

MCKINNEY ROUGHS NATURE PARK

Teen Adventure Camp

(Ages 13-15)

Teens will have the opportunity to experience the thrill of high elements and zip line on the challenge course, take a river trip and work with the group to plan and execute an outdoor adventure.

RIVER ADVENTURES *(Week 1: June 17-21)*

Experience the Colorado River by rafting, kayaking, canoeing and swimming. Teens will practice basic river rescue techniques through team building and complete an obstacle course on Lake Bastrop. Campers will end the week with a more adventures on Lake Bastrop using a variety of watercrafts including stand-up paddleboards and corcls.

WILDERNESS SURVIVAL *(Week 2: June 24-28)*

Learn practical survival skills particular to three Texas ecoregions: desert, woodland and coastal. Teens will make rope to be used in first aid and rescue scenarios, start a fire without matches and discover edible plants native to the area. Campers will roam the park trails on UTVs and soar across a pine canyon on an aerial zip line tour.
