

# YOU'RE INVITED

## LCRA Colorado River Basin 2019 Water Quality Advisory Committee Meetings

### AUSTIN

Tuesday, April 9

9:00 a.m.

LCRA Redbud Center  
3601 Lake Austin Blvd.

[Please RSVP and provide input on the agenda](#)  
by March 15

### FREDERICKSBURG

Tuesday, April 30

9:30 a.m.

Gillespie County AgriLife Extension Office  
95 Frederick Road

[Please RSVP and provide input on the agenda](#)  
by April 5

*These meetings are held annually as a part of the [Clean Rivers Program](#) and are open to all Colorado River stakeholders who have an interest in water quality protection. Members of the Water Quality Advisory Committee help identify and prioritize local water quality concerns and make recommendations for future actions to protect and improve water quality.*
