Please identify your treated or potable water provider or water source (i.e., a city, water district or groundwater well): \_\_\_\_\_

### WATER VOLUME DETERMINATION

The amount of water contracted for is based on the irrigation area of your property. Please answer the questions below to determine the irrigation area of your property.

| <b>Section 1: Landscape Water Use: <u>Complete ONLY if you use lake water for these purposes.</u></b>  |                    |
|--|--------------------|
| (1) What is the total square footage of your lot?  | square feet        |
| (2) What is the total <i>ground-floor</i> square footage of your house and garage?   | square feet        |
| (3) SUBTRACT line 2 from line 1. This is the potential irrigated area.   | square feet        |
| (4) Are there any other areas of your lot that are not irrigated? _____ If yes, what is the estimated additional non-irrigated area of your lot? | square feet        |
| (5) SUBTRACT line 4 from line 3. This is your total irrigated area.  | square feet        |
| (6) Annual irrigation water use:<br><br>(Line 5) ÷ 43,560 X 3.6 acre-feet per irrigated acre = Line 6  | acre-feet per year |

|                               |                     |                |                |     |
|-------------------------------|---------------------|----------------|----------------|-----|
| To be completed by LCRA only. | Form Date: 11202015 | Date Received: | Contract Term: | ID: |
|-------------------------------|---------------------|----------------|----------------|-----|
