. Congress Avenue
P.O. Box 13326
Austin, Texas 78711-3326

Persons who wish to intervene in the docket must also email or mail a copy of their request for intervention to all parties in the docket and all persons that have pending motions to intervene, at or before the time the request for intervention is electronically filed with, or mailed to, the PUC. In addition to the intervention deadline, other important deadlines may already exist that affect your participation in this docket. You should review the orders and other filings already made in the docket. The enclosed brochure explains how you can access these filings.
